PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Brekford Corp. (the "Company", "we", "us" or "our") of the accompanying proxy to be voted at the 2014 annual meeting of stockholders of the Company to be held on June 20, 2014, beginning at 12:00 P.M., local time, at 7020 Dorsey Road, Hanover, Maryland 21076, and at any adjournments or postponements thereof. This proxy statement contains important Information about the 2014 annual meeting of stockholders. The approximate date on which this proxy statement and the related form of proxy will be first sent or given to stockholders is April 30, 2014.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At the annual meeting, stockholders will be asked to vote on: (i) the election of the five director nominees named in this proxy statement and on the attached form of proxy to serve on our Board of Directors until the 2015 annual meeting of stockholders; and (ii) any other matters that may properly come before the meeting. In addition, our management will report on our performance during 2013 and respond to appropriate questions from our stockholders.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, April 22, 2014 (the "Record Date"), are entitled to receive notice of the annual meeting and to vote the shares of our common stock, par value \$.0001 per share ("Common Stock") they held on the Record Date at the meeting or any adjournment or postponement of the meeting. Each outstanding share of Common Stock entitles its holder to cast one vote on each matter to be voted upon.

If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), you cannot vote your shares at the annual meeting by returning a proxy card directly to the Company and you cannot vote your shares at the annual meeting in person unless you obtain a "legal proxy" from your broker, bank or other nominee that entitles you to vote in person. If you want to vote your shares, you must either provide voting instructions to your broker, bank or other nominee or you should by following the instructions provided by your broker, bank or nominee when it sends this proxy statement to you or request a legal proxy from your broker, bank or other nominee so that you may vote in person.

Who can attend the meeting?

All persons who are stockholders as of the Record Date, or their duly appointed proxies, may attend. Please note that if you hold shares in "street name" (that is, through a broker or other nominee), you will need to bring evidence of your share ownership, such as a copy of a brokerage statement, reflecting your stock ownership as of the Record Date and valid picture identification.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum, permitting the business of the meeting to be conducted. As of the Record Date, April 22, 2014, 44,500,569 shares of our Common Stock, held by approximately 56 stockholders of record, were issued and outstanding. The number of stockholders is based solely upon the count that our transfer agent provided to us as of the Record Date and does not include: (i) any beneficial owners of Common Stock whose shares are held in the names of various dealers, clearing agencies, banks, brokers and other fiduciaries, or (ii) broker-dealers or other participants who hold or clear shares directly or indirectly through the Depository Trust Company, or its nominee, Cede & Co. Abstentions and shares held in the names of dealers, clearing agencies, banks, brokers and other fiduciaries who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, referred to as "broker non-votes," will count toward establishing a quorum.

If less than a majority of outstanding shares entitled to vote are represented at the meeting, then a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

How do I vote?

Stockholders may vote on matters that are properly presented at the 2014 annual meeting in three ways:

- By submitting your vote electronically via the Internet as discussed below;
- By completing the accompanying proxy card and returning it to the Company at the address noted on the proxy card;
or
- By attending the 2014 annual meeting and casting your vote in person.

The Company is offering registered stockholders the opportunity to vote their shares electronically through the Internet. Instead of submitting the accompanying proxy card by mail, stockholders may vote via the Internet by visiting www.iproxydirect.com/BFDI and following the procedure described in the Notice of Internet Availability of Proxy Materials (the "Notice") that was mailed to them by the Company. The Notice provides instructions on how to access and view this proxy statement and our annual report, as well as on how you may vote by submitting your proxy over the Internet. Stockholders who vote through the Internet should understand that they may bear certain costs associated with Internet access, such as usage charges from their Internet service providers. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the Notice.

Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on June 19, 2014. If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record for your shares to be voted. Internet voting will also be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all of the nominees for director or withheld for the nominees for director.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON JUNE 20, 2014

This proxy statement and the Company's Annual Report to Stockholders (including its Annual Report on Form 10-K for the year ended December 31, 2013) are available at www.iproxydirect.com/BFDI. Information on this website, other than this proxy statement, is not a part of this proxy statement.

Can I revoke my proxy and/or change my vote after I submit an electronic vote or return my proxy card?

