Annex A

As previously reported, Grom Social Enterprises, Inc., a Florida corporation (the "Company"), has experienced significant disruptions to its business and operations due to circumstances related to COVID-19. Specifically, the Company has significant operations in Manila, Philippines, which was locked down by the government beginning on March 12, 2020, due to concerns related to the spread of COVID-19. As a result of the Philippines government's call to contain COVID-19, the Company's animation studio, located in Manila, Philippines, which generally accounts for the majority of the Company's total revenues on a consolidated basis, has been mostly closed since March 2020. Although the government of the Philippines began easing restrictions in May 2020, an uptick in cases of COVID-19 has caused the government of the Philippines to put Manila on lockdown once again. As a result, the Company expects that a significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2020, including a decrease in revenues of approximately 20% - 25%. The Company has not yet finalized its financial statements for the fiscal quarter ended June 30, 2020. Therefore, the Company is not able to quantify the anticipated changes in its results of operations at this time.
