### **ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On January 8, 2016, Triton Emission Solutions Inc. (the “Company”) entered into a formal definitive agreement (the “Third KFBV Loan Agreement”) with KF Business Ventures, LP (the “Lender”) with respect to the subject matter of that binding letter agreement between the Company and the Lender dated December 17, 2015 (the “Letter Agreement”). Robert C. Kopple, Chairman of the Company’s Board of Directors is the principal of the Lender. The Third KFBV Loan Agreement supersedes and replaces the terms of the Letter Agreement.

As contemplated under the Letter Agreement, the Lender has agreed to lend to the Company up to \$1,500,000 (the “Third KFBV Loan”), to be advanced in five equal installments of \$300,000 each, the first two installments of which have been advanced. The remaining \$900,000 will be advanced in equal installments on the first day of each calendar month following the date of the Third KFBV Loan Agreement.

The principal outstanding under the Third KFBV Loan bears interest at a rate of 10% per annum, compounded monthly, and is payable in a single lump-sum payment of principal and all accrued and unpaid interest on January 15, 2017 (the “Maturity Date”). At the Lender’s discretion, principal and accrued but unpaid interest under the Third KFBV Loan may be converted into shares of the Company’s common stock at a conversion price of \$0.10 per share, in minimum increments of \$250,000. The Company has the right to prepay the amounts outstanding under the Loan at any time in minimum increments of \$250,000, subject to the Lender’s right to exercise its conversion rights.

As additional consideration for the Lender agreeing to advance the Third KFBV Loan, the Company:

- (a) issued to the Lender non-transferrable share purchase warrants for a total of 8,000,000 shares of the Company’s common stock, exercisable at a price of \$0.10 per share (the “Third KFBV Loan Warrants”) expiring on January 15, 2021; and
- (b) amended the terms of the 18,854,546 warrants (the “Existing Warrants”) previously issued to the Lender under the terms of the Company’s previous loan agreements with the Lender dated for reference January 15, 2014 and July 28, 2014, as amended (the “Existing Loan Agreements”) such that the exercise price for the Existing Warrants is now \$0.10 per share and the expiration date for the Existing Warrants is January 15, 2021.

The Company also exercised its right to extend the maturity date of the loans granted under the Existing Loan Agreements to January 15, 2017 by issuing to the Lender warrants to purchase up to 2,531,652 shares of the Company’s common stock for an exercise price of \$0.10 per share expiring on September 1, 2021.

As contemplated under the Letter Agreement, Rasmus Norling, the Company’s President and Chief Technical Officer, and the Lender also agreed to extend the due dates of their respective bridge loans to the Company (totaling \$400,000 and \$200,000, respectively) to December 31, 2016.

The foregoing description of the Third KF Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Third KF Loan Agreement attached as Exhibit 10.1 hereto.

### **ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES**

As more fully described in Item 1.01 of this report, on January 8, 2016, the Company issued warrants for the purchase of up to an aggregate of 10,531,652 shares of the Company’s common stock to the Lender, at the price and for the term described in Item 1.01 of this report. The sale of the warrants to the Lender was completed pursuant to the exemptions from registration provided by Rule 506 of Regulation D of the Securities Act of 1933 on the basis of representations provided by the Lender that it is an “accredited investor” as defined in Rule 501 of Regulation D.

## 2. TERMS OF LOAN

2.1. Loan and Advance of Funds. The Company agrees to borrow from Lender, and Lender hereby agrees to lend to the Company, the sum of One Million Five Hundred Thousand Dollars (\$1,500,000.00) (the "Loan"), to be advanced to the Company in five (5) equal monthly installments of Three Hundred Thousand Dollars (\$300,000.000) each, the first installment of which was advanced upon execution of the Letter Agreement, and, subject to satisfaction or waiver by the Lender of the Conditions Precedent (as defined in Section 2.2 below), the remaining installments (each a "Subsequent Advance" and collectively, the "Subsequent Advances") of which are to be advanced on the first (1<sup>st</sup>) day of each consecutive calendar month after the date of the Letter Agreement until fully advanced.

2.2. Conditions Precedent to Subsequent Advances. Notwithstanding any other provision of this Agreement, the Lender's obligation to provide the Subsequent Advances shall be subject to the following express conditions precedent (the "Conditions Precedent"):

- (a) the Norling Bridge Loan Agreements shall have been amended to provide that (i) the respective due dates of the loans granted thereunder shall be extended to December 31, 2016, and (ii) the Company may not (without the prior written consent of the Lender, to be obtained in each instance) prepay the loans granted thereunder, in whole or in part, prior to December 31, 2016;
- (b) the Company shall have executed and delivered to the Lender (i) the Existing KF Loan Amendment, (ii) the Convertible Note, and (iii) the Warrants; and
- (c) the Company shall have delivered to the Lender a current itemized monthly budget of the Company in such form and substance as may be proposed by the Company and approved by the Lender in its sole and absolute discretion (the "Updated Budget").

The Conditions Precedent shall be for the sole benefit of the Lender and may be waived by the Lender in writing at its sole and absolute discretion. If the Conditions Precedent are not satisfied or waived on or before the date upon which any Subsequent Advance is to be made pursuant to the terms of this Agreement, Lender shall have the right (but not the obligation) (i) to make one or more Subsequent Advances, in which case the Conditions Precedent shall be deemed waived in respect to the Subsequent Advances so made, but shall remain in full force and effect as to all further Subsequent Advances under Section 2.1, or (ii) to terminate its obligation to lend the Subsequent Advances to the Company as determined in Lender's sole and absolute discretion by written notice to such effect to the Company, in which case Lender's obligation to lend any further Subsequent Advances to the Company shall terminate under Section 2.1 and cease to be of any further force or effect, but all of the other terms and conditions of the Loan Documents shall remain in full force and effect in accordance with their respective terms.