Yes. Even after you have submitted your proxy, you may revoke your proxy and/or change your vote at any time before the proxy is exercised by: (i) delivering to us a signed proxy card with a date later than your previously delivered proxy, (ii) voting in person at the annual meeting, (iii) granting a subsequent proxy through the Internet, or (iv) sending a written revocation to our Chief Executive Officer. Your most current proxy card or Internet proxy is the one that is counted. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The Board recommends a vote *FOR ALL NOMINEES* named in this proxy statement, as described in Proposal 1.

What vote is required to approve each proposal?

Proposal 1 - Election of Directors. Directors are elected by a plurality of all votes cast by holders of the Common Stock present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. A nominee who receives a plurality means that he or she has received more votes than any other nominee for the same director's seat. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum, but they will have no impact on the outcome of the vote on the election of directors.

Other Matters. Except with respect to certain extraordinary matters for which our Certificate of Incorporation or applicable law require a different proportion and provided that a quorum is present, approval of any other matter brought before the annual meeting pursuant to Proposal 2 will require the affirmative vote of a majority of the votes cast, either in person or by proxy, at the annual meeting by the holders of Common Stock. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum, but they will have no impact on the outcome of the vote on any matter brought before the meeting pursuant to Proposal 2.

The Board of Directors does not know of any other matters that may be brought before the annual meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the Board of Directors. In the event that any other matter should come before the annual meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with their discretion.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some or all of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

Who will bear the costs of soliciting proxies?

The Company will pay the cost of preparing, assembling and mailing the Notice and, for those stockholders who request a printed copy of the proxy materials, the notice of meeting, proxy statement and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally, by telephone or by electronic means. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse such persons for their expenses incurred in connection with these activities.

The Company's principal executive offices are located at 7020 Dorsey Road, Hanover, Maryland 21076 and its telephone number is (443) 557-0200.

CORPORATE GOVERNANCE MATTERS

Committees of the Board of Directors

The Board of Directors has established an Audit Committee, a Compensation Committee and a Corporate Governance Committee, each of which is briefly described below.

Audit Committee

The Audit Committee assists the Board of Directors in maintaining the integrity of our financial statements, and of our financial reporting processes and systems of internal audit controls, and our compliance with legal and regulatory requirements. The Audit Committee reviews the scope of independent audits and assesses the results. The Audit Committee meets with management to consider the adequacy of the internal control over, and the objectivity of, financial reporting. The Audit Committee also meets with the Company's independent registered public accounting firm and with appropriate financial personnel concerning these matters. The Audit Committee selects, determines the compensation of, appoints and oversees our independent registered public accounting firm. Representatives of the independent registered public accounting firm periodically meet with the Audit Committee and always have unrestricted access to the Audit Committee. The Audit Committee, which currently consists of Robert West, met four times during 2013. None of the members of the Audit Committee satisfies the definition of "audit committee financial expert" contained in Item 407 of the SEC's Regulation S-K. Although the Board has searched, and will continue to search, for a director candidate to serve on the Audit Committee who could satisfy this definition, the Board has not yet been able to identify an acceptable candidate. The Audit Committee has adopted a charter, a copy of which is available on our website at: http://ir.issuereirect.com/bfdi/corporate_governance. The information on the Company's website is not a part of this proxy statement.

Compensation Committee

The Compensation Committee administers incentive compensation plans, including stock option plans, and advises the Board of Directors regarding employee benefit plans. The Compensation Committee establishes the compensation structure for our senior managers, approves the compensation of our senior executives, and makes recommendations with respect to compensation of the Chief Executive Officer and our other executive officers. The Compensation Committee advises and makes recommendations to the Board of Directors on all matters concerning director compensation. The Compensation Committee, which currently consists of Douglas Deleaver (Chairman) Gregg Smith and Robert West, did not meet during 2013. The Compensation Committee has adopted a charter, a copy of which is available on our website at: http://ir.issuereirect.com/bfdi/corporate_governance. The information on the Company's website is not a part of this proxy statement.

