PROXY STATEMENT

The Board of Directors of China Advanced Construction Materials Group, Inc., a Nevada corporation (the "Company," "China ACM" or "we") is furnishing this Proxy Statement and the accompanying proxy to you to solicit your proxy for the fiscal year 2013 Annual Meeting of Stockholders (the "Meeting"). The Meeting will be held on April 9, 2014, at 10:00 p.m., E.T., which is 10:00 a.m., April 10, 2014 local time, at the principal office of the Company located at 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, People's Republic of China, 100190.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is this Proxy Statement?

You have received this Proxy Statement and our annual report because the Board of Directors of the Company (hereinafter sometimes referred to as the "Board of Directors" or "Board") is soliciting your proxy to vote your shares at the annual meeting. This Proxy Statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission ("SEC") and that is designed to assist you in voting your shares.

What is the purpose of the annual meeting?

At the annual meeting, our stockholders will act upon the matters described in this Proxy Statement. These actions include the election of directors, the ratification of the appointment of the independent registered public accounting firm (which we sometimes refer to as the "independent auditors"), approval of the amendment to the Company's 2009 Equity Incentive Plan, advisory votes on executive compensation and on the frequency of the stockholder vote on executive compensation. An additional purpose of the annual meeting is to transact any other business that may properly come before the annual meeting and any and all adjournments or postponements of the annual meeting.

Who can attend the annual meeting?

All stockholders of record at the close of business on March 4, 2014, the record date, or their duly appointed proxies, may attend the annual meeting.

What proposals will be voted on at the annual meeting?

Stockholders will vote on five proposals at the annual meeting:

- the election of directors
- the ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2014;
- approval of the amendment to the Company's 2009 Equity Incentive Plan;
- an advisory vote on executive compensation; and
- an advisory vote on the frequency of the advisory vote on executive compensation.

What are the Board's recommendations?

Our Board recommends that you vote:

- **FOR** election of the nominated directors;
- **FOR** ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2014;
- **FOR** the approval of the amendment to the Company's 2009 Equity Incentive Plan as described in this Proxy Statement;
- **FOR** the approval of the executive compensation as described in the compensation discussion and analysis and the compensation tables in this Proxy Statement; and
- **For** holding the non-binding advisory vote to approve the Company's executive compensation practices every three years.

Will there be any other business on the agenda?

The Board knows of no other matters that are likely to be brought before the annual meeting. If any other matters properly come before the annual meeting, however, the persons named in the enclosed proxy, or their duly appointed substitute acting at the annual meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Who is entitled to vote?

Only stockholders of record at the close of business on March 4, 2014 which we refer to as the record date, are entitled to notice of, and to vote at, the annual meeting. As of the record date, there were 1,486,871 shares of our common stock outstanding. Holders of common stock as of the record date are entitled to one vote for each share held for each of the proposals.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Action Stock Transfer Corp., you are considered, with respect to those shares, the "stockholder of record." This proxy and our Annual Report have been sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. This proxy and the Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instructions included with your proxy materials.

How do I vote my shares?

Stockholders can vote in person at the annual meeting or by proxy. There are three ways to vote by proxy:

- By Telephone — Stockholders located in the United States can vote by telephone by calling the number listed on your proxy materials and following the instructions;
- By Internet — You can vote over the Internet going to the link provided on your proxy materials and following the instructions; or
- By Mail — You can vote by mail by signing, dating and mailing the enclosed proxy card.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (ET) on April 8, 2014.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card (your "proxies") will vote your shares in the manner you indicate. You may specify how your shares should be voted for each of the proposals. If you grant a proxy without indicating your instructions, your shares will be voted as follows:

- FOR the election of the five nominees for director;
- FOR the ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2013;
- FOR the approval of the amendment to the Company's 2009 Equity Incentive Plan as described in this Proxy Statement;
- FOR the approval of the executive compensation as described in the compensation discussion and analysis and the compensation tables in this Proxy Statement; and
- FOR holding the non-binding advisory vote to approve its executive compensation practices every three years.

You may revoke or change your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than your previously delivered proxy, (2) voting in person at the Annual Meeting, (3) granting a subsequent proxy through the Internet or telephone, or (4) sending a written revocation to the Corporate Secretary. Your most current proxy card or telephone or Internet proxy is the one that is counted.

Each share of common stock is entitled to one vote. The record date for determining stockholders entitled to notice of and to vote at the annual meeting is March 4, 2014. As of that date, there were 1,486,871 shares of our common stock outstanding.

What constitutes a quorum?

A quorum is the presence, in person or by proxy, of the holders of a majority of the shares of the common stock entitled to vote. An abstaining vote and a broker “non-vote” are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the annual meeting.

What is a broker “non-vote” and what is its effect on voting?

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares does not have the authority to vote on the matter with respect to those shares. This is generally referred to as a “broker non-vote.”

Proposal 2 (ratification of auditors) involves a matter that we believe will be considered routine. All other proposals involve matters that we believe will be considered non-routine. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided on your proxy card.

What is required to approve each item?