2.3. Interest. Subject to Section 8.2, the total outstanding principal amount of the Loan shall bear interest at a rate of ten percent (10%) per annum until the outstanding principal amount thereon is paid in full, which interest shall be compounded and added to the outstanding principal balance of the Loan monthly, in arrears, beginning on January 1, 2016 and on the first (1<sup>st</sup>) day of each consecutive calendar month thereafter.

2.4. Payments of Principal and Interest. Interest as calculated pursuant to Section 2.3 shall accrue and remain unpaid on the outstanding principal balance of the Loan until January 15, 2017 (the "Maturity Date"). On the Maturity Date, the entire outstanding principal amount of the Loan, together with any accrued and unpaid interest thereon, shall become immediately due and payable without demand therefor.

---

2.5. Prepayment of Outstanding Amounts. Subject to the prior right of the registered holder of the Convertible Note to exercise the Conversion Right as described below, the Company may prepay the outstanding principal amount and any accrued and unpaid interest thereon under the Loan at any time and from time to time, either in whole or in part, in minimum increments equal to the lesser of Two Hundred and Fifty Thousand Dollars (\$250,000.00) each and the total amount remaining outstanding under the Loan without any prepayment penalty or premium (the "Prepayment Right"), which prepayment shall be applied in the manner provided in Section 2.7 hereof. Prior to exercising the Prepayment Right, the Company shall give the registered holder of the Convertible Note not less than 10 business days (the "Prepayment Notice Period") advance written notice of the Company's intention to prepay the outstanding principal amount and any accrued and unpaid interest thereon under the Loan in the amount specified in such written notice (the "Prepayment Notice" and "Prepayment Amount", respectively). During the Prepayment Notice Period, the registered holder of the Convertible Note shall have the right to exercise the Conversion Right, and if timely exercised, the amount so converted shall be applied in reduction of the Prepayment Amount permitted hereunder in respect to such Prepayment Notice. If, during the Prepayment Notice Period, the registered holder of the Convertible Note fails to exercise the Conversion Right in the full amount of the Prepayment Amount, upon expiration of the Prepayment Notice Period, the Conversion Right shall be subject to the Prepayment Right in an amount equal to the remainder of the Prepayment Amount set forth in the Prepayment Notice after such conversion.

2.6. Convertible Promissory Note and Conversion Right. Upon the execution of this Agreement, the Company shall issue to the Lender an unsecured, convertible promissory note for the total outstanding principal amount of the Loan payable to the order of the Lender and evidencing the Loan, executed by the Company in favor of the Lender in the form attached as Schedule "B" to this Agreement (the "Convertible Note"). The outstanding principal balance and accrued but unpaid interest thereon may be converted into shares of Common Stock (the "Convertible Note Shares") by the registered holder of the Convertible Note at an initial conversion price of \$0.10 per share (subject to adjustment as provided in the Convertible Note) in whole or in part in minimum increments equal to the lesser of Two Hundred and Fifty Thousand Dollars (\$250,000.00) each and the total amount remaining outstanding under the Loan, subject to such further terms and conditions as may be set out in the Convertible Note and this Agreement (the "Conversion Right"). The Lender agrees to resell or transfer the Convertible Note pursuant only to an effective registration under the Securities Act or to an available exemption from the registration requirements of the Securities Act and any applicable state securities laws and agrees that the Company may refuse to register any resale or transfer not made pursuant to an effective registration under the Securities Act and any applicable state securities laws or pursuant to an available exemption from the registration requirements of the Securities Act and any applicable state securities laws.

2.7. Application of Payments and Prepayments. Each payment made by the Company to the Lender on account of the Loan, including, but not limited to, any prepayments made under Section 2.5, shall be applied first in payment of any late payment charges, if any, second in payment of any accrued and unpaid uncapitalized interest under the Loan, whether or not then due, third in payment of any accrued and unpaid capitalized interest comprising part of the outstanding principal amount of the Loan, whether or not then due, and finally in payment of the outstanding principal amount of the Loan.

2.8. Usury. The Company and the Lender acknowledge and agree that (i) by reason of their own respective business and financial experience, it can reasonably be assumed that the Company and the Lender have the capacity to each protect their own interests in connection with the transactions contemplated by the Loan Documents; and (ii) as a consequence, the Loan, including all interest on the principal amount thereof and all other consideration therefor, including, without limitation, the Warrants, is exempt from the usury restrictions under California law pursuant to the exemption set forth in California Corporation Code Section 25118(b). Without limiting the generality of the forgoing, it is nevertheless the intent of the Company and the Lender that the Lender and any holder of any Note shall never be entitled to receive, collect or apply, as interest or other consideration of any kind under the Loan or any Note any amount in excess of the maximum rate of interest permitted to be charged by applicable law; and in the event that the Lender or the holder of any Note ever receives, collects or applies as interest or other consideration of any kind any such excess, such amount which would be excess interest or other consideration shall be deemed to be a partial prepayment of the principal amount of the Loan and treated as such; and if the principal amount of the Loan is paid in full, any remaining excess interest or other consideration shall be paid to the Company forthwith upon demand therefor.

---

2.9. Existing Loan Amendment. In order to induce the Lender to enter into this Agreement and perform its obligations hereunder, including its obligations to make the Subsequent Advances of the Loan pursuant to Section 2.1, upon the execution of this Agreement, the parties shall execute and deliver the Existing KF Loan Amendment in the form attached as Schedule "A" to this Agreement.

### 3. SHARE PURCHASE WARRANTS

3.1. Share Purchase Warrants. As additional consideration to the Lender for the Loan, upon execution of this Agreement, the Company shall issue to the Lender non-transferrable share purchase warrants to purchase an aggregate of up to 8,000,000 shares of Common Stock at an initial exercise price of \$0.10 per share (subject to adjustment as provided in the form of Warrant attached as Schedule "C" to this Agreement), and expiring on January 15, 2021 (collectively, the "Warrants"), which Warrants shall be exercisable in whole or in part immediately and from time to time prior to the expiration thereof, and shall be substantially in the form attached as Schedule "C" to this Agreement.