Corporate Governance Committee

The Corporate Governance Committee evaluates and recommends candidates for election to the Board of Directors, reviews the performance and contribution of directors, recommends membership for standing committees, reviews director independence, and adopts and reviews Company corporate governance guidelines and codes of conduct. The Corporate Governance Committee, which was established in February 2008, currently consists of Douglas Deleaver (Chairman) and Robert West. The Corporate Governance Committee did not meet during 2013. The Corporate Governance Committee has not adopted a charter.

Director Independence

To determine whether directors are "independent", the Board of Directors has adopted the independence standards of The NASDAQ Stock Market Rules (the "NASDAQ Rules"). The Board has determined that each of Messrs. Deleaver, Smith and West is an "independent director" as defined by NASDAQ Rule 5605(b)(1). Each member of the Compensation Committee and the Corporate Governance Committee other than Mr. Brechin and Mr. Rutherford is an "independent director", and each member of the Audit Committee satisfies the independence requirements of NASDAQ Rule 5605(c)(2)(A). The Company's criteria for independence as approved by the Board of Directors is available to stockholders on our website at: <http://www.brekford.com/investorrelations.html>.

Family Relationships

There are no family relationships among the executive officers and directors of the Company.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors does not have a policy as to whether the same person should serve as both the chief executive officer and chairman of the board or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. The current structure is that of a separate chief executive officer and chairman of the Board of Directors. Mr. Brechin serves as the Chief Executive Officer and is responsible for day-to-day leadership of the Company. Mr. Deleaver serves as the chairman of the Board. The Board believes that Mr. Deleaver's service as Chairman of the Board is in the best interests of the Company and its stockholders given Mr. Deleaver's in-depth knowledge of the issues, opportunities and challenges facing the Company, and that Mr. Deleaver is best positioned to communicate these issues to the other directors and to efficiently develop and lead agendas that ensure that the Board's time and attention are focused on the most critical matters. The Board of Directors believes this structure is the most appropriate structure for the Company at this time, as it recognizes the time, effort and energy that the chief executive officer is required to devote to his position in the current business environment, as well as the commitment required to serve as the chairman of the Board, particularly as the Board's oversight responsibilities continue to grow.

As part of its oversight function, the Board reviews and monitors financial, strategic and operational risk through annual and periodic reviews with management and through its various committees. The Audit Committee and the full Board of Directors monitor risks associated with the Company's overall financial reporting and among its responsibilities is a review of risk assessment and management and significant risks or exposures. In addition, the Audit Committee has a responsibility to assess the steps management has taken to minimize such risks. The full Board of Directors also reviews the effectiveness and integrity of the Company's financial reporting processes and the Company's internal control structure (including both disclosure controls and procedures and internal control over financial reporting).

The Board periodically reviews the Company's business strategy including financial, operational and regulatory risks facing the Company and the Company's plans to mitigate these risks.

Board Meetings During 2013

During 2013, the Board of Directors held one meeting. During 2013, each director attended more than 75% of the aggregate of (i) the number of meetings of the Board of Directors held during the period he served on the Board, and (ii) the number of meetings of committees of the Board of Directors held during the period he served on such committees.

Stockholder Communications with the Board of Directors

Anyone who has a concern about the Company, including with respect to accounting, internal accounting controls or audit matters, may communicate directly with our Chief Executive Officer, our non-management directors or the Audit Committee. Such communications may be confidential or anonymous, and may be submitted in writing addressed care of Mr. C.B. Brechin, Chief Executive Officer and Chief Financial Officer, Brekford Corp., 7020 Dorsey Road, Hanover, Maryland 21076. All such concerns will be forwarded to the appropriate directors for their review, and will be simultaneously reviewed and addressed by the proper executive officers in the same way that other concerns are addressed by us.

The Company does not have a formal policy with regard to directors' attendance at the annual meeting of stockholders. The 2013 annual meeting of stockholders was attended by all of the persons who were then serving as directors.

Director Recommendations and Nominations

The Board of Directors identifies director candidates with the assistance of the Corporate Governance Committee through numerous sources, and it will review and consider candidates recommended by stockholders. Stockholder recommendations should be submitted in writing to the Company at its principal executive offices, attention: Secretary.

