PROXY STATEMENT

GENERAL INFORMATION

Introduction

This Proxy Statement is furnished to the stockholders of record of Zedge, Inc., a Delaware corporation (the "Company" or "Zedge"), as of the close of business on November 22, 2017, in connection with the solicitation by the Company's Board of Directors (the "Board of Directors") of proxies for use in voting at the Company's Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Wednesday, January 17, 2018 at 11:00 a.m., local time, at the Offices of Zedge, Inc., 22 Cortlandt Street, 14th Floor, New York, New York 10007. The shares of the Company's Class A common stock, par value \$0.01 per share ("Class A Common Stock"), and Class B common stock, par value \$0.01 per share ("Class B Common Stock"), present at the Annual Meeting or represented by the proxies received by Internet or mail (properly marked, dated and executed) and not revoked, will be voted at the Annual Meeting. This Proxy Statement is being mailed to the Company's stockholders starting on approximately December 8, 2017.

Solicitation and Voting Procedures

This solicitation of proxies is being made by the Company. The solicitation is being conducted by mail and by e-mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and any reimbursements paid to brokerage firms and others for their expenses incurred in forwarding the solicitation materials regarding the Annual Meeting to the beneficial owners of Class A Common Stock and Class B Common Stock. The Company may conduct further solicitations personally, by telephone or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on November 22, 2017 has been fixed as the record date (the "Record Date") for determining the holders of shares of Class A Common Stock and Class B Common Stock entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on the Record Date, the Company had 9,966,513 shares outstanding and entitled to vote at the Annual Meeting, consisting of 524,775 shares of Class A Common Stock and 9,441,738 shares of Class B Common Stock.

Stockholders are entitled to three votes for each share of Class A Common Stock held by them and one-tenth of one vote for each share of Class B Common Stock held by them. The holders of Class A Common Stock and Class B Common Stock will vote as a single body on all matters presented to the stockholders. There are no dissenters' rights of appraisal in connection with any proposal.

How do I Vote?

You can vote either in person at the Annual Meeting or by proxy without attending the meeting.

Beneficial holders of Class A Common Stock and Class B Common Stock as of the close of business on the Record Date whose stock is held of record by another party should receive voting instructions from their bank, broker or other holder of record. If a stockholder's shares are held through a nominee and the stockholder wants to vote at the meeting, such stockholder must obtain a proxy from the nominee record holder authorizing such stockholder to vote at the Annual Meeting.

Stockholders of record should receive a paper copy of our proxy materials and may vote by following the instructions on the proxy card that is included with the proxy materials. As set forth on the proxy card, there are two convenient methods for holders of record to direct their vote by proxy without attending the Annual Meeting: on the

Internet or by mail. To vote by Internet, visit www.voteproxy.com. To vote by mail, mark, date and sign the enclosed proxy card and return it in the postage-paid envelope provided. Holders of record may also vote by attending the Annual Meeting and voting by ballot.

All shares for which a proxy has been duly executed and delivered (by Internet or mail) and not properly revoked prior to the meeting will be voted at the Annual Meeting. If a stockholder of record signs and returns a proxy card but does not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors. If any other matters are properly presented at the Annual Meeting for consideration and if you have voted your shares by Internet or mail, the persons named as proxies will have the discretion to vote on those matters for you. On the date of filing this Proxy Statement with the Securities and Exchange Commission (the "SEC"), the Board of Directors did not know of any other matter to be raised at the Annual Meeting.

How Can I Change My Vote?

A stockholder of record can revoke his, her or its proxy at any time before it is voted at the Annual Meeting by delivering to the Company (to the attention of Joyce J. Mason, Esq., Corporate Secretary) a written notice of revocation or by executing a later-dated proxy by Internet or mail, or by attending the Annual Meeting and voting in person.

If your shares are held in the name of a bank, broker, or other nominee, you must obtain a proxy executed in your favor from the holder of record (that is, your bank, broker, or nominee) to be able to vote at the Annual Meeting.

Quorum and Vote Required

The presence at the Annual Meeting of a majority of the voting power of outstanding Class A Common Stock and Class B Common Stock (voting together as a single class), either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstention votes and any broker non-votes (i.e., votes withheld by brokers on non-routine proposals in the absence of instructions from beneficial owners) will be counted as present or represented at the Annual Meeting for purposes of determining whether a quorum exists.

The affirmative vote of a majority of the voting power present (in person or by proxy) at the Annual Meeting and casting a vote on the relevant Proposal will be required for the approval of the election of any director (Proposal No. 1), the amendment to the Company's 2016 Stock Option and Incentive Plan, as amended and restated (the "2016 Plan") (Proposal No. 2), the approval, on an advisory basis, of the compensation of our Named Executive Officers (Proposal No. 3), and the ratification of the appointment of the Company's independent registered public accounting firm (Proposal No. 4). This means that the number of votes cast "for" a director nominee or Proposal Nos. 2, 3 and 4 must exceed the number of votes cast "against" that nominee or Proposals Nos. 2, 3 and 4. Abstentions are not counted as votes "for" or "against" a nominee or any of these proposals.