3.2. Warrants Non-Transferrable. The Warrants shall not be transferrable except with the prior written consent of the Company (which consent may be withheld or delayed for any or no reason as determined by the Company in its sole and absolute discretion). Notwithstanding the forgoing, the Lender shall be permitted to transfer the Warrants to an Affiliate of the Lender without the prior consent of the Company, provided that such transfer is completed in a transaction or as part of a transaction that does not require registration under the Securities Act or any applicable state securities laws and the Lender provides the Company with an opinion of legal counsel to such effect, which opinion shall be of substance and form, and such legal counsel shall be of such standing, as is reasonably satisfactory to the Company.

3.3. No Short Sales. For so long as any of the Warrants are outstanding, the Lender hereby agrees that it shall not, and shall not permit any Affiliate of the Lender to:

- (a) Engage in any short sales of any shares of any class of the Company's capital stock;
- (b) Cause any other person, entity or group to engage in any short sales of any shares of any class of the Company's capital stock; or
- (c) Otherwise act in concert, or in common enterprise, with any other person, entity or group with respect to engaging in short sales of any shares of any class of the Company's common stock.

3.4. Offset of Exercise Price Against Indebtedness. The Lender shall have the right, but not the obligation, to offset the cash payable to the Company upon an exercise by the Lender of the Warrants against the outstanding indebtedness under the Loan, if any, provided however that such offset shall be deemed not to be an exchange of securities for purposes of Rule 144.

### 4. US SECURITIES MATTERS

4.1. US Restricted Securities. The Lender acknowledges that the Securities will be "restricted securities" as that term is defined in Rule 144(a)(3) of the Securities Act and will be issued to the Lender in accordance with an exemption from the registration requirements of the Securities Act and applicable state securities laws provided by Rule 506 based on the representations and warranties of the Lender in this Agreement.

4.2. US Restrictions on Transfer. Subject to such further restrictions on transfer as set out in the Warrants and the Convertible Note, the Lender agrees to resell or transfer the Securities pursuant only to an effective registration under the Securities Act or to an available exemption from the registration requirements of the Securities Act and any applicable state securities laws and that the Company may refuse to register any resale or transfer not made pursuant to an effective registration under the Securities Act and any applicable state securities laws or pursuant to an available exemption from the registration requirements of the Securities Act and any applicable state securities laws.

---

4.3. U.S. Legend. The Lender acknowledges and agrees that all certificates representing the Securities will be endorsed with a restrictive legend substantially similar to the following in accordance with the Securities Act or such similar or other legends as deemed advisable by the lawyers for the Company to ensure compliance with the Securities Act and any other applicable laws or regulations:

**“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) OR ANY STATE SECURITIES LAWS, AND HAVE BEEN ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT. -

- (c) The Lender agrees that, where the Proposed Resale referred to in Section 4.4(b) is to be made (A) pursuant to the provisions of Rule 144, and (B) before the Warrant Shares or the Convertible Note Shares (as the case may be) may be resold without application of the current public information requirements of Rule 144, the Lender or the Permitted Transferee, as the case may be, will cease selling the Warrant Shares or the Convertible Note Shares upon receiving written notice from the Company that the Company has ceased to be current in its filing obligations under Section 13 of the Exchange Act, which notice may be delivered to the Lender and, if so delivered, will be deemed to have been received by the Purchaser one business day after delivery to the Lender.

## 5. **CANADIAN SECURITIES MATTERS**

5.1. **Acknowledgement of Canadian Resale Restrictions.** The Lender acknowledges and agrees that the Company is an “OTC reporting issuer” as that term is defined in MI 51-105, and that the Securities will be, issued and sold pursuant to exemptions from the prospectus requirements of applicable Canadian securities laws. 5.2. **No Intention to Trade in Canada.** As of the date hereof, the Lender represents and warrants to the Company that it does not presently intend to trade the Securities in or from a jurisdiction in Canada. ## 6. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PARTIES

6.1. Representations, Warranties and Covenants of the Company. The Company represents, warrants and covenants to and with the Lender as follows, and acknowledges that the Lender is relying upon such representations, warranties and covenants in entering into this Agreement:

- (a) Organization and Qualification. The Company is duly incorporated, validly existing and in good standing under the laws of Delaware, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Company is not in violation or default of any of the provisions of its articles of incorporation or bylaws. The Company is duly qualified to conduct business and is in good standing as a foreign corporation in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in: (i) a material adverse effect on the legality, validity or enforceability of any Loan Documents, (ii) a material adverse effect on the results of operations, assets, business, prospects or condition (financial or otherwise) of the Company, taken as a whole, or (iii) a material adverse effect on the Company's ability to perform in any material respect on a timely basis its obligations under any Loan Documents (any of (i), (ii) or (iii), a "Material Adverse Effect") and no Proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.
- (b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this Agreement and each of the other Loan Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of each of this Agreement and the other Loan Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, the Board of Directors or the Company's stockholders in connection herewith or therewith. This Agreement and each other Loan Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.
- (c) No Conflicts. The execution, delivery and performance by the Company of this Agreement and the other Loan Documents to which it is a party, the issuance and sale of the Securities and the consummation by it of the transactions contemplated hereby and thereby do not and will not: (i) conflict with or violate any provision of the Company's articles of incorporation or bylaws, (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any lien upon any of the properties or assets of the Company, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company debt or otherwise) or other understanding to which the Company is a party or by which any property or asset of the Company is bound or affected, or (iii) to the Company's knowledge, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company is bound or affected; except in the case of each of clauses (ii) and (iii), such as could not have or reasonably be expected to result in a Material Adverse Effect.
-