Whether recommended by a stockholder or otherwise, the Board of Directors seeks to nominate those individuals most qualified to serve as Board members and considers many factors with regard to each candidate, including judgment, reputation, integrity, diversity, prior experience, the interplay of the candidate's experience with the experience of other directors and the candidate's willingness to devote the time and effort required for Board responsibilities. Although the Board of Directors does not have a formal diversity policy, the Board believes that greater diversity leads to better corporate governance and that potential nominees should possess a diverse and extensive background of knowledge and both professional and life experience that can support growth, evaluate risk and provide sufficient oversight to the Company. Nominees for director will be selected on the basis of the diversity they bring to the Board, outstanding achievement in their professional careers, broad experience, wisdom, character, integrity, ability to make independent, analytical inquiries and intelligent decisions, sound mature business judgment, understanding of the business environment, willingness to devote adequate time to Board duties and ability to collaborate effectively at the Board level. The Board further believes that each director should have a basic understanding of (i) the principal operational and financial objectives and plans and strategies of the Company, (ii) the results of operations and financial condition of the Company and of any business segments, and (iii) the relative standing of the Company and its business segments in relation to its competitors. To date, the Company has not paid a fee to any third party or parties to identify or evaluate or assist in the identifying or evaluating potential nominees.

It should be noted that a stockholder recommendation is not a nomination, and there can be no guaranty that a person recommended by a stockholder will be nominated for election as a director. A stockholder who desires to nominate a person for election to the Board of Directors must comply with Section 2.2(b) of our Bylaws, which provides as follows:

Any nomination by a stockholder must be made by written notice to the Secretary delivered or mailed to and received at the principal executive offices of the Corporation: (i) with respect to an election to be held at an annual meeting of stockholders, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting; provided, however, that in the event that no annual meeting was held in the previous year or the annual meeting is called for a date that is not within 30 days from the anniversary date of the preceding year's annual meeting date, written notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth day following the day on which public disclosure of the date of the annual meeting was made; and (ii) with respect to an election to be held at a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth day following the day on which the first public disclosure of the date of the special meeting was made. Delivery shall be by hand, or by certified or registered mail, return receipt requested. In no event shall the public announcement of an adjournment of any annual or special meeting commence a new time period for giving of a stockholder notice as described above. A stockholder's notice to the Secretary shall set forth (x) as to each person whom the stockholder proposes to nominate for election or re-election as a director: (1) the name, age, business address and residence address of such person, (2) the principal occupation or employment of such person, (3) the class and number of shares of stock of the Corporation which are beneficially owned by such person, (4) any other information relating to such person that would be required to be disclosed in solicitations of proxies for the election of such person as a director of the Corporation under securities laws, had the nominee been nominated by the Board of Directors, and (5) such person's written consent to being named in any proxy statement as a nominee and to serving as a director if elected; and (y) as to the stockholder giving notice: (1) the name and address, as they appear on the Corporation's records, of such stockholder, (2) the class and number of shares of stock of the Corporation which are beneficially owned by such stockholder (determined as provided in clause (x)(3) above), (3) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote on the election of directors at such meeting and that such stockholder intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, and (4) a description of all agreements, arrangements or understandings between the stockholder and each nominee of the stockholder and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder.

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director.

The Company will provide, without charge, a copy of our Bylaws upon the request of a stockholder delivered to the Secretary of the Company in writing at our principal executive officers or by telephone at (443) 557-0200.

Code of Ethics

The Board of Directors has not adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. The Board believes that the small number of individuals involved in the Company's management makes such a code unnecessary. The Board intends to periodically evaluate the need for a Code of Ethics as we continue to grow and will adopt an appropriate Code of Ethics if and when it determines that such a code is necessary.

DIRECTOR COMPENSATION

The following table sets forth the compensation paid to all persons who served as members of our Board of Directors (other than our named executive officers) during 2013. Information about the compensation paid to our named executive officers is provided below in the section entitled "Executive Compensation".

Director Compensation Table

Note:
 (1) The amounts shown reflect the aggregate grant date fair value of the shares of Common Stock granted computed in accordance with Financial Accounting Standards Board Accounting Standards Codification 718. See Note 9 to the audited consolidated financial statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 regarding assumptions underlying valuation of equity awards.