If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a "broker non-vote." In these cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required under the rules of the NYSE American. In the event of a broker non-vote or an abstention with respect to any proposal coming before the Annual Meeting, the shares represented by the relevant proxy will not be deemed to be present and entitled to vote on those proposals for the purpose of determining the total number of shares of which a majority is required for adoption, having the practical effect of reducing the number of affirmative votes required to achieve a majority vote for such matters by reducing the total number of shares from which a majority is calculated.

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under NYSE American rules to vote your shares on the ratification of the Company's independent registered public accounting firm (Proposal No. 4), even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors (Proposal No. 1), the adoption of an amendment to the 2016 Plan (Proposal No. 2), the approval, on an advisory basis, of the compensation of our Named Executive Officers (Proposal No. 3), or on any stockholder proposal or other matter raised at the Annual Meeting without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters.

How Many Votes Are Required to Approve Other Matters?

Unless otherwise required by law or the Company's Bylaws, the affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote will be required for other matters that may properly come before the meeting.

Stockholders Sharing the Same Address

We are sending only one copy of the Annual Report and Proxy Statement to stockholders of record who share the same last name and address, unless they have notified the Company that they want to continue to receive multiple copies. This practice, known as "householding," is designed to reduce duplicate mailings and printings and postage costs. However, if any stockholder residing at such address wishes to receive a separate Annual Report or Proxy Statement in the future, he or she may contact Joyce J. Mason, Esq., Corporate Secretary, Zedge, Inc., 22 Cortlandt Street, 14th Floor, New York, New York 10007, or by phone at (330) 577-3424, and we will promptly forward to such stockholder a separate Annual Report and/or Proxy Statement. The contact information above may also be used by members of the same household currently receiving multiple copies of the Annual Report and Proxy Statement in order to request that only one set of materials be sent in the future.

References to Fiscal Years

The Company's fiscal year ends on July 31 of each calendar year. Each reference to a fiscal year refers to the fiscal year ending in the calendar year indicated (e.g., Fiscal 2017 refers to the fiscal year ended July 31, 2017).

Introduction

The Company has in place a comprehensive corporate governance framework that reflects the corporate governance requirements and the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended, and the corporate governance-related listing requirements of the NYSE American. Consistent with the Company's commitment to strong corporate governance, the Company does not rely on the exceptions from the NYSE American's corporate governance listing requirements available to it because it is a "controlled company," except as described below with regard to (i) the composition of the Nominating Committee and (ii) the Company not having a single Nominating/Corporate Governance Committee.

In accordance with applicable sections of the NYSE American Company Guide, the Company has adopted a set of Corporate Governance Guidelines and a Code of Business Conduct and Ethics, the full texts of which are available for your review in the Corporate Governance section of our website at <http://investor.zedge.net/corporate-governance/governance-documents> and which also are available in print to any stockholder upon written request to the Corporate Secretary.

The Company qualifies as a "controlled company" as defined by the NYSE American Company Guide, because, since October 25, 2016, more than 50% of the voting power of the outstanding capital stock of the Company is controlled by one individual, Michael Jonas, who serves as our Executive Chairman and Chairman of our Board of Directors. Upon our spin-off (the "Spin-Off") from IDT Corporation ("IDT") which was effected on June 1, 2016 until October 25, 2016, the Company was a "controlled company" because Howard S. Jonas, who currently serves as Vice-Chairman of our Board of Directors and is the father of Michael Jonas, controlled more than 50% of the voting power of the outstanding capital stock of the Company. Notwithstanding that being a "controlled company" entitles the Company to exempt itself from the requirement that a majority of its directors be independent directors and that the Compensation Committee and Corporate Governance Committee be comprised entirely of independent directors, the Board of Directors has determined affirmatively that a majority of the members of the Board of Directors and the director nominees are independent in accordance with the NYSE American Company Guide and that the Compensation Committee and the Corporate Governance Committee are in fact comprised entirely of independent directors. As a "controlled company," the Company may, and has chosen to, exempt itself from the NYSE American Company Guide requirement that it have a single Nominating/Corporate Governance Committee composed entirely of independent directors. As noted above, and discussed in greater detail below, the Board of Directors maintains a separate Corporate Governance Committee comprised entirely of independent directors, and a Nominating Committee comprised of the Chairman of the Board of Directors and one independent director.

Director Independence

The Corporate Governance Guidelines adopted by the Board of Directors provide that a majority of the members of the Board of Directors, and each member of the Audit, Compensation and Corporate Governance Committees, must meet the independence requirements set forth therein. The full text of the Corporate Governance Guidelines, including the independence requirements, is available for your review in the Corporate Governance section of our website at <http://investor.zedge.net/corporate-governance/governance-documents>. For a director to be considered independent, the Board of Directors must determine that a director meets the Independent Director Qualification Standards set forth in the Corporate Governance Guidelines, which comply with the NYSE American Company Guide definitions of independent, and is free from any material relationship with the Company and its executive officers. The Board of Directors considers all relevant facts and circumstances known to it in making an independence determination, and not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation or significant financial interest. In addition to considering all relevant information available to it, the Board of Directors uses the following categorical Independent Director Qualification Standards in determining the "independence" of its directors:

1. During the past three years, the Company shall not have employed the director, or, except in a non-officer capacity, any of the director's immediate family members;
2. During the past three years, the director shall not have received, and shall not have an immediate family member who has received, during any twelve-month period within the last three years, more than

\$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

3. (a) The director shall not be a current partner or employee of a firm that is the Company's internal or external auditor, (b) the director shall not have an immediate family member who is a current partner of such firm, (c) the director shall not have an immediate family member who is a current employee of such firm and personally works on the Company's audit, and (d) neither the director nor any of his or her immediate family members shall have been, within the last three years, a partner or employee of such firm and personally worked on the Company's audit within that time;
4. Neither the director, nor any of his or her immediate family members, shall be, or shall have been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation (or equivalent) committee; and
5. The director shall not be a current employee and shall not have an immediate family member who is a current executive officer of a company (excluding tax-exempt organizations) that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three Fiscal Years, exceeds the greater of (a) \$200,000 or (b) five percent of the consolidated gross revenues of such other company. The Corporate Governance Committee will review the materiality of such relationship to tax-exempt organizations to determine if such director qualifies as independent.

In addition, all members of the Company's Audit Committee must meet the independence requirements of Section 2014.10A-3 of the Securities Exchange Act of 1934, which are set forth in the Audit Committee Charter.

Based on the review and recommendation of the Corporate Governance Committee, the Board of Directors has determined that each of Todd Feldman, Mark Ghermezian, Elliot Gibber and Stephen Greenberg is independent in accordance with the Corporate Governance Guidelines and the Audit Committee Charter and, thus, that a majority of the current Board of Directors, a majority of the director nominees, and each member or nominee intended to become a member of the Audit, Compensation and Corporate Governance Committees is independent. As used herein, the term "non-employee director" shall mean any director who is not an employee or consultant of the Company, and who is deemed to be independent by the Board of Directors. Therefore, neither Howard S. Jonas nor Michael Jonas is a non-employee director. With the exception of \$135,350 that the Company paid in Fiscal 2017 to Appboy, Inc., of which Mark Ghermezian serves as the Executive Chairman, co-founder, and one of six members of the board of directors, for use of its customer relationship management and lifecycle marketing platform, none of the non-employee directors had any relationships with the Company that the Corporate Governance Committee was required to consider when reviewing independence. The Corporate Governance Committee considered that Appboy is a venture-backed company in which Mr. Ghermezian beneficially owns only a partial interest, and that Mr. Ghermezian does not receive any compensation for payments made by Zedge to Appboy. Based on the foregoing, the Corporate Governance Committee and the Board of Directors determined that the Zedge/Appboy relationship does not preclude a finding of independence for Mr. Ghermezian. The Corporate Governance Committee considered that a company owned by Elliot Gibber, a director nominee, leases office space from IDT Corporation, a company controlled by Howard S. Jonas, the Company's Vice-Chairman of the Board. Howard S. Jonas does not receive any compensation for payments made by Mr. Gibber's company to IDT Corporation. Based on the foregoing, the Corporate Governance Committee and the Board of Directors determined that the Elliot Gibber/Howard Jonas relationship does not preclude a finding of independence for Mr. Gibber.

Director Selection Process

The Nominating Committee will consider director candidates recommended by the Company's stockholders. Stockholders may recommend director candidates by contacting the Chairman of the Board, whose contact information is provided below under the heading "Director Communications." The Nominating Committee considers candidates suggested by its members, other directors, senior management and stockholders in anticipation of upcoming elections and actual or expected board vacancies. All candidates, including those recommended by stockholders, are evaluated on the same basis in light of the entirety of their credentials and the needs of the Board of Directors and the Company. Of particular importance is the candidate's wisdom, integrity, ability to make independent analytical inquiries, understanding of the business environment in which the Company operates, as well

as his or her potential contribution to the diversity of the Board of Directors and his or her willingness to devote adequate time to fulfill duties as a director. Under "Proposal No. 1 — Election of Directors" below, we provide an overview of each nominee's experience, qualifications, attributes and skills that led the Nominating Committee and the Board of Directors to determine that each nominee should serve as a Director.

Director Communications

Stockholders and other interested parties may communicate with (i) the non-management directors by contacting the Lead Independent Director, and (ii) the Audit, Compensation or Corporate Governance Committees of the Board of Directors by contacting the Chairs of such committees. All communications should be in writing, should indicate in the address whether it is intended for the Lead Independent Director, or a Committee Chair, and should be directed care of Zedge, Inc.'s Corporate Secretary, Stockholder Communications, Zedge, Inc., 22 Cortlandt Street, 14th Floor, New York, NY 10007.

The Corporate Secretary will relay correspondence (i) intended for the non-management directors to the Lead Independent Director, and (ii) intended for the Audit, Compensation, and Corporate Governance Committees to the Chairs of such committees.