- (d) Issuance of the Securities. The Warrants are duly authorized and, when issued and paid for in accordance with the applicable Loan Documents, the Warrants will constitute valid and binding obligations of the Company. The Warrant Shares and the Convertible Note Shares, when issued in accordance with the terms of the Loan Documents, will be validly issued, fully paid and nonassessable, free and clear of all liens imposed by the Company other than restrictions on transfer provided for in the Loan Documents. The Company has reserved from its duly authorized capital stock the maximum number of shares of Common Stock issuable pursuant to this Agreement, the Warrants and the Convertible Notes.
- (e) SEC Reports; Financial Statements. The Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) of the Exchange Act, for the two years preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material) (the foregoing materials, including the exhibits thereto and documents incorporated by reference therein, being collectively referred to herein as the “SEC Reports”) on a timely basis or has received a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved (“GAAP”), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.
- (f) Material Changes; Undisclosed Events, Liabilities or Developments. Since the date of the latest audited financial statements included within the SEC Reports, except as disclosed in a subsequent SEC Report (including any unaudited financial statements included therewith) filed prior to the date hereof: (i) there has been no event, occurrence or development that has had or that could reasonably be expected to result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company’s financial statements pursuant to GAAP or disclosed in filings made with the Commission, (iii) the Company has not altered its method of accounting, and (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock. The Company does not have pending before the Commission any request for confidential treatment of information. Except as set forth in the SEC Reports and for the issuance of the Securities contemplated by this Agreement no event, liability, fact, circumstance, occurrence or development has occurred or exists, or is reasonably expected to occur or exist, with respect to the Company or its business, properties, operations, assets or financial condition, that would be required to be disclosed by the Company under applicable securities laws at the time this representation is made or deemed made that has not been publicly disclosed at least 1 Trading Day prior to the date that this representation is made.
-

- (g) Listing and Maintenance Requirements. The Common Stock is registered pursuant to Section 12(b) or 12(g) of the Exchange Act, and the Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has the Company received any notification that the Commission is contemplating terminating such registration. The Company has not, in the 12 months preceding the date hereof, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

The Lender acknowledges and agrees that the representations contained in this Section 6.1 shall not modify, amend or affect the Company's right to rely on the Lender's representations and warranties contained in this Agreement or any representations and warranties contained in any other Loan Document or any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby.

6.2. Representations, Warranties and Covenants of the Lender. The Lender represents, warrants and covenants to and with the Company as follows, and acknowledges that the Company is relying upon such representations, warranties and covenants in entering into this Agreement:

- (a) US Accredited Investor Status. At the time the Lender was offered the Securities, it was, and as of the date hereof, it is, and on each date on which it exercises any Warrants or the Conversion Right, it will be, an "accredited investor" as defined in Rule 501(a)(3) or (a)(8) under the Securities Act.
- (b) Organization; Authority. The Lender is an entity duly incorporated or formed, validly existing and in good standing under the laws of California with full right, corporate, partnership, limited liability company or similar power and authority to enter into and to consummate the transactions contemplated by the Loan Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of the Loan Documents and performance by the Lender of the transactions contemplated by the Loan Documents have been duly authorized by all necessary corporate, partnership, limited liability company or similar action, as applicable, on the part of the Lender. Each Loan Document to which it is a party has been duly executed by the Lender, and when delivered by the Lender in accordance with the terms hereof, will constitute the valid and legally binding obligation of the Lender, enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.
- (c) Jurisdiction of Residence. The Lender is a resident of the State of California. The Lender does not have a head office, or other office where any executive functions take place, located in an jurisdiction in Canada; and none of the general partners of the Lender or any control person of the Lender or any general partner of the Lender resides or otherwise conducts his/her/its duties in relation to the Lender in or from any jurisdiction in Canada.
-

- (d) Own Account. The Lender understands that the Securities are "restricted securities" and have not been registered under the Securities Act or any applicable state securities law and is acquiring the Securities as principal for its own account and not with a view to or for distributing or reselling such Securities or any part thereof in violation of the Securities Act or any applicable state securities law, has no present intention of distributing any of such Securities in violation of the Securities Act or any applicable state securities law and has no direct or indirect arrangement or understandings with any other persons to distribute or regarding the distribution of such Securities in violation of the Securities Act or any applicable state securities law. The Lender is acquiring the Securities in the ordinary course of its business, and was not organized for the purpose of acquiring the Securities.
- (e) Investment Experience. The Lender acknowledges that an investment in the Company is highly speculative, and involves a high degree of risk as the Company is in the early stages of developing its business, and may require substantial funds in addition to the proceeds of the Loan, and that only persons who can afford the loss of their entire investment should consider investing in the Company. The Lender is an investor in securities of businesses in the development stage and acknowledges that the Lender is able to fend for himself/herself/itself, can bear the economic risk of the Lender's investment, and has such knowledge and experience in financial and business matters such that the Lender is capable of evaluating the merits and risks of an investment in the Company's securities as contemplated in this Agreement.
- (f) Acknowledgement of Restricted Securities. The Lender understands that the Securities will be characterized as "restricted securities" under the Securities Act as they are being acquired from the Company in a transaction not involving a public offering and that, under the Securities Act and the regulations promulgated thereunder, such securities may be resold without registration under the Securities Act only in certain limited circumstances. The Lender represents that the Lender is familiar with Rule 144, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act.
- (g) Opportunity to Review Information. The Lender has had full opportunity to review the Company's SEC Reports. The Lender has had full opportunity to ask questions and receive answers from the Company regarding this information, and to review and discuss this information with the Lender's legal and financial advisors. The Lender believes it has received all the information it considers necessary or appropriate for deciding whether to invest in the Company and that the Lender has had full opportunity to discuss this information with the Lender's legal and financial advisors prior to executing this Agreement.
- (h) Own Due Diligence. The Lender has conducted its own due diligence investigations into the affairs of the Company and, to the extent that the Lender deems necessary or advisable, the Lender has retained and relied upon qualified professional advice regarding the financial, investment, tax and legal merits and consequences of this Agreement and the other Loan Documents and the transactions contemplated thereby, and an investment in the Securities.
- (i) Investment Not on Basis of Undisclosed Information. Notwithstanding Section 6.2(g), the Purchaser is not entering into the transactions contemplated by this Agreement or purchasing the Securities as a result of any material information concerning the Company that has not been publicly disclosed and the Lender's decision to purchase the Securities has not been made as a result of any oral or written representation as to fact or otherwise made by the Company or any other person and is based entirely upon currently available public information concerning the Company.
-