In April 2008, the Company's Board of Directors adopted the 2008 Director's Compensation Plan, which provides for the following compensation:

Equity Grants

For 2013, each non-employee director was granted 10,000 shares of restricted Common Stock as compensation for attending Board meetings during the fiscal year, provided that they attended a minimum of 75% of the regular and special meetings of the full Board and of any committees upon which they sit.

Cash

The Chairman of the Board is entitled to receive cash in the amount of \$2,000 per calendar quarter and each other non-employee director is entitled to receive cash in the amount of \$1,000 per calendar quarter as compensation for attending Board meetings held during that quarter, provided that a director must attend a minimum of 75% of the regular and special meetings of the full Board and of any committees upon which they sit. The Board held one meeting during 2013.

Out-of-Pocket Expenses

The Company reimburses a director's out-of-pocket expenses for in-person meetings upon submission of an expense statement and receipts, up to a maximum of \$500 per in-person meeting.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by our Board of Directors, the Audit Committee's role is to act on behalf of the Board of Directors in the oversight of our accounting, auditing and financial reporting practices.

Management is responsible for our financial reporting process, including our system of internal controls, and for the preparation of our financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accounting firm is responsible for auditing those financial statements. It is the Audit Committee's responsibility to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The Audit Committee may not be, and may not represent itself to be or serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. The Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that our financial statements are presented in accordance with generally accepted accounting principles, that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards or that our independent registered public accounting firm is in fact "independent."

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements for the year ended December 31, 2013 with management, including a discussion of the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee reviewed the financial statements for fiscal year 2013 with the Company's independent registered public accounting firm and discussed with that firm all of the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU § 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T), including the independent registered public accounting firm's judgments as to the quality, not just the acceptability, of our accounting principles. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding that firm's communications with the Audit Committee concerning its independence, and discussed with that firm its independence. Finally, the Audit Committee has considered whether the provision by the independent registered public accounting firm of non-audit services to the Company is compatible with maintaining that firm's independence. The Audit Committee discussed with the independent registered public accounting firm any relationships that may have an impact on that firm's objectivity and independence and satisfied itself as to the independence of the independent registered public accounting firm.

The Audit Committee also discussed with management the process used to support certifications by our Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany our periodic filings with the SEC.

Based on the foregoing review and discussions, and subject to the limitations on its role and responsibilities described above, the Audit Committee recommended to our Board of Directors that the Company's audited financial statements for the year ended December 31, 2013 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013.

EXECUTIVE COMPENSATION

Executive Compensation Philosophy

Our compensation philosophy is to provide our executive officers listed in the summary compensation table with compensation packages that attract, retain, reward and motivate them. Therefore, our Board of Directors and our Compensation Committee generally construct compensation packages that take into account those of executive officers with similar positions in comparable companies, linking the performance of the company and individual performance and designed to align the interests of the executive officers with those of our stockholders. Our compensation philosophy is also designed to reinforce a sense of ownership in the company, urgency with respect to meeting deadlines and overall entrepreneurial spirit and to link rewards to measurable corporate performance metrics.

While the Board of Directors and Compensation Committee seek to provide compensation packages that are competitive within our markets and the technology industry, in general, it does not utilize an established peer group in our industry and does not set compensation levels based on any predetermined benchmarks for total compensation or any individual element of compensation. Management of the Company reviews our performance on a regular basis using a variety of financial and non-financial metrics. These metrics include, but are not limited to, net sales, gross margin, sales and marketing expenses, personnel costs, accounts receivable and accounts payable aging, liquidity and cash resources. Management compares actual results against goals and budgets to take appropriate actions in order to improve performance.

Certain compensation adjustments are made pursuant to each executive officer's employment terms established at the time he or she is hired. We do not have employment agreements or change of control agreements with any of our executive officers. We established the salary levels by surveying companies within similar industry including current compensation data based upon organization size, industry and geographic location.

Members of our executive management team are essential in providing input to the Compensation Committee concerning the effectiveness of the executive compensation program, selection of performance criteria, financial performance of the Company, and performance of individual executives. The Chief Executive Officer is the key member of management who advises the Committee and supplies needed and accurate information.

