FORWARD LOOKING STATEMENTS

This current report may contain forward-looking statements as that term is defined in the *Private Securities Litigation Reform Act* of 1995. These statements relate to future events or our future results of operation or future financial performance, including, but not limited to, the following: statements relating to our ability to raise sufficient capital to finance our planned operations, our ability to develop brand recognition with resellers and consumers, develop our current and future products, increase sales and our estimates of cash expenditures for the next 12 months. In some cases, you can identify forward-looking statements by terminology such as "may", "should", "intends", "expects", "plans", "anticipates", "believes", "estimates", "predicts", "potential", or "continue" or the negative of these terms or other comparable terminology. These statements are only predictions and involve known and unknown risks, uncertainties and other factors, including the risks in the section entitled "Risk Factors", which may cause our or our industry's actual results, levels of activity or performance to be materially different from any future results, levels of activity or performance expressed or implied by these forward-looking statements.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity or performance. You should not place undue reliance on these statements, which speak only as of the date that they were made. These cautionary statements should be considered with any written or oral forward-looking statements that we may issue in the future. Except as required by applicable law, including the securities laws of the United States, we do not intend to update any of the forward-looking statements to conform these statements to reflect actual results, later events or circumstances or to reflect the occurrence of unanticipated events.

As used in this current report and unless otherwise indicated, the terms "we", "us" "CTi" and "our company" refer to Cavitation Technologies, Inc.