- (j) No Review. The Lender acknowledges that the offering of the Securities contained in this Agreement has not been reviewed by the SEC and that Securities are being, and, with respect to the Warrant Shares, will be, issued by the Company pursuant to an exemption from the registration requirements of applicable state securities laws.
- (k) General Solicitation. The Lender is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement as that term is used in Rule 502(c) of Regulation D.
- (l) Hedging Transactions. The Lender will not engage in hedging transactions with any of the Securities unless in compliance with the Securities Act.
- (m) Compliance with Anti-Money Laundering Legislation. If the Lender is a financial institution (including, without limitation, broker-dealers and investment companies such as United States and offshore unregistered hedge funds, funds of funds, commodity pools, private equity funds and venture capital funds):
  - (i) the Lender seeks to comply with all applicable laws concerning money laundering and related activities, including without limitation, the *Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001* (the "USA Patriot Act"),
  - (ii) in furtherance of such efforts, to the best of its knowledge based on appropriate diligence and investigation, none of the funds used by the Lender to provide the Loan or to purchase the Securities has been or will be derived from or related to any activity that is deemed criminal under the laws of the United States or in any other applicable jurisdiction, and
  - (iii) it will promptly notify the Company if the Lender discovers that any of the representations in this Section 6.2(m) ceases to be true, and to provide the Company with appropriate information in connection therewith.

The Company acknowledges and agrees that the representations contained in this Section 6.2 shall not modify, amend or affect the Lender's right to rely on the Company's representations and warranties contained in this Agreement or any representations and warranties contained in any other Loan Document or any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby.

- (d) enter into any merger, reorganization or other similar transaction; or
- (e) hire any personnel or disburse any funds of any kind or nature in excess of one hundred ten percent (110%) of any expenditure reflected in the Updated Budget, with such changes thereto as may be proposed by the Company from time to time, and approved by the Lender its sole and absolute discretion (the Updated Budget as so amended being the "Budget"), or in excess of one hundred ten percent (110%) of the aggregate amount of all expenditures set forth in the Budget.

A violation by the Company of the provisions of Section 7.1 shall constitute a non-curable default by the Company under the Loan unless otherwise agreed by Lender in writing as determined by Lender in its sole and absolute discretion in each instance.

As a result, the Convertible Note is, and the Convertible Note Shares, will, upon their issuance, be "restricted securities" as defined in Rule 144 of the Securities Act and are, and will be, subject to restrictions on transfer. The Convertible Note and the Convertible Note Shares may not be reoffered, resold, transferred or otherwise disposed of unless such reoffer, resale, transfer or disposition is made pursuant to an effective registration statement under the Securities Act or pursuant to an available exemption from the registration requirements of the Securities Act, and, in each case, in compliance with any applicable state securities laws. The Company may refuse to register any resale, transfer or disposition of the Convertible Note or the Convertible Note Shares not made pursuant to an effective registration statement under the Securities Act or pursuant to an available exemption from the registration requirements of the Securities Act, or not made in compliance with any applicable state securities laws. All certificates representing the Convertible Note Shares will be endorsed with a restrictive legend substantially similar to the following:

Section 4. Canadian Resale Restrictions. The Company is an "OTC reporting issuer" as that term is defined in MI 51-105, and the Convertible Note has been, and the Convertible Note Shares will be, issued and sold pursuant to exemptions from the prospectus requirements of applicable Canadian securities laws. The Convertible Note and the Convertible Note Shares may not be traded in or from a jurisdiction in Canada unless such trade is made in accordance with the provisions of MI 51-105, the Holder will comply with such conditions in making any trade of the Convertible Note or the Convertible Note Shares in or from a jurisdiction in Canada and the Company will refuse to register any transfer of the Convertible Note or the Convertible Note Shares made in connection with a trade of such securities in or from a jurisdiction in Canada and not made in accordance with the provisions of MI 51-105. Notwithstanding the generality of the forgoing, as of the date hereof, MI 51-105 generally provides that Convertible Note and the Convertible Note Shares may not be traded in or from a jurisdiction in Canada unless the following conditions have been met:

---

- 10.14. A four month period has passed from the later of (i) the date that the Company distributed such securities, and (ii) the date such securities were distributed by a control person of the Company;
- 10.15. If the person trading the securities is a control person of the Company, such person has held the securities for at least 6 months;
- 10.16. The number of securities that the person proposes to trade, plus the number of securities of the same class that such person has traded in the preceding 12 months, does not exceed 5% of the Company's outstanding securities of the same class;
- 10.17. The trade is made through an investment dealer registered in a jurisdiction in Canada;
- 10.18. The investment dealer executes the trade through any of the over-the-counter markets in the United States;

- 10.20. No extraordinary commission or other consideration is paid to a person for the trade;
- 10.21. If the person trading the securities is an insider of the Company, the person reasonably believes that the Company is not in default of securities legislation; and
- 10.22. All certificates representing the securities bear the Canadian restrictive legend set out in Section 13(1) of MI 51-105.

As of the date hereof, the Holder represents and warrants to the Company that it does not presently intend to trade the Convertible Note or the Convertible Note Shares in or from a jurisdiction in Canada. If, after the date hereof, the Holder does intend to trade Convertible Note or the Convertible Note Shares in or from a jurisdiction in Canada, it will, prior to any such trade, and in addition to complying with the provisions of this Section 4., re-submit all certificates representing the Convertible Note or the Convertible Note Shares, as the case may be, to the Company for purposes of having the legend set out in Section 13(1) of MI 51-105 endorsed on such certificates.