- For Proposal No. 1 (election of directors), each director must be elected by a majority of votes cast with respect to such director (i.e., the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee). Abstentions and broker non-votes are not counted for purposes of the election of directors.
- For Proposal No. 2 (ratification of independent auditors), Proposal No. 3 (approval of the amendment to the Company’s 2009 Equity Incentive Plan), Proposal 4. (non-binding advisory vote on approval of executive compensation), the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the meeting and entitled to vote, is required.
- For Proposal 5 (non-binding advisory vote on the frequency of stockholder approval of executive compensation), the option that obtains a plurality of votes cast by the shares present or represented by proxy at the meeting and entitled to vote, is required.
- For any other matters on which stockholders are entitled to vote, the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the meeting and entitled to vote, is required.

For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. If stockholders hold their shares through a broker, bank or other nominee and do not instruct them how to vote, the broker may have authority to vote the shares for routine matters.

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

Our bylaws require that, in uncontested elections, each director be elected by the majority of votes cast with respect to such director. This means that the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee in order for that nominee to be elected. Only votes “for” or “withheld” are counted as votes cast with respect to a director. Abstentions and broker non-votes will have no effect.

How will shares of common stock represented by properly executed proxies be voted?

All shares of common stock represented by proper proxies will, unless such proxies have previously been revoked, be voted in accordance with the instructions indicated in such proxies. If you do not provide voting instructions, your shares will be voted in accordance with the Board's recommendations as set forth herein. In addition, if any other matters properly come before the annual meeting, the persons named in the enclosed proxy, or their duly appointed substitute acting at the annual meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Can I change my vote or revoke my proxy?

Any stockholder executing a proxy has the power to revoke such proxy at any time prior to its exercise. You may revoke your proxy prior to exercise by:

- filing with us a written notice of revocation of your proxy,
- submitting a properly signed proxy card bearing a later date,
- voting over the Internet or by telephone, or
- voting in person at the annual meeting.

What does it mean if I receive more than one Proxy?

If your shares are registered under different names or are in more than one account, you may receive more than one set of proxy materials. To ensure that all your shares are voted, please vote by telephone, through the Internet using each personal identification number you are provided, or complete, sign and date the multiple proxy cards relating to your multiple accounts. We encourage you whenever possible to have all accounts registered in the same name and address. You can accomplish this by contacting our transfer agent, Action Stock Transfer Corp., at (801) 274-1088.

Who paid for this proxy solicitation?

The cost of preparing, printing, assembling and mailing this Proxy Statement and other material furnished to stockholders in connection with the solicitation of proxies is borne by us.

How do I learn the results of the voting at the annual meeting?

Preliminary results will be announced at the annual meeting. Final results will be published in a Current Report on Form 8-K filed with the SEC within four business days of the annual meeting.

How are proxies solicited?

In addition to the mail solicitation of proxies, our officers, directors, employees and agents may solicit proxies by written communication, telephone or personal call. These persons will receive no special compensation for any solicitation activities. We will reimburse banks, brokers and other persons holding common stock for their expenses in forwarding proxy solicitation materials to beneficial owners of our common stock.

What is “householding?”

“Householding” means that we deliver a single set of proxy materials when requested to households with multiple stockholders, provided certain conditions are met. Householding reduces our printing and mailing costs.

If you or another stockholder of record sharing your address would like to receive an additional copy of the proxy materials, we will promptly deliver it to you upon your request in one of the following manners:

- by sending a written request by mail to:

China Advanced Construction Materials Group, Inc.

Haidian District, Beijing
People’s Republic of China 100190

Attention: Corporate Secretary

- by calling our Corporate Secretary, at +(86) (10) 825 25361.

If you would like to opt out of householding in future mailings, or if you are currently receiving multiple mailings at one address and would like to request householded mailings, you may do so by contacting our Corporate Secretary as indicated above.

Can I receive future stockholder communications electronically through the Internet?

Yes. You may elect to receive future notices of meetings, proxy materials and annual reports electronically through the Internet. To consent to electronic delivery, vote your shares using the Internet. At the end of the Internet voting procedure, the on-screen Internet voting instructions will tell you how to request future stockholder communications be sent to you electronically.

Once you consent to electronic delivery, you must vote your shares using the Internet and your consent will remain in effect until withdrawn. You may withdraw this consent at any time during the voting process and resume receiving stockholder communications in print form.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers were involved in any legal proceedings during the last 10 years as described in Item 401(f) of Regulation S-K.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires directors, executive officers and stockholders who own more than ten percent of the outstanding common stock of the Company to file with the SEC and Nasdaq reports of ownership and changes in ownership of voting securities of the Company and to furnish copies of such reports to us.

Based solely on a review of the copies of such forms received by the Company, Forms 3, 4 and 5 (including amendments to such form) furnished to the Company during and with respect to the year ended June 30, 2013 and written representations from certain persons that no other reports were required for them, we believe that with respect to the year ended June 30, 2013, each of the Company's directors, officers and more than ten-percent stockholders filed all such required forms on a timely basis.

CORPORATE GOVERNANCE

Our current corporate governance practices and policies are designed to promote stockholder value and we are committed to the highest standards of corporate ethics and diligent compliance with financial accounting and reporting rules. Our Board provides independent leadership in the exercise of its responsibilities. Our management oversees a system of internal controls and compliance with corporate policies and applicable laws and regulations, and our employees operate in a climate of responsibility, candor and integrity.

