**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On December 2, 2019, Oxbridge Re Holdings Limited (the "Company") received a letter from the Listing Qualifications Department of The Nasdaq Stock Market ("Nasdaq") notifying the Company that it is not in compliance with Nasdaq Listing Rule 5550(a)(2) because the closing bid price of the Company's common stock (typically referred to by the Company as "ordinary shares") was below the required minimum of \$1.00 per share for the previous 30 consecutive business days.

In accordance with Nasdaq Listing Rules, the Company has a period of 180 calendar days, or until June 1, 2020, to regain compliance with the minimum bid price requirement. If at any time during this 180 day period the closing bid price of the Company's ordinary shares is at least \$1.00 per share for a minimum of 10 consecutive business days, Nasdaq will provide the Company with written confirmation that it has regained compliance and this matter will be closed.

We intend to actively monitor the bid price of our ordinary shares between now and June 1, 2020 and will consider available options to resolve the deficiency and regain compliance with the minimum bid price requirement.

If the Company does not regain compliance with Rule 5550(a)(2) by June 1, 2020, the Company may be eligible for an additional 180-day period to regain compliance. To qualify for this additional 180 day period, the Company would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and would need to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. If the Company meets these requirements, Nasdaq will inform the Company that it has been granted an additional 180 calendar days. However, if it appears to Nasdaq Staff that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, Nasdaq will provide notice that the Company's securities will be subject to delisting. At that time, the Company may appeal the delisting determination to a Hearings Panel.

There can be no assurance that the Company will regain compliance or otherwise maintain compliance with other listing requirements.

**Item 7.01. Regulation FD Disclosure.**