Section 5. Prepayment Right. Subject to the prior right of the registered Holder of the Convertible Note to exercise the Conversion Right as described below, the Company may prepay the outstanding principal amount and any accrued and unpaid interest thereon under at any time and from time to time, either in whole or in part, in minimum increments equal to the lesser of Two Hundred and Fifty Thousand Dollars (\$250,000.00) each and the total amount remaining outstanding under the Convertible Note without any prepayment penalty or premium (the "Prepayment Right"), which prepayment shall be applied in the manner provided in Section 2.7 of the Loan Agreement. Prior to exercising the Prepayment Right, the Company shall give the registered Holder of the Convertible Note not less than 10 business days (the "Prepayment Notice Period") advance written notice of the Company's intention to prepay the outstanding principal amount and any accrued and unpaid interest thereon under the Loan in the amount specified in such written notice (the "Prepayment Notice" and "Prepayment Amount", respectively). During the Prepayment Notice Period, the registered Holder of the Convertible Note shall have the right to exercise the Conversion Right, and if timely exercised, the amount so converted shall be applied in reduction of the Prepayment Amount permitted hereunder in respect to such Prepayment Notice. If, during the Prepayment Notice Period, the registered holder of the Convertible Note fails to exercise the Conversion Right in the full amount of the Prepayment Amount, upon expiration of the Prepayment Notice Period, the Conversion Right shall be subject to the Prepayment Right in an amount equal to the remainder of the Prepayment Amount set forth in the Prepayment Notice after such conversion.

Section 6. Conversion. Subject to the Terms, the registered Holder of the Convertible Note shall have the following conversion rights (the 'Conversion Rights'):

---

- (a) *Right to Convert; Conversion Price.* The registered Holder of the Convertible Note shall be entitled, at any time, at the office of the Company, to convert all or any portion of the principal sum outstanding under the Convertible Note and any accrued but unpaid interest thereon into shares of the Company's common stock (the "Convertible Note Shares") at an initial conversion price of \$0.10 per share, subject to adjustment as provided for in this Convertible Note (the "Conversion Price"), provided that such Conversion Rights may only be exercised in minimum increments equal to the lesser of \$250,000.00 and the total amount outstanding under the Convertible Note.
- (b) *Mechanics of Conversion.* To exercise the Conversion Rights, the Holder shall deliver the following to the offices of the Company:
- (i) the original Convertible Note; and
  - (ii) a fully completed and duly exercised notice of conversion in the form attached as Appendix A to these Terms (the "Notice of Conversion") specifying the amount of the Convertible Note to be so converted.

Upon delivery of the above documents to the Company, the Holder shall be entitled to receive a certificate or certificates for the Convertible Note Shares so issuable and a replacement Convertible Note for the balance of the principal amount outstanding after exercise of the Conversion Rights (if any). No fractional shares shall be issued in connection with any exercise of the Conversion Rights. In lieu of the issuance of any fractional share, the Company shall round up or down the fractional amount to the nearest whole number.

- (c) *Conversion Subject to Applicable Securities Laws.* The Lender, having previously provided evidence satisfactory to the Company to establish the availability of exemptions from the registration requirements of the Securities Act and applicable state securities laws, and from the prospectus requirements of applicable Canadian securities laws, for issuance of this Convertible Note and, upon conversion thereof, for issuance of the Convertible Note Shares, may exercise the Conversion Rights without any further requirement of establishing, or providing the Company with any additional evidence establishing, the availability of such exemptions. Notwithstanding any other provision, transfer of the Convertible Note to any person other than the Lender, and the exercise of the Conversion Rights by any person other than the Lender is expressly made subject to the availability of (A) an applicable exemption from the registration requirements of the Securities Act and any applicable state securities laws; and (B) an applicable exemption from the prospectus requirements of any applicable Canadian securities laws. If this Convertible Note is transferred to any person other than the Lender and/or the Conversion Rights are to be exercised by any person other than the Lender, the Company may, as a condition precedent to such transfer and/or the exercise of the Conversion Rights, require that person to provide to the Company such evidence that the Company, in its sole discretion, may require to establish whether such an exemption from the registration and prospectus requirements is available.

Section 7. Mutilation or Loss of Convertible Note. Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of the Convertible Note, and (in the case of loss, theft or destruction) receipt of reasonably satisfactory indemnification, and (in the case of mutilation) upon surrender and cancellation of the original Convertible Note, the Company will execute and deliver a new Convertible Note of like tenor and date and any such lost, stolen, destroyed or mutilated Convertible Note shall thereupon become void.

Section 8. Reservation of Shares. The Company will, at all times prior to the Maturity Date, reserve for issuance upon exercise of the Convertible Note such number of shares of Common Stock as shall be required for issuance of the Convertible Note Shares upon exercise of the Convertible Note.

---

Section 9. No Rights as Stockholder. The Holder shall not, by virtue hereof, be entitled to any rights as a stockholder in the Company, either at law or equity, and the rights of the Holder are limited to those expressed in the Convertible Note, the Terms and the Loan Agreement and are not enforceable against the Company except to the extent set forth therein.