Corporate Governance Guidelines

We and our Board are committed to high standards of corporate governance as an important component in building and maintaining stockholder value. To this end, we regularly review our corporate governance policies and practices to ensure that they are consistent with the high standards of other companies. We also closely monitor guidance issued or proposed by the SEC and the provisions of the Sarbanes-Oxley Act of 2002 and the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as the emerging best practices of other companies. The current corporate governance guidelines are available on the Company's website www.China-ACM.com. Printed copies of our corporate governance guidelines may be obtained, without charge, by contacting the Corporate Secretary, China Advanced Construction Materials Group, Inc., 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, PRC, 100190.

The Board and Committees of the Board

The Company is governed by the Board that currently consists of five members as identified above. On August 7, 2009, the Board established three committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. Each of these committees is comprised entirely of independent directors. From time to time, the Board may establish other committees. The Board has adopted a written charter for each of the committees which may be obtained, without charge, by contacting the Corporate Secretary, China Advanced Construction Materials Group, Inc., 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, PRC, 100190. or through our website at www.China-ACM.com.

Prior to establishing the committees of the Board of Directors, our entire Board of Directors handled the functions that would otherwise be handled by each of the committees.

During the fiscal year ended June 30, 2013, the Board of Directors held six meetings. All directors attended all of the meetings of the Board and each committee upon which the director served during the fiscal year ended June 30, 2013. Three of our directors attended the 2012 annual meeting of stockholders. We do not have a policy with regard to Board members' attendance at annual meetings of stockholders.

Governance Structure

Currently, our Chief Executive Officer is also our Chairman. The Board of Directors believes that, at this time, having a combined Chief Executive Officer and Chairman is the appropriate leadership structure for the Company. In making this determination, the Board of Directors considered, among other matters, the size of the company as well as Mr. Han's experience and tenure of having been Chairman and Chief Executive Officer since 2008, and felt that his experience, knowledge, and personality allowed him to serve ably as both Chairman and Chief Executive Officer. Among the benefits of a combined Chief Executive Officer/Chairman considered by the Board of Directors is that such structure promotes clearer leadership and direction for our Company and allows for a single, focused chain of command to execute our strategic initiatives and business plans. We have not appointed a lead independent director for our Board of Directors.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks facing the Company. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for the Company to be competitive on a global basis and to achieve its objectives.

While the Board oversees risk management, Company management is charged with managing risk. The Company has internal processes and a strong internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management program at least annually. The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

- The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee also oversees the internal audit function and the Company's ethics programs, including the Codes of Business Conduct. The Audit Committee members meet separately with representatives of the independent auditing firm and the Company's internal audit group; and

- The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

Independent Directors

Our Board has determined that the majority of the Board is comprised of "independent directors" within the meaning of applicable Nasdaq listing standards relating to Board composition and Section 301 of the Sarbanes-Oxley Act of 2002. Our independent directors are Mr. Jin, Mr. Ren and Mr. Gao.

Audit Committee

Our Audit Committee consists of Mr. Ren, Mr. Jin and Mr. Gao, each of whom is "independent" as that term is defined under the Nasdaq listing standards. The Audit Committee oversees our accounting and financial reporting processes and the audits of the financial statements of our company. Mr. Ren serves as our Audit Committee financial expert as that term is defined by Item 407 of Regulation S-K of the Exchange Act. The Audit Committee is responsible for, among other things:

- selecting our independent auditors and pre-approving all auditing and non-auditing services permitted to be performed by our independent auditors;

Indemnification of Directors and Executive Officers and Limitation of Liability

Indemnification under Nevada Law

Nevada law generally permits us to indemnify our directors, officers, employees and agents. Pursuant to the provisions of Nevada Revised Statutes 78.7502, we, as a corporation organized in Nevada, may indemnify our directors, officers, employees and agents in accordance with the following:

(a) A corporation may indemnify any person who was or is a party or is threatened to be made a party to any action, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation, against expenses, actually and reasonably incurred by him in connection with the action, suit or proceeding if he: (a) is not liable for breach of his fiduciary duties as a director or officer pursuant to Nevada Revised Statutes 78.138; or (b) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

(b) A corporation may indemnify any person who was or is a party or is threatened to be made a party to any action by or in the right of the corporation to procure a judgment in its favor, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation against expenses actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he: (a) is not liable for breach of his fiduciary duties pursuant to Nevada Revised Statutes 78.138; or (b) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals there from, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

(c) To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Charter Provisions, Bylaws and Other Arrangements of the Registrant

Article 9 of our Articles of Incorporation provides as follows:

"The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of the Corporation, or who is or was serving at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection With the action, suit or proceeding, to the full extent permitted by the Nevada Revised Statutes as such statutes may be amended from time to time."

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy and is, therefore, unenforceable.

Changes in Control

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

Transactions with Related Persons

Except as discussed below, since the beginning of the last fiscal year, there have not been any transaction, nor is there any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest (other than compensation described under "Executive Compensation").

Mr. Weili He, the Company's Chief Operating Officer and interim Chief Financial Officer, leased office space to the Company at approximately the current fair market value from July 2009 until the lease was terminated on December 31, 2011, with annual payments of approximately \$176,000. For years ended June 30, 2013 and 2012, the Company recorded rent expense to the shareholder in the amount of approximately \$0 for fiscal 2013 and \$93,000 for fiscal 2012. As of June 30, 2013 and 2012, approximately \$0 and \$53,000, respectively, remained unpaid.