The Compensation Committee's charter provides the Committee with the authority to engage compensation consultants (and other advisors) as it deems appropriate to assist with the performance of its duties. The Compensation Committee did not use an independent advisor concerning 2013 executive compensation.

Elements of Compensation

Our compensation packages for executive officers consist of cash salaries, long-term incentive awards in the form of stock option and restricted stock grants.

Salary

Base salaries are set initially upon hire based predominantly on available market data and are adjusted based on market trends, our overall performance, individual contributions to our performance, and our available cash to a lesser extent. We also take into consideration the scope of our officers' respective responsibilities. In reviewing base salaries, we also consider several other factors, including cost of living increases, and levels of responsibility.

Long-term Incentives

Executive officers may be granted stock options and other awards to purchase our common stock under our Incentive Compensation Plan, typically with time vesting requirements, as a way to align the interests of the executive officers with those of our stockholders. We believe that our long-term performance is aided by a culture that encourages superior performance by our executive officers, and that, when appropriate, equity awards encourage and will appropriately reward such superior performance.

Summary of Executive Compensation

The following table sets forth, for each of the last two fiscal years, the total remuneration awarded to, earned by, or paid to (i) each person who served as the Company's principal executive officer at any time during 2013, (ii) the Company's two most highly compensated executive officers other than the persons described in item (i) who were serving as executive officers as of December 31, 2013 and whose total compensation (excluding above-market and preferential earnings on nonqualified deferred compensation) exceeded \$100,000 during 2013, and (iii) up to two additional individuals for whom disclosure would have been provided pursuant to item (ii) had they been serving as executive officers of the Company as of December 31, 2013 (the principal executive officers and such other persons are referred to as the "named executive officers"). The Company has determined that its named executive officers for 2013 are C.B. Brechin, who serves as its Chief Executive Officer, Chief Financial Officer and Treasurer, and Scott Rutherford, who serves as its Chief Strategic Officer (and, until December 2, 2013, its President).

Summary Compensation Table

Name and Principal Position	Year	Salary (\$)	Total (\$)
C.B. Brechin	2013	198,462	198,462
Chief Executive Officer, Chief Financial Officer, Treasurer (1)	2012	200,000	200,000
Scott Rutherford	2013	183,577	183,577
Chief Strategic Officer (1)	2012	185,000	185,000

Notes:

- (1) Messrs. Brechin and Rutherford also serve on the Board of Directors of the Company but do not receive any separate compensation for such service.

Narrative Disclosure to the Summary Compensation Table

Neither of the named executive officers is a party to an employment agreement with the Company and both serve at the pleasure of the Board of Directors.

The terms of their employment arrangements entitle Messrs. Brechin and Rutherford to annual base salaries of \$170,000 and \$157,250, respectively, payable in accordance with our normal payroll practices. Between January 1, 2013 and December 17, 2013, the salary levels for Messrs. Brechin and Rutherford were \$200,000 and \$185,000, respectively.

Neither of the named executive officers received any bonus, equity or other non-salary compensation during 2013, and they did not hold any outstanding equity awards at December 31, 2013.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers, directors, and persons who own more than ten percent (10%) of a registered class of our equity securities to file reports of securities ownership and changes in such ownership with the SEC on Forms 3, 4 and 5. Officers, directors, and greater-than-ten-percent stockholders are required by SEC regulations to provide us with copies of all Section 16(a) forms that they file.

Based solely upon a review of Forms 3, Forms 4, and Forms 5 furnished to us pursuant to Rule 16a-3 under the Exchange Act, we believe that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act during the year ended December 31, 2013 were timely filed, as necessary, by the officers, directors, and security holders required to file such forms except that Gregg Smith and Rodney Hillman did not timely file their Form 3s, and C.B. Brechin filed two late Form 4s (relating to three stock purchases and four stock purchases, respectively).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's Audit Committee has the responsibility to review and approve all related-party transactions, as contemplated by Item 404 of the SEC's Regulation S-K, to prevent potential conflicts of interest and to ensure that related party transactions are disclosed in the reports that the Company files with the SEC as and when required by applicable securities laws and regulations. The term "related party transaction" is generally defined as any transaction (or series of related transactions) in which the Company is a participant and the amount involved exceeds the lesser of (i) \$120,000 or (ii) one percent of the Company's average total assets at year end for the last two completed fiscal years, and in which any director, director nominee or executive officer of the Company, any holder of more than 5% of the outstanding voting securities of the Company, or any immediate family member of the foregoing persons will have a direct or indirect interest. The term includes most financial transactions and arrangements, such as loans, guarantees and sales of property, and remuneration for services rendered (as an employee, consultant or otherwise) to the Company and its subsidiaries.