Section 10. Adjustment to Conversion Price in Event of Default. Upon the occurrence of an Event of Default under the Loan Agreement at any time prior to the earlier of the date the entire indebtedness evidenced by this Convertible Note is paid in full or the date the entire indebtedness evidenced by this Convertible Note has been converted pursuant to the Conversion Right<sup>9</sup>, and for so long as such Event of Default is continuing, the registered Holder may exercise Conversion Rights at an adjusted Conversion Price (the "Default Conversion Price") equal to the lesser of the following:

- (a) The then Conversion Price (as adjusted from time to time pursuant to the provisions of this Convertible Note);
- (b) If the Common Stock is listed or quoted on a national securities exchange, the OTC Bulletin Board or the OTCQB or OTCQX market tiers of the inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successors to the forgoing), 50% of the volume weighted average price of the Common Stock over the five (5) trading days immediately preceding the date of exercise;
- (c) If the Common Stock is not so listed or quoted, but the Common Stock is quoted on the OTC Pink market tier of the electronic inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successor to the forgoing), 50% of the average closing bid price per share for the Common Stock over the five (5) trading days immediately preceding the date of exercise; and
- (d) If the Common Stock is not so listed, quoted or reported, 50% of the fair market value per share of the Common Stock on the date of exercise, as determined by an independent appraiser selected in good faith by the Lender and reasonably acceptable to the Company (the fees and expenses of which shall be paid by the Company).

The provisions of this Section 10 shall be in addition to, and not in lieu of, any other rights that the Holder may have under the Loan.

Section 11. Adjustment to Conversion Price for Subsequent Offerings. If, at any time prior to the earlier of the date the entire indebtedness evidenced by this Convertible Note is paid in full or the date the entire indebtedness evidenced by this Convertible Note has been converted pursuant to the Conversion Right (or any combination thereof), the Company issues shares of Common Stock or any options, warrants, convertible notes or similar rights to acquire shares of Common Stock for a purchase, exercise or conversion price per share (the "Subsequent Offering Price") less than the Conversion Price (as may be adjusted from time to time pursuant to this Convertible Note), the Conversion Price in effect immediately after such issuance shall be automatically adjusted to an amount equal to the lowest Subsequent Offering Price

Section 12. Adjustment to Conversion Price for Stock Dividends, Stock Splits, Reclassifications, Mergers, Etc. The Conversion Price and the number of Convertible Note Shares issuable upon the exercise of the Conversion Rights shall be subject to adjustment in the events and in the following manner:

- (a) If the Company (i) subdivides its then outstanding shares of Common Stock into a larger number of shares by way of any stock split, stock dividend, recapitalization or similar transaction, (ii) combines its then outstanding shares of Common Stock into a smaller number of shares of Common Stock by way of combination, reverse stock split, share consolidation or similar transaction, or (iii) pays or issues a stock dividend on its then outstanding shares of Common Stock or otherwise makes a distribution of its Common Stock that is payable or issuable in shares of Common Stock,

the Conversion Price shall be adjusted to an amount equal to the product of the Conversion Price in effect immediately prior to such transaction, multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such transaction, and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such transaction;

- (b) If the Company reclassifies its Common Stock (other than a change in par value or a subdivision or combination as provided for in Paragraph (a) above), or the Company enters into any reorganization, consolidation or merger of the Company with or into another corporation or entity (other than a merger or reorganization with respect to which the Company is the continuing corporation and which does not result in any reclassification of any class of common capital stock of the Company), or a transfer of all or substantially all of the assets of the Company, or the payment of a liquidating distribution then, as part of any such reorganization, reclassification, consolidation, merger, sale or liquidating distribution, lawful provision shall be made so that the Convertible Note will be assumed by the surviving or transferee entity and the holder of the Convertible Note shall have the right thereafter to receive upon exercise of the Conversion Right, the kind and amount of shares of stock or other securities or property, and in such proportion as adjusted, which the Holder would have been entitled to receive if, immediately prior to any such reorganization, reclassification, consolidation, merger, sale or liquidating distribution, as the case may be, the Holder had held the number of shares of common capital stock of the Company that were then purchasable upon the exercise of the Conversion Right. In any such case, appropriate adjustment (as reasonably determined by the Board of Directors of the Company) shall be made in the application of the provisions set forth herein with respect to the rights and interests thereafter of the holder of the Convertible Note such that the Conversion Right (including provisions with respect to the Conversion Price) shall thereafter be applicable, as nearly as is reasonably practicable, in relation to any shares of stock or other securities or property thereafter deliverable upon the exercise of the Conversion Right; and

Section 13. Adjustments Cumulative. The adjustments provided for in Section 10, Section 11 and Section 12 are cumulative.

Section 14. Notices. In addition to any rights that the Holder may have to offset the Exercise Price against the outstanding indebtedness under the Loan, the Holder of this Warrant may elect to exercise this Warrant by means of a "cashless exercise" (the "Cashless Exercise Right") in which the Holder shall, upon surrender of this Warrant Certificate with the annexed Notice of Exercise Form duly executed, be entitled to receive that number of Warrant Shares as is equal to the number obtained by the following formula:

Where:

$A$  = If the Common Stock is listed or quoted on a national securities exchange, the OTC Bulletin Board or the OTCQB or OTCQX market tiers of the inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successors to the forgoing), the volume weighted average price of the Common Stock for the trading day immediately preceding the date of exercise; if the Common Stock is not so listed or quoted, but the Common Stock is quoted on the OTC Pink market tier of the electronic inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successor to the forgoing), the closing bid price per share for the Common Stock for the trading day immediately preceding the date of exercise; and if the Common Stock is not so listed, quoted or reported, the fair market value per share of the Common Stock on the date of exercise, as determined by an independent appraiser selected in good faith by the Lender and reasonably acceptable to the Company (the fees and expenses of which shall be paid by the Company).

$B$  = the Exercise Price.

$C$  = the number of Warrant Shares that the Holder would otherwise be entitled to upon exercise of the Warrants had it elected to pay the Exercise Price in cash.

Notwithstanding the forgoing, the Holder's right to exercise the Cashless Exercise Right shall be limited such that the total number of shares issuable upon the exercise of any or all Warrants issued pursuant to the Loan Agreement by way of the Cashless Exercise Rights shall be 4,000,000 Warrant Shares. By way of example, if holders of Warrants issued pursuant to the Loan Agreement other than the Holder exercise the Cashless Exercise Rights attached to such Warrants for an aggregate total of 4,000,000 shares of Common Stock, the Holder shall not be entitled to exercise the Cashless Exercise Rights in respect of this Warrant.