The Corporate Secretary may filter out and disregard (without providing a copy to the directors or advising them of the communication), or may otherwise handle at his or her discretion, any director communication that is described by one of the following categories:

- Obscene materials
- Unsolicited marketing or advertising material or mass mailings
- Unsolicited newsletters, newspapers, magazines, books and publications
- Surveys and questionnaires
- Resumes and other forms of job inquiries
- Requests for business contacts or referrals
- Material that is threatening or illegal
- Any communications or materials that are not in writing

In addition, the Corporate Secretary may handle in his or her discretion any director communication that can be described as an "ordinary business matter." Such matters include the following:

- Routine questions, service and product complaints and comments that can be appropriately addressed by management; and
- Routine invoices, bills, account statements and related communications that can be appropriately addressed by management

Board of Directors

On May 23, 2016, each of Michael Jonas, Howard S. Jonas, Stephen Greenberg and Mark Ghermezian were elected as directors and continue to serve as directors. Todd Feldman, who was elected on March 15, 2017, also serves as a director. Marie T. Carney served as a director during Fiscal 2017 until her resignation as a director on March 15, 2017. The Company's Amended and Restated By-Laws enable the Chairman of the Board to appoint an *ex-officio* (non-voting) director to serve on the Board. Howard S. Jonas, then Chairman of the Board, appointed Tom Arnoy to serve in this capacity on June 2, 2016, and Michael Jonas affirmed this appointment on November 14, 2016 when he became the Chairman of the Board.

The Board nominated each of Michael Jonas, Howard S. Jonas, Todd Feldman and Mark Ghermezian for re-election, but has determined not to nominate Stephen Greenberg for re-election. The Board has determined to also nominate Elliot Gibber for election as a director.

The Board of Directors held five meetings in Fiscal 2017. In Fiscal 2017, each of the Company's directors attended or participated in 75% or more of the aggregate of (i) the total number of regularly scheduled meetings of the Board of Directors held during the period in which each such director served as a director and (ii) the total number of regularly scheduled meetings held by all committees of the Board of Directors during the period in which each such director served on such committees.

Directors are encouraged to attend the Company's annual meeting of stockholders, and the Company has scheduled a meeting of the Board of Directors on the same date and at the same place as the 2018 Annual Meeting of Stockholders to encourage director attendance.

Board of Directors Leadership Structure and Risk Oversight Role

Our Chairman of the Board, Michael Jonas, provides overall leadership to the Board of Directors. The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership, and that given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. The Board has determined that, given Michael Jonas' leadership skills, relationships with the members of management and other members of the Board, and prior positions where he acted as leader and provided oversight over different bodies, he is well suited to be the Chairman of the Board at the present time. Michael Jonas has been Chairman of the Board since November 14, 2016 and Executive Chairman since October 18, 2017. Howard S. Jonas, the father of Michael Jonas and current Vice-Chairman of the Board, served as Chairman of the Board from June 2, 2016 until November 14, 2016.

The Board of Directors as a whole, and through its committees, has responsibility for the oversight of risk management, including the review of the policies with respect to risk management and risk assessment. The risk management oversight roles of the Audit, Compensation and Corporate Governance Committees (each of which is comprised solely of independent directors), discussed below, provide an appropriate and effective balance to the role of the Chairman of the Board. With the oversight of the full Board of Directors, the Company's management is responsible for the day-to-day management of the material risks the Company faces. The Board of Directors is required to satisfy itself that the risk management process implemented by management is adequate and functioning as designed.

The NYSE American Company Guide requires that the non-employee directors of the Company meet at least annually in executive session without the presence of non-independent directors and management. These executive sessions are held at every regularly scheduled meeting of the Board of Directors.

Mr. Ghermezian, an independent director, has served as the "Lead Independent Director" since June 2, 2016.

As stated above, each of the Audit, Compensation and Corporate Governance Committees oversees certain aspects of risk management and reports its respective findings to the full Board of Directors on a quarterly basis, and as is otherwise needed. The Audit Committee is responsible for overseeing risk management of financial

matters, financial reporting, the adequacy of the risk-related internal controls, internal investigations, and security risks. The Compensation Committee oversees risks related to compensation policies and practices. The Corporate Governance Committee oversees our Corporate Governance Guidelines and governance-related risks, such as board independence, as well as senior management and director succession planning.

Board Committees

The Board of Directors has established an Audit Committee, a Compensation Committee, a Corporate Governance Committee and a Nominating Committee.

The Audit Committee

The Audit Committee currently consists of Messrs. Greenberg (Chairman), Feldman and Ghermezian. The Audit Committee operates under a written Audit Committee charter adopted by the Board of Directors, which can be found in the Corporate Governance section of our web site, <http://investor.zedge.net/corporate-governance/governance-documents>, and is also available in print to any stockholder upon request to the Corporate Secretary. The principal duties of the Audit Committee under its written charter include: (i) responsibilities associated with our external and internal audit staffing and planning; (ii) accounting and financial reporting issues associated with our financial statements and filings with the SEC; (iii) financial and accounting organization and internal controls; (iv) auditor independence and approval of non-audit services; and (v) "whistle-blower" procedures for reporting questionable accounting and audit practices. The Audit Committee held five meetings during Fiscal 2017.