The following paragraphs discuss related party transactions that occurred during 2012 and 2013 (other than compensation paid or awarded to the Company's directors, director nominees and executive officers that is required to be discussed, or is exempt from discussion, in the sections of this proxy statement entitled "Director Compensation" and "Executive Compensation").

On October 1, 2009, C.B. Brechin and Scott Rutherford, as well as one other individual, entered into a stock purchase agreement on behalf of the Company (the "Stock Purchase Agreement"), with the court-appointed receiver, Robert D. Gordon (the "Receiver"), for our former stockholder Legisi Marketing, Inc, to repurchase 18,910,000 shares of our common stock, par value \$.0001 per share ("Common Stock"), and cancel 10,000,000 common stock purchase warrants exercisable at \$.39 per share (the "Warrants"), which shares of Common Stock and Warrants had been in the custody of the Receiver. The aggregate purchase price for the securities under the Stock Purchase Agreement was \$700,000. The effectiveness of the Stock Purchase Agreement was subject to court approval which was received on November 4, 2009. The repurchased shares of Common Stock and Warrants have been returned to our treasury and cancelled.

Brekford financed the repurchase of shares of its common stock and warrants from the proceeds of convertible promissory notes that were issued by Brekford on November 9, 2009 in favor of a lender group in the principal amounts of \$250,000 each (each, a "Promissory Note" and together, the "Promissory Notes"). Each Promissory Note bears interest at the rate of 12% per annum and at the time of issuance was to be convertible into shares of common stock, at the option of the holder, at an original conversion price of \$.07 per share. At the time of issuance, Brekford agreed to pay the unpaid principal balance of the Promissory Notes and all accrued but unpaid interest on the date that was the earlier of (i) two years from the issuance date or (ii) 10 business days after the date on which Brekford closes an equity financing that generates gross proceeds in the aggregate amount of not less than \$5,000,000.

On April 1, 2010, Brekford Corp. and each member of the lender group executed a First Amendment to the Unsecured Promissory Note, which amended the Promissory Notes as follows:

- Revise the conversion price in the provision that allows the holder of the Promissory Note to elect to convert any outstanding and unpaid principal portion of the Promissory Note and any accrued but unpaid interest into shares of the Common Stock at a price of fourteen cents (\$.14) per share of Common Stock, and
- Each Promissory Note's maturity date was extended to the earlier of (i) four years from the issuance date or (ii) 10 business days after the date on which Brekford closes an equity financing that generates gross proceeds in the aggregate amount of not less than \$5,000,000.

On November 8, 2013, Brekford and each member of the lender group agreed to further extend the maturity dates of the Promissory Notes to the earlier of (i) November 9, 2014 or (ii) 10 business days after the date on which Brekford closes an equity financing that generates gross proceeds in the aggregate amount of not less than \$5,000,000.

The outstanding balance due on the Promissory Notes as of April 22, 2014, including principal and interest, is \$251,808.22 and \$251,808.22 for each of the notes held by Messrs. Brechin and Rutherford respectively, and the accrued interest paid to the note holders to date on each of the notes equals \$130,027.49 and \$130,027.49 respectively. No principal was paid in 2012 or 2013. The largest amount of principal outstanding under these notes during 2013 was \$250,000 and \$250,000, respectively.

While we do not maintain a written policy with respect to related party transactions, our Audit Committee routinely reviews potential transactions with those parties we have identified as related parties.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Board of Directors, on the recommendation of the Audit Committee, has appointed Stegman & Company ("Stegman") to serve as the Company's independent registered public accounting firm for 2014. Representatives of Stegman are expected to be present at the 2014 annual meeting of stockholders, in person or by telephone, to make a statement if so desired, and to respond to any appropriate questions.