**6. Adjustment to Cash Exercise Price in Event of Default**

Upon the occurrence of an Event of Default under the Loan Agreement at any time prior to the earlier of the Expiration Date and the date that all of the Warrants represented hereby have been exercised, and for so long as such Event of Default is continuing, the Holder may exercise this Warrant for cash (and not by way of a “cashless exercise”) at an adjusted Exercise Price (the “Default Exercise Price”) equal to the lesser of the following:

- (1) The then Exercise Price (as adjusted from time to time pursuant to the provisions of this Warrant);
- (2) If the Common Stock is listed or quoted on a national securities exchange, the OTC Bulletin Board or the OTCQB or OTCQX market tiers of the inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successors to the forgoing), 50% of the volume weighted average price of the Common Stock over the five (5) trading days immediately preceding the date of exercise;
- (3) If the Common Stock is not so listed or quoted, but the Common Stock is quoted on the OTC Pink market tier of the electronic inter-dealer quotation system maintained by OTC Markets Group Inc. (or any successor to the forgoing), 50% of the average closing bid price per share for the Common Stock over the five (5) trading days immediately preceding the date of exercise; and
- (4) If the Common Stock is not so listed, quoted or reported, 50% of the fair market value per share of the Common Stock on the date of exercise, as determined by an independent appraiser selected in good faith by the Lender and reasonably acceptable to the Company (the fees and expenses of which shall be paid by the Company).

Notwithstanding the generality of the forgoing, the Holder shall be deemed to have exercised this Warrant for cash, and not by way of a “cashless exercise” if the Holder offsets the cash payable upon exercise of this Warrant pursuant to this Article 5 against the outstanding indebtedness of the Company under the Loan, if any, provided however, that such offset shall be deemed not to be an exchange of securities for purposes of Rule 144. The provisions of this Article 5 shall be in addition to, and not in lieu of, any other rights that the Holder may have under the Loan. Nothing in this Article 5 shall be construed as limiting the rights of the Holder to exercise this Warrant by way of a “cashless exercise” in accordance with Article 5, provided that such cashless exercise shall continue to be calculated based on the Exercise Price and not the Default Exercise Price.

**7. Adjustment to Exercise Price for Subsequent Offerings**

If, at any time prior to the Expiration Date, the Company issues shares of Common Stock or any options, warrants, convertible notes or similar rights to acquire shares of Common Stock for a purchase, exercise or conversion price per share (the “Subsequent Offering Price”) less than the Exercise Price set out in Article 1 (as may be adjusted from time to time pursuant to the provisions of this Warrant), the Exercise Price in effect immediately after such issuance shall be automatically adjusted to an amount equal to the lowest Subsequent Offering Price.

**8. Adjustment to Exercise Price for Stock Dividends, Stock Splits, Reclassifications, Mergers, Etc.**

The Exercise Price and the number of shares which can be purchased by the Holder upon the exercise of this Warrant shall be subject to adjustment in the events and in the following manner:

Non-Transferrable Common Stock Purchase  
Warrant Certificate {CERT NO.}

---

- (1) If the Company (i) subdivides its then outstanding shares of Common Stock into a larger number of shares by way of any stock split, stock dividend, recapitalization or similar transaction, (ii) combines its then outstanding shares of Common Stock into a smaller number of shares of Common Stock by way of combination, reverse stock split, share consolidation or similar transaction, or (iii) pays or issues a stock dividend on its then outstanding shares of Common Stock or otherwise makes a distribution of its Common Stock that is payable or issuable in shares of Common Stock, the Exercise Price shall be adjusted to an amount equal to the product of the Exercise Price in effect immediately prior to such transaction, multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such transaction, and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such transaction;
- (2) If the Company reclassifies its Common Stock (other than a change in par value or a subdivision or combination as provided for in Paragraph 8(1) above), or the Company enters into any reorganization, consolidation or merger of the Company with or into another corporation or entity (other than a merger or reorganization with respect to which the Company is the continuing corporation and which does not result in any reclassification of any class of common capital stock of the Company), or a transfer of all or substantially all of the assets of the Company, or the payment of a liquidating distribution then, as part of any such reorganization, reclassification, consolidation, merger, sale or liquidating distribution, lawful provision shall be made so that the Warrants will be assumed by the surviving or transferee entity and the holder of the Warrants shall have the right thereafter to receive upon the exercise thereof, the kind and amount of shares of stock or other securities or property, and in such proportion as adjusted, which the Holder would have been entitled to receive if, immediately prior to any such reorganization, reclassification, consolidation, merger, sale or liquidating distribution, as the case may be, the Holder had held the number of shares of common capital stock of the Company that were then purchasable upon the exercise of the Warrants. In any such case, appropriate adjustment (as reasonably determined by the Board of Directors of the Company) shall be made in the application of the provisions set forth herein with respect to the rights and interests thereafter of the holder of the Warrants such that the provisions of this Warrant (including provisions with respect to the Exercise Price) shall thereafter be applicable, as nearly as is reasonably practicable, in relation to any shares of stock or other securities or property thereafter deliverable upon the exercise of the Warrants; and
- (3) The adjustments provided for herein in the subscription rights represented by this Warrant are cumulative.

9. Reservation of Shares

The Company hereby agrees that at all times during the term of this Warrant there shall be reserved for issuance upon exercise of this Warrant such number of shares of Common Stock as shall be required for issuance of the Warrant Shares upon exercise of this Warrant.

10. Mutilation or Loss of Warrant

Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and (in the case of loss, theft or destruction) receipt of reasonably satisfactory indemnification, and (in the case of mutilation) upon surrender and cancellation of this Warrant, the Company will execute and deliver a new Warrant of like tenor and date and any such lost, stolen, destroyed or mutilated Warrant shall thereupon become void.