The Board of Directors has determined that (i) all of the members of the Audit Committee are independent within the meaning of the applicable NYSE American listing standards and the Sarbanes-Oxley Act of 2002, and (ii) Mr. Greenberg qualifies as an "audit committee financial expert," as determined by the Board of Directors in accordance with SEC rules.

The Compensation Committee

The Compensation Committee currently consists of Messrs. Ghermezian (Chairman), Feldman and Greenberg. The Compensation Committee operates under a written charter adopted by the Board of Directors, which can be found in the Corporate Governance section of our web site, <http://investor.zedge.net/corporate-governance/governance-documents>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Compensation Committee is responsible for, among other things, reviewing, evaluating and approving all compensation arrangements for the executive officers of the Company, evaluating the performance of executive officers, administering the 2016 Plan and its predecessor, the Company's 2008 Stock Option and Incentive Plan, as amended and restated, and recommending to the Board of Directors the nature and amount of the compensation for Board members, such as retainers, committee and other fees, stock option, restricted stock and other stock awards, and other similar compensation as deemed appropriate. The Compensation Committee confers with the Company's executive officers when making the above determinations. The Compensation Committee held five meetings during Fiscal 2017. The Board of Directors has determined that all of the members of the Compensation Committee are independent within the applicable NYSE American listing standards.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee have (1) served as an officer or employee of the Company or (2) any relationship with the Company that is required to be disclosed under the heading "Related Person Transactions" with the exception of \$135,350 that the Company paid in Fiscal 2017 to Appboy, Inc., of which Mark Ghermezian serves as the Executive Chairman, co-founder, and one of six members of the board of directors, for use of its customer relationship management and lifecycle marketing platform. No executive officer of the Company served or serves on the compensation committee or board of any company that employed or employs any member of the Company's Compensation Committee or Board of Directors.

The Corporate Governance Committee

The Corporate Governance Committee currently consists of Messrs. Feldman (Chairman), Ghermezian and Greenberg. The Corporate Governance Committee operates under a written charter adopted by the Board of Directors, which can be found in the Corporate Governance section of our web site, <http://investor.zedge.net/corporate-governance/governance-documents>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Corporate Governance Committee is responsible for, among other things, reviewing and reporting to the Board of Directors on matters involving relationships among the Board of Directors, the stockholders and senior management. The Corporate Governance Committee reviews (i) the Corporate Governance Guidelines and other policies and governing documents of the Company and recommends revisions as appropriate, (ii) any potential conflicts of interest of independent directors, (iii) related person transactions, and (iv) and determines director independence, and makes recommendations to the Board of Directors regarding director independence. The Corporate Governance Committee held four meetings in Fiscal 2017. The Board of Directors has determined that all of the members of the Corporate Governance Committee are independent within the applicable NYSE American listing standards.

The Nominating Committee

The Nominating Committee currently consists of Mr. Michael Jonas and Mr. Greenberg. The Nominating Committee operates under a written charter adopted by the Board of Directors, which can be found in the Corporate Governance section of our web site, <http://investor.zedge.net/corporate-governance/governance-documents>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Nominating Committee is responsible for overseeing nominations to the Board of Directors, including: (i) developing the criteria and qualifications for membership on the Board of Directors; (ii) recommending candidates to fill new or vacant positions on the Board of Directors; and (iii) conducting appropriate inquiries into the backgrounds of potential candidates. A summary of new director qualifications can be found above under the heading "Director Selection Process." The Board of Directors has determined that Mr. Greenberg is independent within the applicable NYSE American listing standards. Howard S. Jonas is not independent. The Company, as a "controlled company," is exempt from the requirement to maintain an independent nominating committee pursuant to the NYSE American Company Guide. The Nominating Committee held one meeting in Fiscal 2017.

Annual compensation for non-employee directors for Fiscal 2017 was comprised of equity compensation, consisting of awards of shares of fully vested restricted Class B Common Stock, and cash compensation.

Pursuant to the 2016 Plan, each non-employee director of the Company who is determined to be independent, will receive, on each January 5th (or the following business day if January 5th is not a business day), total compensation of \$50,000 if such person served as a non-employee director during the entire prior calendar year. A non-employee director who became a non-employee director during the prior calendar year and who is determined to be independent will instead receive a pro-rata amount (based on the number of quarter(s) of service since the date the non-employee director was appointed as a non-employee director) of the total compensation amount on their first January 5th as a non-employee director. If the market value of our capital stock is \$40 million or higher based on a thirty-day average ending on the relevant measurement period, all compensation will be in the form of shares of fully vested restricted Class B Common Stock. If our market capitalization is less than \$40 million using the same formulation, a pro-rata portion of the compensation will be paid in cash. The cash portion shall be pro-rated based on the difference between \$40 million and our market capitalization. For example, if our market capitalization is \$30 million, each independent, non-employee director who served as such during the entire prior year would receive \$12,500 in cash and the remaining in shares of fully vested restricted Class B Common Stock. The measurement period for determining the Company's market capitalization is the average of the closing prices during December of the year preceding the applicable January 5th.