The following table presents fees for professional services rendered to the Company by Stegman during fiscal years 2013 and 2012.

	Year Ended December 31,	
	2013	2012
Audit fees	\$ 77,662	\$ 74,250
Audit-related fees	-	8,239
Tax fees	8,500	8,231
Other fees	-	-
Total fees	\$ 86,162	\$ 90,720

Audit Fees for 2012 and 2013 include fees associated with the audits of the annual financial statements, the quarterly reviews of the unaudited interim financial statements included in the Company's Quarterly Reports on Form 10-Q, and services related to other reports filed with the SEC. Audit-Related Fees for 2013 also include fees associated with the restatement of our form 10-Q for the three quarterly periods in the year ended December 31, 2013. Tax Fees for 2013 and 2012 include fees associated with the preparation and reviews of tax returns, advising on the impact of local tax laws, and tax planning.

It is the Audit Committee's policy to pre-approve all services to be performed by the Company's independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(I)(B) of the Exchange Act, which, when needed, are approved by the Audit Committee prior to the completion of the independent registered public accounting firm's audit. Pre-approval may be granted by action of the full Audit Committee or, in the absence of such Audit Committee action, by the Chairman of the Audit Committee whose action shall be considered to be that of the entire Audit Committee. All of the 2013 and 2012 services described above were pre-approved by the Audit Committee.

OTHER BUSINESS

We know of no other business to be brought before the annual meeting. If, however, any other business should properly come before the annual meeting, the persons named in the accompanying proxy will vote proxies as in their discretion they may deem appropriate, unless they are directed by a proxy to do otherwise.

DEADLINE FOR SUBMITTING STOCKHOLDER PROPOSALS FOR 2015 ANNUAL MEETING

A stockholder who desires to present a proposal on a matter appropriate for stockholder action pursuant to Rule 14a-8 under the Exchange Act to be included in the proxy statement and voted on by the stockholders at the 2015 annual meeting of stockholders must submit a written proposal, including all supporting information, to the Company, delivered to and received by the Chief Executive Officer, at its principal executive offices no later than December 31, 2014 (120 days prior to the date of mailing of the proxy statement for that meeting based on this year's proxy statement date) and must meet all other requirements for inclusion in the proxy statement. As set forth in our Bylaws, if a stockholder intends to present a proposal for business to be considered at the 2015 annual meeting of stockholders but does not seek inclusion of the proposal in the Company's proxy statement for that meeting, then such proposal, including all supporting information, must be delivered to and received by the Company's Chief Executive Officer, at the Company's principal executive offices, no less than 90 days nor more than 120 days before the date set for the 2015 annual meeting of stockholders. Proposals received by the Company outside of these timelines will be considered untimely. If a stockholder proposal is not timely received, then the proxies will be authorized to exercise discretionary authority with respect to the proposal.

Should the date set for the 2015 annual meeting of stockholders be advanced or delayed by more than 30 days, we will inform stockholders of such change in our earliest possible quarterly report on Form 10-Q, or, if impracticable, by any means reasonably calculated to inform stockholders. If the date of the 2015 annual meeting date is so modified, then stockholder proposals will be considered timely if they are submitted within a reasonable time prior to the mailing of our proxy materials for the 2015 annual meeting.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are the Company's stockholders may household the Company's proxy materials. In that event, a single annual report to stockholders, proxy statement, or Notice of Internet Availability of Proxy Materials, as applicable, will be delivered to multiple stockholders sharing an address unless the broker receives contrary instructions from the affected stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report to stockholders, proxy statement, or Notice of Internet Availability of Proxy Materials, as applicable, please notify your broker. Upon request, the Company will provide, free of charge, its proxy materials to any stockholder at a shared address who received only a single set of proxy materials. Requests should be directed to the Company at the following address or phone number: Investor Relations, Brekford Corp., at 7020 Dorsey Road, Hanover, Maryland 21076; or 1-866-752-8683. Stockholders who share the same address and currently receive multiple copies of the proxy materials should contact their brokers if they desire to request householding of their communications from the Company.

INCORPORATION BY REFERENCE