Mr. Xianfu Han, the Company's Chief Executive Officer and Mr. Weili He, the Company's Chief Operating Officer and interim Chief Financial Officer, have also advanced funds to BVI-ACM, for working capital purposes. The loans are non-interest bearing, unsecured, and are payable in cash on demand. As of June 30, 2013, \$450,540 and \$360,788 (including \$53,000 due for unpaid rent expenses discussed above) remain payable to Mr. Han and Mr. He, respectively.

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

We are in the process of finalizing a written related-person transactions policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." For purposes of our policy only, a "related-person transaction" will be a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any "related person" are participants involving an amount that exceeds \$50,000. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person will not be covered by this policy. A related person will be any executive officer, director or a holder of more than five percent (5%) of our common stock, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, we expect that where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to our Audit Committee (or, where approval by our Audit Committee would be inappropriate, to another independent body of our Board of Directors) for consideration and approval or ratification. The presentation will be expected to include a description of, among other things, the material facts, and the direct and indirect interests of the related persons, the benefits of the transaction to us and whether any alternative transactions are available. To identify related-person transactions in advance, we will rely on information supplied by our executive officers, directors and certain significant stockholders. In considering related-person transactions, our Audit Committee will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the terms of the transaction;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from our employees generally.

In the event a director has an interest in the proposed transaction, the director must excuse himself or herself from the deliberations and approval. Our policy will require that, in determining whether to approve, ratify or reject a related-person transaction, our Audit Committee must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of our company and our stockholders, as our Audit Committee determines in the good faith exercise of its discretion. We did not previously have a formal policy concerning transactions with related persons.

Promoters and Certain Control Persons

We did not have any promoters at any time during the past five fiscal years.

Except as set forth in our discussion above, none of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. It selects the Company's executive officers, delegates authority for the conduct of the Company's day-to-day operations to those officers, and monitors their performance. Members of the Board keep themselves informed of the Company's business by participating in Board and Committee meetings, by reviewing analyses and reports, and through discussions with the Chairman and other officers.

See "Nominating and Governance Committee" above for a discussion of the process for selecting directors.

There are currently five directors serving on the Board. At the Meeting, five directors will be elected. The individuals who have been nominated for election to the Board at the Meeting are listed in the table below. Each of the nominees is a current director of the Company.

If, as a result of circumstances not now known or foreseen, any of the nominees is unavailable to serve as a nominee for director at the time of the Meeting, the holders of the proxies solicited by this Proxy Statement may vote those proxies either (i) for the election of a substitute nominee who will be designated by the proxy holders or by the present Board or (ii) for the balance of the nominees, leaving a vacancy. Alternatively, the size of the Board may be reduced accordingly. The Board has no reason to believe that any of the nominees will be unwilling or unable to serve, if elected as a Director. The five nominees for election as directors are uncontested. In uncontested elections, directors are elected by plurality of the votes cast at the meeting. **Proxies submitted on the accompanying proxy card will be voted for the election of the nominees listed below, unless the proxy card is marked otherwise.**

Director Selection

There have been no material changes to the procedures by which stockholders may recommend nominees to our Board of Directors since such procedures were last disclosed. As provided in its Charter, the Nominating and Governance Committee of the Company's Board is responsible for identifying individuals qualified to become Board members and recommending to the Board nominees for election as directors. The Nominating and Governance Committee considers recommendations for director nominees, including those submitted by the Company's stockholders, on the bases described below. Stockholders may recommend nominees by writing to the Nominating and Governance Committee c/o the Corporate Secretary, China Advanced Construction Materials Group, Inc., 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, PRC, 100190. Stockholder recommendations will be promptly provided to the chairman of the Nominating and Governance Committee. To be considered by the Nominating and Governance Committee for inclusion in the proxy for the 2014 fiscal year meeting, recommendations must be received by the Secretary of the Company not later than the close of business on December 10, 2014 or, if the date of the 2014 fiscal year meeting has been changed by more than 30 days from the date of this year's meeting, by no later than 30 days prior to the date of printing and mailing our material for the annual meeting.

In identifying and evaluating nominees, the Nominating and Governance Committee may consult with the other Board members, management, consultants, and other individuals likely to possess an understanding of the Company's business and knowledge of suitable candidates. In making its recommendations, the Nominating and Governance Committee assesses the requisite skills and qualifications of nominees and the composition of the Board as a whole in the context of the Board's criteria and needs. In evaluating the suitability of individual Board members, the Nominating and Governance Committee may take into account many factors, including general understanding of marketing, finance and other disciplines relevant to the success of a publicly traded company in today's business environment; understanding of the Company's business and technology; the nature of the Company's operations; educational and professional background; and personal accomplishment. The Nominating and Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of the Company's business and represent stockholder interests through the exercise of sound judgment, using its diversity of experience. The Nominating and Governance Committee also ensures that a majority of nominees would be "independent directors" as defined under the applicable rules of the SEC and Nasdaq. For a description of the qualifications that the Nominating and Corporate Governance Committee seeks in potential nominees, please see "Nominees – Qualifications for All Directors" below.