Payments of independent, non-employee directors' fees are made in January following attendance of at least 75% of the regularly scheduled Board of Directors meetings during the preceding calendar year, and, when applicable for independent, non-employee directors who joined the Board of Directors in such prior calendar year, are pro-rated based on the calendar quarter since such director joined the Board of Directors if such director attended at least 75% of the applicable board meetings for such partial calendar year. For any non-employee director who departed from the Board of Directors during the prior calendar year, directors' fees are made in January and are pro-rated based on the number of full calendar quarters that such director was a member of the Board of Directors, if such director attended 75% of the applicable board meetings for such partial calendar year.

The Company's Chairman of the Board of Directors may, in his or her discretion, waive the requirement of 75% attendance by a director to receive the annual retainer in the case of mitigating circumstances. Directors are not entitled to additional compensation for serving on committees of the Board of Directors and are not entitled to per-meeting fees.

During Fiscal 2017, pursuant to the 2016 Plan, each of the non-employee directors who was a director on January 5, 2017 (Ms. Carney and Messrs. Ghermezian and Greenberg) received a cash payment of \$6,813 and a grant of 5,783 shares of fully vested restricted Class B Common Stock for service provided in calendar 2016. Such compensation was pro-rated based on the number of quarters that each such non-employee director was a non-employee director during calendar 2016.

Director Board Retainers

Other than as provided pursuant to the 2016 Plan as described above, a retainer is not paid for serving as an independent, non-employee director.

Committee Fees

Independent, non-employee directors do not receive fees for committee service, serving as chairs of committees or serving as the audit committee financial expert (currently Mr. Greenberg).

Lead Independent Director

The Lead Independent Director (currently Mr. Ghermezian) does not receive an additional fee for serving in such position.

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S
2016 STOCK OPTION AND INCENTIVE PLAN**

The Company's stockholders are being asked to approve an amendment to the Company's 2016 Stock Option and Incentive Plan (the "2016 Plan") that will, among other things, (a) increase the number of shares of Class B Common Stock available for the grant of awards thereunder by 350,000, and (b) modify the independent, non-employee directors' annual automatic grant of \$50,000 to provide that the Compensation Committee may elect to pay any or all of such \$50,000 in cash instead of shares of fully vested restricted Class B Common Stock. The Board of Directors adopted the proposed amendment to the 2016 Plan on November 9, 2017, subject to stockholder approval at the Annual Meeting. Currently, the 2016 Plan provides that the each independent, non-employee director will be awarded on each January 5th an award of \$50,000 of shares of fully vested restricted Class B Common Stock if such person served as an independent, non-employee director for all of the prior calendar year; provided, however, if the Company's market capitalization is less than \$40 million, as calculated in the 2016 Plan, a pro rata portion of the \$50,000 would be paid in cash and the remainder would be paid with shares of fully vested restricted Class B Common Stock.

The Board of Directors believes that the proposed amendment to increase the number of shares of Class B Common Stock available for the grant of awards thereunder by 350,000 is necessary in order to provide the Company with a sufficient reserve of shares of Class B Common Stock for future grants needed to attract and retain the services of key employees, directors and consultants of the Company essential to the Company's long-term success. The Board of Directors believes that the proposed amendments to modify the non-employee directors' annual automatic grant are necessary to attract and retain the services of non-employee directors of the Company essential to the Company's long-term success.

The proposed amendment has been approved by the Compensation Committee and the Board of Directors, and is being submitted for a stockholder vote in order to enable the Company to grant, among other equity grants permitted pursuant to the 2016 Plan, options which are incentive stock options ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"); and because such approval may be required or advisable in connection with (i) the provisions set forth in Section 162(m) of the Code relating to the deductibility of certain compensation (ii) the provisions set forth in Rule 16b-3 promulgated under the Exchange Act and (iii) the rules and regulations applicable to NYSE American-listed companies.

The following description of the 2016 Plan, *as proposed to be amended by this Proposal*, is a summary, does not purport to be complete and is qualified in its entirety by the full text of the 2016 Plan, as proposed to be amended. A copy of the 2016 Plan, as proposed to be amended, is attached hereto as Exhibit A and has been filed with the SEC with this Proxy Statement.

DESCRIPTION OF THE 2016 PLAN

Pursuant to the 2016 Plan, officers, employees, directors and consultants of the Company and its subsidiaries are eligible to receive awards of stock options and restricted stock. There are approximately 60 employees and directors eligible for grants under the 2016 Plan. Options granted under the 2016 Plan may be ISOs or non-qualified stock options ("NQSOs"). Restricted stock may be granted in addition to or in lieu of any other award made under the 2016 Plan.

The maximum number of shares reserved for the grant of awards under the 2016 Plan is 1,041,000 shares of Class B Common Stock (including the 350,000 shares of Class B Common Stock reserved subject to approval of the stockholders). Such share reserves are subject to further adjustment in the event of specified changes to the capital structure of the Company. The shares may be made available either from the Company's authorized but unissued capital stock or from capital stock reacquired by the Company.

The Compensation Committee administers the 2016 Plan. Subject to the provisions of the 2016 Plan, the Compensation Committee determines the type of awards, when and to whom awards will be granted, the number and class of shares covered by each award and the terms, provisions and kind of consideration payable (if any), with respect to awards. The Compensation Committee may interpret the 2016 Plan and may at any time adopt such

rules and regulations for the 2016 Plan as it deems advisable, including the delegation of certain of its authority. In determining the persons to whom awards shall be granted and the number of shares covered by each award, the Compensation Committee takes into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Compensation Committee deems relevant.

