Command Center Authorizes Stock Repurchase Program

COEUR D'ALENE, Idaho – April 20, 2015 – Command Center, Inc. (OTCQB: CCNI), a national provider of on-demand and temporary staffing solutions, announced that its Board of Directors has authorized a stock repurchase program for the purpose of repurchasing up to \$5.0 million of the company's common stock over the next three years.

"This repurchase program reflects the confidence of the board and management in the strength of our business, and represents a part of our long term strategy to enhance shareholder value," said Command Center's president and CEO Bubba Sandford. "We are able to institute the stock repurchase program and maintain sufficient capital for operations and growth. Our strong balance sheet and cash flow provide us with the flexibility to opportunistically repurchase shares while continuing to invest in new field offices and other growth opportunities to drive value for our shareholders."

The shares authorized to be repurchased under the repurchase program may be purchased from time to time at prevailing market prices, through open market or negotiated private transactions, depending upon market conditions. The repurchase program will be funded using the company's working capital. There is no guarantee as to the exact number of shares that will be repurchased by the company, and the company may discontinue repurchases at any time that management determines additional repurchases are not warranted.