Director Qualifications - General

Directors are responsible for overseeing the Company's business consistent with their fiduciary duty to shareowners. This significant responsibility requires highly-skilled individuals with various qualities, attributes and professional experience. The Board believes that there are general requirements for service on the Company's Board of Directors that are applicable to all directors and that there are other skills and experience that should be represented on the Board as a whole but not necessarily by each director. The Board and the Nominating and Governance Committee of the Board consider the qualifications of directors and director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs.

Qualifications for All Directors

In its assessment of each potential candidate, including those recommended by shareowners, the Nominating and Governance Committee considers the nominee's judgment, integrity, experience, independence, understanding of the Company's business or other related industries and such other factors the Nominating and Governance Committee determines are pertinent in light of the current needs of the Board. The Nominating and Governance Committee also takes into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities to the Company.

The Board and the Nominating and Governance Committee require that each director be a recognized person of high integrity with a proven record of success in his or her field. Each director must demonstrate innovative thinking, familiarity with and respect for corporate governance requirements and practices, an appreciation of multiple cultures and a commitment to sustainability and to dealing responsibly with social issues. In addition to the qualifications required of all directors, the Board assesses intangible qualities including the individual's ability to ask difficult questions and, simultaneously, to work collegially.

The Board does not have a specific diversity policy, but considers diversity of race, ethnicity, gender, age, cultural background and professional experiences in evaluating candidates for Board membership. Diversity is important because a variety of points of view contribute to a more effective decision-making process.

Qualifications, Attributes, Skills and Experience to be Represented on the Board as a Whole

The Board has identified particular qualifications, attributes, skills and experience that are important to be represented on the Board as a whole, in light of the Company's current needs and business priorities. The Company's services are performed in areas of future growth located outside of the United States. Accordingly, the Board believes that international experience or specific knowledge of key geographic growth areas and diversity of professional experiences should be represented on the Board. In addition, the Company's business is multifaceted and involves complex financial transactions. PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE COMPANY'S 2009 EQUITY INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED UNDER THE PLAN

Our Board of Directors, acting upon the recommendation of the Board of Directors' Compensation Committee, has approved an amendment to the Company's 2009 Equity Incentive Plan (the "Plan") for an increase in the number of authorized shares of common stock under the Plan (the "Amendment") and recommends that the amendment be approved and adopted by the Company's stockholders and directs that such proposal be submitted to the stockholders at the annual meeting.

On June 19, 2009, our Board of Directors adopted the Plan. On March 4, 2014, our Board of Directors adopted and approved an amendment of the 2009 Stock Incentive Plan subject to shareholders approval. The primary purpose for the Amendment was to increase the number of shares of the Company's common stock available for issuance thereunder by 116,667 shares to 350,000 shares of the Company's common stock.

Pursuant to Section 2.1 of the Plan, the maximum number of shares of common stock of the Company that are available for issuance under the plan is 116,667 (1.4 million prior to the Company's 12 for 1 reverse split). As of March 10, 2014, we have issued shares of restricted stock or stock options to purchase of shares of common stock in an aggregate of 74,805 shares and 41,862 shares of common stock are available for issuance under the Plan.

The Compensation Committee of our Board of Directors has reviewed the Plan and determined that the Plan requires additional available shares for issuance to provide flexibility with respect to stock-based compensation that the compensation committee believes is necessary to establish appropriate long-term incentives to achieve our objectives. Our Board of Directors believes that it is advisable to increase the 116,667 share limit to 350,000 shares in order to attract and compensate employees, officers, directors and other eligible participants upon whose judgment, initiative and effort we depend. The issuance of award under the Plan to these eligible participants is designed to align the interests of such participants with those of our stockholders.

The proposed amendment to the Plan increases the number of shares of common stock that may be issued as awards under the Plan by 233,333 shares, or approximately 15.7% of the 1,486,871 shares of common stock outstanding as of March 10, 2014. As amended, the Plan will continue to provide that all of the shares authorized for issuance (including the increased shares) may be granted as incentive stock options and the Plan will also continue to provide for appropriate adjustments in the number of shares in the event of a stock dividend, recapitalization, merger or similar transaction.

The following is a summary of the principal features of the Plan. The summary below is qualified in its entirety by the terms of the Plan, as proposed to be amended. A copy of the Amendment is attached hereto as Appendix C and is incorporated by reference herein.

Shares Available

Our Board of Directors has authorized, subject to stockholder approval, 350,000 shares of our common stock for issuance under the Plan. In the event of any stock dividend, recapitalization, stock split, reverse stock split, subdivision or similar change in the capital structure of the Company without consideration, appropriate adjustments will be made to the (a) the number of shares reserved for issuance under the Plan; (b) the exercise prices of and number of shares subject to outstanding Options; and (c) the number of shares subject to other outstanding Awards.

In certain circumstances, shares subject to an outstanding Award may again become available for issuance pursuant to other Awards available under the Plan. For example, shares subject to forfeited, terminated, canceled or expired Awards will again become available for future grants under the Plan.