An option may be granted on such terms and conditions as the Compensation Committee may approve, and generally may be exercised for a period of up to ten years from the date of grant. Generally, ISOs will be granted with an exercise price equal to the "Fair Market Value" (as defined in the 2016 Plan) on the date of grant. In the case of ISOs, certain limitations will apply with respect to the aggregate value of option shares which can become exercisable for the first time during any one calendar year, and certain additional limitations will apply to ISOs granted to "Ten Percent Stockholders" of the Company (as defined in the 2016 Plan). The Compensation Committee may provide for the payment of the option price in cash, by delivery of Class B Common Stock having a Fair Market Value equal to such option price, by a combination thereof or by any other method. Options granted under the 2016 Plan will become exercisable at such times and under such conditions as the Compensation Committee shall determine, subject to acceleration of the exercisability of options in the event of, among other things, a "Change in Control," a "Corporate Transaction" or a "Related Entity Disposition" (in each case, as defined in the 2016 Plan).

On each January 5th (or the next business day if January 5th is not a business day) each of the Company's non-employee directors (as defined in the 2016 Plan) who is determined to be independent shall automatically be awarded shares of restricted Class B Common Stock worth \$50,000 based on the average closing prices of the Class B Common Stock on the NYSE American for the December preceding the date of grant; provided, however, that the Compensation Committee may elect to pay any or all of such \$50,000 in cash instead of shares of restricted Class B Common Stock. New non-employee directors who are determined to be independent will receive a pro-rata amount (based on the number of quarters of service for such calendar year since their election to the Board) of such annual grant on their first January 5th as an independent, non-employee director. Such awards of shares of restricted Class B Common Stock shall vest in full immediately upon grant.

The 2016 Plan provides for the granting of restricted stock awards, which are awards of shares of Class B Common Stock that may not be disposed of, except by will or the laws of descent and distribution, for such period as the Compensation Committee determines (the "restricted period"). The Compensation Committee may also impose such other conditions and restrictions, if any, on the shares as it deems appropriate, including the satisfaction of performance criteria. All restrictions affecting the awarded shares lapse in the event of a Change in Control, a Corporate Transaction or a Related Entity Disposition.

During the restricted period for a restricted stock award, the grantee will be entitled to receive dividends with respect to, and to vote, the shares of restricted stock awarded to him or her. If, during the restricted period, the grantee's service with the Company terminates, any shares remaining subject to restrictions will be forfeited. The Compensation Committee has the authority to cancel any or all outstanding restrictions prior to the end of the restricted period, including cancellation of restrictions in connection with certain types of termination of service.

The Board of Directors may at any time and from time to time suspend, amend, modify or terminate the 2016 Plan; provided, however, that, to the extent required by any other law, regulation or stock exchange rule, no such change shall be effective without the requisite approval of the Company's stockholders. In addition, no such change may adversely affect an award previously granted, except with the written consent of the grantee.

No awards may be granted under the 2016 Plan after May 23, 2026, ten years from the Board's adoption of the 2016 Plan.

ISOs are not assignable or transferable except by the laws of descent and distribution. NQSOs may be transferred to the extent permitted by the Compensation Committee. Holders of NQSOs are permitted to transfer such NQSOs for no consideration to such holder's "family members" (as defined in Form S-8) with the prior approval of the Compensation Committee.

The Company cannot now determine the number of options or other awards to be granted in the future under the 2016 Plan to executive officers, directors, employees and consultants.

The Company believes that, under present law, the following are the U.S. federal income tax consequences generally arising with respect to awards under the 2016 Plan:

Incentive Stock Options. ISOs granted under the 2016 Plan are intended to meet the definitional requirements of Section 422(b) of the Code for “incentive stock options.” A participant who receives an ISO does not recognize any taxable income upon the grant of such ISO. Similarly, the exercise of an ISO generally does not give rise to federal taxable income to the participant, provided that (i) the federal “alternative minimum tax,” which depends on the participant’s particular tax situation, does not apply and (ii) the participant is employed by the Company from the date of grant of the option until three months prior to the exercise thereof, except where such employment or service terminates by reason of disability or death (where the three month period is extended to one year).

Further, if after exercising an ISO, a participant disposes of Class B Common Stock so acquired more than two years from the date of grant and more than one year from the date of transfer of Class B Common Stock pursuant to the exercise of such ISO (the “applicable holding period”), the participant will normally recognize a long-term capital gain or loss equal to the difference, if any, between the amount received for the shares and the exercise price. If, however, the participant does not hold the shares so acquired for the applicable holding period — thereby making a “disqualifying disposition” — the participant would realize ordinary income on the excess of the fair market value of the shares at the time the ISO was exercised over the exercise price, and the balance of income, if any, would be long-term capital gain (provided the holding period for the shares exceeded one year and the participant held such shares as a capital asset at such time).

