VIEX Opportunities Fund, LP – Series One, together with the other participants named herein (collectively, “VIEX”), intends to make a preliminary filing with the Securities and Exchange Commission of a proxy statement and accompanying proxy card to be used to solicit votes for the election of VIEX’s slate of five highly qualified director nominees to the Board of Directors of Support.com, Inc., a Delaware corporation (the “Company”), at the Company’s upcoming 2016 annual meeting of stockholders, or any other meeting of stockholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof.

On March 29, 2016, VIEX issued the following press release:

VIEX NOMINATES FIVE CANDIDATES FOR ELECTION TO BOARD OF SUPPORT.COM

Strongly Believes Direct Stockholder Representation Required in the Boardroom

NEW YORK, NY, March 29, 2016 – VIEX Capital Advisors, LLC, together with its affiliates and the other participants in its solicitation (collectively, “VIEX” or “we”), collectively the largest stockholder of Support.com, Inc. (“Support.com” or the “Company”) (NASDAQ:SPRT), with ownership of approximately 14.8% of the Company’s outstanding shares, announced today that it has formally nominated five highly qualified, independent candidates for election to the Company’s board of directors (the “Board”) at the Company’s upcoming 2016 annual meeting of stockholders.

Over the past decade, Support.com has generated over \$151 million of operating losses. We are concerned that, despite the Board’s recent additions (presumably in response to our involvement), operating losses will continue to mount and stockholder value will continue to deteriorate until direct stockholder representatives are added in the boardroom. We believe that the low level of stock ownership by the incumbent Board evidences a lack of alignment between their interests and the interests of the Company’s stockholders. We believe the Board is in desperate need of new independent directors whose interests are better aligned with stockholders who have invested their own capital in the Company’s stock. In an attempt to bring much needed stockholder perspective into the boardroom, three of the five candidates VIEX has nominated (Bradley Radoff, Joshua Schechter and Eric Singer) have made significant investments in the Company and collectively beneficially own an aggregate of approximately 14.8% of the Company’s outstanding shares.

Over the past six months, we have made multiple attempts to reach an amicable resolution with the Board in order to avoid a potential costly and time consuming proxy contest. Unfortunately, our efforts were met with defensive actions that can only be interpreted as an attempt by the incumbents to entrench themselves, including the unilateral adoption of the poison pill and amendments to the Company’s Bylaws providing for extensive advance notice provisions for director nominations and business proposals. As a result, we have concluded that direct stockholder representatives must be immediately added to the Board to ensure that decisions are made with the best interests of stockholders in mind.

VIEX has nominated five highly qualified director candidates, Richard Bloom, Brian Kelley, Bradley Radoff, Joshua Schechter and Eric Singer, who are committed to maximizing value for all of the Company’s stockholders and fully and fairly analyzing all strategic alternatives available to the Company.

Our nominees are:

- **Richard Bloom** currently serves as a director of NexCore Group, LLC and GlideRite Corporation and has extensive experience serving in senior executive positions and as a director of various companies.
 - **Brian Kelley** is the Chief Executive Officer of Four Winds Advisors LLC, where he advises technology focused clients on restructuring, turnaround and business development.
 - **Bradley Radoff** has many years of experience in investment management and corporate strategy and is the beneficial owner of approximately 8.7% of the Company’s outstanding shares.
 - **Joshua Schechter** possesses financial and investment experience in a variety of industries, significant experience serving on a number of public company boards and owns less than 1% of the Company’s outstanding shares.
-

- **Eric Singer** is the managing member of VIEX GP, LLC and VIEX Capital Advisors, LLC, has extensive experience working with publicly listed companies to improve stockholder value and is the beneficial owner of approximately 5.9% of the Company's outstanding shares.
