Forward Looking Statements

Statements in this report regarding Transportation and Logistics Systems, Inc. (the “**Company**”) and/or ShypDirect, LLC (“**ShypDirect**”) that are not historical facts are forward-looking statements and are subject to risks and uncertainties that could cause actual future events or results to differ materially from such statements. Any such forward-looking statements, including, but not limited to, financial guidance, are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include all statements that do not directly or exclusively relate to historical facts. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “could,” “would,” “expects,” “plans,” “anticipates,” “intend,” “plan,” “goal,” “seek,” “strategy,” “future,” “likely,” “believes,” “estimates,” “projects,” “forecasts,” “predicts,” “potential,” or the negative of those terms, and similar expressions and comparable terminology. These include, but are not limited to, statements relating to future events or our future financial and operating results, plans, objectives, expectations and intentions. Although we believe that the expectations reflected in these forward-looking statements are reasonable, these expectations may not be achieved. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they represent our intentions, plans, expectations, assumptions and beliefs about future events and are subject to known and unknown risks, uncertainties and other factors outside of our control that could cause our actual results, performance or achievement to differ materially from those expressed or implied by these forward-looking statements. In addition to the risks described above, these risks and uncertainties include: our ability to successfully execute our business strategies, including integration of acquisitions and the future acquisition of other businesses to grow our Company; customers’ cancellation on short notice of master service agreements from which we derive a significant portion of our revenue or our failure to renew such master service agreements on favorable terms or at all; our ability to attract and retain key personnel and skilled labor to meet the requirements of our labor-intensive business or labor difficulties which could have an effect on our ability to bid for and successfully complete contracts; the ultimate geographic spread, duration and severity of the coronavirus outbreak and the effectiveness of actions taken, or actions that may be taken, by governmental authorities to contain the outbreak or ameliorate its effects; our failure to compete effectively in our highly competitive industry could reduce the number of new contracts awarded to us or adversely affect our market share and harm our financial performance; our ability to adopt and master new technologies and adjust certain fixed costs and expenses to adapt to our industry’s and customers’ evolving demands; our history of losses, deficiency in working capital and a stockholders’ deficit and our ability to achieve sustained profitability; material weaknesses in our internal control over financial reporting and our ability to maintain effective controls over financial reporting in the future; our substantial indebtedness could adversely affect our business, financial condition and results of operations and our ability to meet our payment obligations; the impact of new or changed laws, regulations or other industry standards that could adversely affect our ability to conduct our business; and changes in general market, economic, social and political conditions in the United States and global economies or financial markets, including those resulting from natural or man-made disasters.

These forward-looking statements represent our estimates and assumptions only as of the date of this report and, except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise after the date of this report. Given these uncertainties, you should not place undue reliance on these forward-looking statements and should consider various factors, including the risks described, among other places, in our most recent Annual Report on Form 10-K and in our Quarterly Reports on Form 10-Q, as well as any amendments thereto, filed with the Securities and Exchange Commission.

Item 1.02 Termination of a Material Definitive Agreement.

On July 17, 2020, Amazon Logistics, Inc. (“**Amazon**”) notified ShypDirect, LLC (“**ShypDirect**”), a wholly owned subsidiary of Transportation and Logistics Systems, Inc. (the “**Company**”), that Amazon has elected to terminate the Amazon Relay Carrier Terms of Service (the “**Program Agreement**”) between Amazon and ShypDirect effective as of November 14, 2020 (the “**Termination Notice**”).

Amazon did not state a reason for the Termination Notice. Under the Program Agreement, Amazon can terminate the agreement without a reason and solely for convenience on 120 days’ notice. The Company and ShypDirect are currently in discussions with Amazon regarding the possible withdrawal or revision of the Termination Notice. The Company and ShypDirect are hopeful that they can reach a satisfactory resolution to continue their relationship with Amazon, however, they cannot, and do not, give any assurance that an amicable resolution will be possible.

Approximately 6.6% of the Company’s approximately \$31.5 million of revenue reported in its Form 10-K Annual Report for the calendar year ended December 31, 2019, and approximately 34.7% of the Company’s approximately \$8.6 million of revenue reported in its Form 10-Q Quarterly Report for the three months ended March 31, 2020, was attributable to ShypDirect’s mid-mile and long-haul business with Amazon. While a termination of the Amazon mid-mile and long-haul business effective November 14, 2020 will likely have a material adverse impact on the Company’s business in the 4th fiscal quarter of 2020 and thereafter (if the revenue attributable to the Amazon mid-mile and long-haul business cannot be replaced by then), the Company will continue to: (i) seek to expand its last-mile, mid-mile and long-haul business with other non-Amazon customers; (ii) explore other strategic relationships; and (iii) identify potential acquisition opportunities, while continuing to execute our restructuring plan, commenced in February 2020. As previously disclosed, in 2020, we began making last-mile deliveries for one of the largest carriers in the world.