Administration

The Plan will be administered by a committee of our Board of Directors appointed by our Board of Directors to administer the Plan or if such a committee is not appointed or unable to act, then our entire Board of Directors (the "Committee"). The Committee will consist of at least two members who are non-employee directors within the meaning of Rule 16b-3 under the Exchange Act. With respect to the participation of individuals who are subject to Section 16 of the Exchange Act, the Plan is administered in compliance with the requirements of Rule 16b-3 under the Exchange Act. Subject to the provisions of the Plan, the Committee determines the persons to whom grants of options and shares of restricted stock are to be made, the number of shares of common stock to be covered by each grant and all other terms and conditions of the grant. If an option is granted, the Committee determines whether the option is an incentive stock option or a nonstatutory stock option, the option's term, vesting and exercisability, the amount and type of consideration to be paid to our company upon the option's exercise and the other terms and conditions of the grant. The terms and conditions of restricted stock Awards are also determined by the Committee. The Committee has the responsibility to interpret the Plan and to make determinations with respect to all Awards granted under the Plan. All determinations of the Committee are final and binding on all persons having an interest in the Plan or in any Award made under the Plan. The costs and expenses of administering the Plan are borne by our company.

Eligibility

Eligible individuals include employees, officers, directors, consultants and advisors of the Company or any Parent, Subsidiary or Affiliate of the Company, provided such consultants and advisors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. All eligible individuals may receive one or more Awards under the Plan, upon the terms and conditions set forth in the Plan. There is no assurance that an otherwise eligible individual will be selected by the Committee to receive an Award under the Plan. Because future Awards under the Plan will be granted in the discretion of the Committee, the type, number, recipients and other terms of such Awards cannot be determined at this time.

Stock Options

Under the Plan, the Committee is authorized to grant stock options. Stock options may be either designated as non-qualified stock options or incentive stock options. Incentive stock options, which are intended to meet the requirements of Section 422 of the Internal Revenue Code such that a participant can receive potentially favorable tax treatment, may only be granted to employees. Therefore, any stock option granted to consultants and non-employee directors are non-qualified stock options. The tax treatment of incentive and non-qualified stock options is generally described later in this summary. Any shares that are canceled will be made available for future Awards. The Committee, in its sole discretion, determines the terms and conditions of each stock option granted under the Plan, including the grant date, option or strike price (which, in no event, will be less than the par value of a share), the term of each option, exercise conditions and restrictions, conditions of forfeitures, and any other terms, conditions and restrictions consistent with the terms of the Plan, all of which will be evidenced in an individual Award agreement between us and the participant.

Certain limitations apply to incentive stock options. The per share exercise price of an incentive stock option may not be less than 100% of the fair market value of a share of our common stock on the date of the option's grant and the term of any such option shall expire not later than the tenth anniversary of the date of the option's grant. In addition, the per share exercise price of any option granted to a person who, at the time of the grant, owns stock possessing more than 10% of the total combined voting power or value of all classes of our stock must be at least 110% of the fair market value of a share of our common stock on the date of grant and such option shall expire not later than the fifth anniversary of the date of the option's grant.

Options granted under the Plan become exercisable at such times as may be specified by the Committee. However, the aggregate value (determined as of the grant date) of the shares subject to incentive stock options that may become exercisable by a participant in any year may not exceed \$100,000.

Except as otherwise set forth in the Award agreement, options shall expire after a term of five years. However, the maximum term of options granted under the Plan is ten years. If any participant terminates employment due to death or disability or retirement, the portion of his or her option Awards that were exercisable at the time of such termination may be exercised for 12 months from the date of termination (or such shorter time period as may be specified in the Option Agreement), but in any event no later than the expiration date of the Options. In the case of any other termination, the portion of his or her option Awards that were exercisable at the time of such termination may be exercised for three months from the date of termination (or such shorter time period as may be specified in the Option Agreement), but in any event, no later than the expiration date of the Options.

Options may be exercised only by delivery to the Company of a written stock option exercise agreement in a form approved by the Committee (which need not be the same for each Participant). Payment for Shares purchased pursuant to the Plan may be made in cash (by check) or, where expressly approved for the Participant by the Committee and where permitted by law by cancellation of indebtedness of the Company to the Participant; waiver of compensation due or accrued to Participant for services rendered; transfer of Shares owned by the participant; tender of property; with a promissory note in favor of the Company; or by cashless exercise.

Restricted Stock

Under the Plan, the Committee is also authorized to make Awards of restricted stock. A restricted stock Award entitles the participant to all of the rights of a stockholder of our company, including the right to vote the shares and the right to receive any dividends.

An Award of restricted stock will be evidenced by a written agreement between us and the participant. The Award agreement will specify the number of shares of our common stock subject to the Award, the nature and/or length of the restrictions, the conditions that will result in the automatic and complete forfeiture of the shares and the time and manner in which the restrictions will lapse, subject to the Award holder's continued employment by us, and any other terms and conditions the Committee shall impose consistent with the provisions of the Plan. The Committee also determines the amount, if any, that the participant shall pay for the shares of restricted stock. However, the participant must be required to pay at least the par value for each share of restricted stock. Upon the lapse of the restrictions, any legends on the shares of our common stock subject to the Award will be re-issued to the participant without such legend.

Unless the Committee determines otherwise in the Award or other agreement, if a participant terminates employment for any reason, all rights to restricted stock that are then forfeitable will be forfeited. Restricted stock that is forfeited by the participant will again be available for Award under the Plan.

Fair Market Value

Under the Plan, fair market value means the fair market value of the shares based upon (i) the closing selling price of a share of our common stock as quoted on Nasdaq or a national securities exchange on which the stock is traded, if the stock is then traded on Nasdaq or a national securities exchange, or, if no such reported sale takes place on such date, the average of the closing bid and asked prices (ii) the average of the closing bid and ask price per share last quoted on that date by an established quotation service for over-the-counter securities, if the common stock is not then traded on a national securities exchange or (iii) if none of the foregoing is applicable, by the Board of Directors in good faith.

Transferability Restrictions

Awards granted under the Plan, and any interest therein, are not be transferable or assignable by the participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as consistent with the specific Plan and Award Agreement provisions relating thereto.

Termination or Amendment of the Incentive Plan

Unless sooner terminated, no Awards may be granted under the Plan after June 19, 2019. Our Board of Directors may amend or terminate the Plan at any time, but our Board of Directors may not, without stockholder approval, amend the Plan to increase the total number of shares of our common stock reserved for issuance of Awards. In addition, any amendment or modification of the Plan shall be subject to stockholder approval as required by any securities exchange on which our common stock is listed. No amendment or termination may deprive any participant of any rights under Awards previously made under the Plan.

Summary of Federal Income Tax Consequences of the Plan

The following summary is intended only as a general guide as to the federal income tax consequences under current United States law with respect to participation in the Plan and does not attempt to describe all possible federal or other tax consequences of such participation. Furthermore, the tax consequences of awards made under the Plan are complex and subject to change, and a taxpayer's particular situation may be such that some variation of the described rules is applicable.

Options. There are three points in time when a participant and our company could potentially incur federal income tax consequences: date of grant, upon exercise and upon disposition. First, when an option is granted to a participant, the participant does not recognize any income for federal income tax purposes on the date of grant. We similarly do not have any federal income tax consequences at the date of grant. Second, depending upon the type of option, the exercise of an option may or may not result in the recognition of income for federal income tax purposes. With respect to an incentive stock option, a participant will not recognize any ordinary income upon the option's exercise (except that the alternative minimum tax may apply). However, a participant will generally recognize ordinary income upon the exercise of a non-qualified stock option. In this case, the participant will recognize income equal to the difference between the option price and the fair market value of shares purchased pursuant to the option on the date of exercise.

Incentive stock options are subject to certain holding requirements before a participant can dispose of the shares purchased pursuant to the exercise of the option and receive capital gains treatment on any income realized from the exercise of the option. Satisfaction of the holding periods determines the tax treatment of any income realized upon exercise. If a participant disposes of shares acquired upon exercise of an incentive stock option before the end of the applicable holding periods (called a "disqualifying disposition"), the participant must generally recognize ordinary income equal to the lesser of (i) the fair market value of the shares at the date of exercise of the incentive stock option minus the exercise price or (ii) the amount realized upon the disposition of the shares minus the exercise price. Any excess of the fair market value on the date of such disposition over the fair market value on the date of exercise must be recognized as capital gains by the participant. If a participant disposes of shares acquired upon the exercise of an incentive stock option after the applicable holding periods have expired, such disposition generally will result in long-term capital gain or loss measured by the difference between the sale price and the participant's tax "basis" in such shares (generally, in such case, the tax "basis" is the exercise price).

Generally, we will be entitled to a tax deduction in an amount equal to the amount recognized as ordinary income by the participant in connection with the exercise of options. However, we are generally not entitled to a tax deduction relating to amounts that represent capital gains to a participant. Accordingly, if the participant satisfies the requisite holding period with respect to an incentive stock option before disposition to receive the favorable tax treatment accorded incentive stock options, we will not be entitled to any tax deduction with respect to an incentive stock option. In the event the participant has a disqualifying disposition with respect to an incentive stock option, we will be entitled to a tax deduction in an amount equal to the amount that the participant recognized as ordinary income.

Restricted Stock Awards. A participant will not be required to recognize any income for federal income tax purposes upon the grant of shares of restricted stock. With respect to Awards involving shares or other property, such as restricted stock Awards, that contain restrictions as to their transferability and are subject to a substantial risk of forfeiture, the participant must generally recognize ordinary income equal to the fair market value of the shares or other property received at the time the shares or other property become transferable or are no longer subject to a substantial risk of forfeiture, whichever occurs first. We generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant. A participant may elect to be taxed at the time he or she receives shares (e.g., restricted stock) or other property rather than upon the lapse of transferability restrictions or the substantial risk of forfeiture. However, if the participant subsequently forfeits such shares he or she would not be entitled to any tax deduction or, to recognize a loss, for the value of the shares or property on which he or she previously paid tax. Alternatively, if an Award that results in a transfer to the participant of cash, shares or other property does not contain any restrictions as to their transferability and is not subject to a substantial risk of forfeiture, the participant must generally recognize ordinary income equal to the cash or the fair market value of shares or other property actually received. We generally will be entitled to a deduction for the same amount.

Vote Required and Board of Directors' Recommendation

Assuming a quorum is present, the affirmative vote of a majority of the shares present at the Meeting and entitled to vote, either in person or by proxy, is required for approval of Proposal No. 3. For purposes of the approval of amendment of our 2009 Equity Incentive Plan, abstentions will have the same effect as a vote against this proposal and broker non-votes will have no effect on the result of the vote.

The Board of Directors recommends a vote FOR the approval of the amendment to the Company's 2009 Equity Incentive Plan.

PROPOSAL NO. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION (Say-On-Pay)

The Company's seek a non-binding advisory vote from its stockholders to approve the compensation of the Company's executive officers as described under "Executive Compensation" and the tabular disclosure regarding our named executive officers' compensation (together with the accompanying narrative disclosure) in this Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's stockholders the opportunity to express their views on our executive officers' compensation. Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when making future executive officer compensation decisions. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers as described pursuant to applicable SEC rules in this Proxy Statement.

The Company believes that its compensation policies and decisions are designed to deliver a performance-based pay philosophy, are aligned with the long-term interests of the Company's stockholders and are competitive. Our principal compensation policies, which enable it to attract and retain talented executive officers to lead the Company in the achievement of our business objectives, include:

- The Company makes annual cash compensation decisions based on assessment of our performance against measurable financial goals, as well as each executive's individual performance.
- The Company emphasizes long-term incentive compensation awards that collectively reward executive officers based on our performance, external and internal peer equity compensation practices, and the executive officer's job responsibilities.
- The Company designs pay practices to retain a highly talented and experienced senior executive team.
- The Company encourages stock ownership by our senior executive officers.

As a result, the Company is presenting this proposal, which gives you as a stockholder the opportunity to approve, on an advisory basis, the Company's executive officer compensation as disclosed in this Proxy Statement under the heading entitled "Executive Compensation" by voting for or against the following resolution:

RESOLVED, that the compensation paid to the company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby ratified and approved.

Vote Required; Board of Directors Recommendation

This Say-on-Pay proposal is advisory and non-binding. To be approved, on a non-binding advisory basis, this proposal must receive the affirmative vote of a majority of the shares entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting. However, the approval or disapproval of this proposal by stockholders will not require the Board of Directors or the Compensation Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of the Company's Named Executive Officers and on whether, and if so, how, to address stockholder disapproval remains with the Board of Directors and the Compensation Committee. Brokers are prohibited from giving proxies to vote on executive compensation matters unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to Proposal No. 4 if you want your broker to vote your shares on Proposal No. 4.

The Board of Directors believes that the compensation of the executive officers is appropriate and recommends a vote FOR the approval of the executive compensation as described in the compensation discussion and analysis and the compensation tables and otherwise in this Proxy Statement.

**ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE TO APPROVE OUR
EXECUTIVE COMPENSATION PRACTICES**

The Company seeks a non-binding advisory vote from its stockholders regarding the desired frequency for holding a non-binding advisory vote to approve the compensation of our executive officers as described in our annual proxy statements.

This proposal gives our stockholders the opportunity to express their views as to whether the non-binding advisory vote on our executive compensation practices should occur every one, two, or three years. Because your vote is advisory, it will not be binding upon the Board. However, the Board will take into account the outcome of the vote when deciding the frequency of the non-binding advisory vote on its future executive compensation decisions.

The Company recommends that a non-binding advisory vote to approve the compensation of its executive officers as described in its annual proxy statements occur every three years. The Company believes that holding this vote every three years will be the most effective timeframe because it will provide its Board and Compensation Committee with sufficient time to engage with its stockholders following each such vote, to understand any concerns its stockholders may have, and to implement any changes they deem appropriate in response to the vote results. In addition, one aspect of its executive compensation philosophy is the alignment of its executive officers' long-term interests with those of its stockholders, and a vote every three years will provide stockholders with additional time to evaluate the effectiveness of its executive compensation philosophy as it relates to its performance. Nevertheless, although it is the Company's current intention to hold such advisory vote every three years, it may determine that a different frequency is appropriate, either in response to the vote of its stockholders on this Proposal or for other reasons.

Vote Required; Board of Directors Recommendation

While the Company believes its recommendation is appropriate at this time, our stockholders are not voting to approve or disapprove its recommendation, but are instead asked to provide an advisory vote on whether the non-binding advisory vote on the approval of its executive compensation practices should be held every one, two or three years. The option among those choices that obtains a plurality of votes cast by the shares present or represented by proxy and entitled to vote at the Annual Meeting will be deemed to have received the advisory approval of our stockholders.

The Board of Directors recommends that the stockholders cast their advisory votes for holding the non-binding advisory vote to approve its executive compensation practices every "THREE YEARS".

If you wish to have a proposal included in our proxy statement for next year's annual meeting in accordance with Rule 14a-8 under the Exchange Act, your proposal must be received by the Corporate Secretary of China Advanced Construction Materials Group, Inc. at 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, PRC, 100190, no later than the close of business on December 10, 2014. A proposal which is received after that date or which otherwise fails to meet the requirements for stockholder proposals established by the SEC will not be included. The submission of a stockholder proposal does not guarantee that it will be included in the proxy statement.

ANNUAL REPORT ON FORM 10-K

A copy of our Annual Report on Form 10-K, including the financial statements and financial statement schedules, as filed with the SEC for our most recent fiscal year is mailed herewith to all of our stockholders of record as of March 4, 2014. A copy of our Annual Report on Form 10-K is also made available on our website after it is filed with the SEC.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors has no knowledge of any business which will be presented for consideration at the Meeting other than the election of directors and the ratification of the appointment of the accountants of the Company. Should any other matters be properly presented, it is intended that the enclosed proxy card will be voted in accordance with the best judgment of the persons voting the proxies.