A participant who exercises an ISO by delivering shares of Class B Common Stock previously acquired pursuant to the exercise of another ISO is treated as making a “disqualifying disposition” of such Class B Common Stock if such shares are delivered before the expiration of their applicable holding period. Upon the exercise of an ISO with previously acquired shares as to which no disqualifying disposition occurs, the participant would not recognize gain or loss with respect to such previously acquired shares. The Company will not be allowed a federal income tax deduction upon the grant or exercise of an ISO or the disposition, after the applicable holding period, of the Class B Common Stock acquired upon exercise of an ISO. In the event of a disqualifying disposition, the Company generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code (discussed below) do not apply.

Non-Qualified Stock Options. Non-qualified stock options granted under the 2016 Plan are options that do not qualify as ISOs. A participant who receives an NQSO will not recognize any taxable income upon the grant of such NQSO. However, the participant generally will recognize ordinary income upon exercise of an NQSO in an amount equal to the excess of (i) the fair market value of the shares of Class B Common Stock at the time of exercise over (ii) the exercise price.

The ordinary income recognized with respect to the receipt of shares or cash upon exercise of a NQSO will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying the withholding tax liabilities that arise upon the exercise of a NQSO, the Company may satisfy the liability in whole or in part by withholding shares of Class B Common Stock from those that otherwise would be issuable to the participant or by the participant tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises.

A federal income tax deduction generally will be allowed to the Company in an amount equal to the ordinary income recognized by the individual with respect to his or her NQSO, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

If a participant exercises an NQSO by delivering shares of Class B Common Stock to the Company, other than shares previously acquired pursuant to the exercise of an ISO which is treated as a “disqualifying disposition” as described above, the participant will not recognize gain or loss with respect to the exchange of such shares, even if their then fair market value is different from the participant’s tax basis. The participant, however, will be taxed as described above with respect to the exercise of the NQSO as if he or she had paid the exercise price in cash, and the Company likewise generally will be entitled to an equivalent tax deduction.

Other Awards. With respect to other awards under the 2016 Plan that are settled either in cash or in shares of Class B Common Stock that are either transferable or not subject to a substantial risk of forfeiture (as defined in the Code and the regulations thereunder), participants generally will recognize ordinary income equal to the amount of cash or the fair market value of Class B Common Stock received.

With respect to restricted stock awards under the 2016 Plan that are restricted to transferability and subject to a substantial risk of forfeiture — absent a written election pursuant to Section 83(b) of the Code filed with the Internal Revenue Service within 30 days after the date of transfer of such shares pursuant to the award (a “Section 83(b) election”) — a participant will recognize ordinary income at the earlier of the time at which (i) the shares become transferable or (ii) the restrictions that impose a substantial risk of forfeiture of such shares lapse, in an amount equal to the excess of the fair market value (on such date) of such shares over the price paid for the award, if any. If a Section 83(b) election is made, the participant will recognize ordinary income, as of the transfer date, in an amount equal to the excess of the fair market value of Class B Common Stock as of that date over the price paid for such award, if any.

The ordinary income recognized with respect to the receipt of cash, shares of Class B Common Stock or other property under the 2016 Plan will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying withholding tax liabilities that arise with respect to the delivery of cash or property (or vesting thereof), the Company may satisfy the liability in whole or in part by withholding shares of Class B Common Stock from those that would otherwise be issuable to the participant or by the participant tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises.

The Company generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

Change in Control. In general, if the total amount of payments to a participant that are contingent upon a “change in control” of the Company (as defined in Section 280G of the Code), including awards under the 2016 Plan that vest upon a “change in control,” equals or exceeds three times the individual’s “base amount” (generally, such participant’s average annual compensation for the five calendar years preceding the change in control), then, subject to certain exceptions, the payments may be treated as “parachute payments” under the Code, in which case a portion of such payments would be non-deductible to the Company and the participant would be subject to a 20% excise tax on such portion of the payments.

Certain Limitations on Deductibility of Executive Compensation. With certain exceptions, Section 162(m) of the Code denies a deduction to publicly held corporations for compensation paid to certain executive officers in excess of \$1 million per executive per taxable year (including any deduction with respect to the exercise of an NQSO or the disqualifying disposition of stock purchased pursuant to an ISO). One such exception applies to certain performance-based compensation provided, that such compensation has been approved by stockholders in a separate vote and certain other requirements are met. The Company believes that stock options granted under the 2016 Plan should qualify for the performance-based compensation exception to Section 162(m).

For purposes of qualifying grants of Restricted Stock as “performance-based compensation” under Section 162(m) of the Code, the Committee, in its discretion, may condition the lapse of restrictions based upon the achievement of performance goals, which shall be set by the Committee on or before the applicable grant of Restricted Stock. In granting Restricted Stock which is intended to qualify under Section 162(m) of the Code, the Committee will follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the grant of Restricted Stock under Section 162(m) of the Code (e.g., in determining such performance goals). On November 22, 2017, the last reported sale price of Class B Common Stock on the NYSE American was \$2.73 per share.

Employee Stock Incentive Program

The Company adopted the 2016 Plan, pursuant to which options to purchase shares of Class B Common Stock and restricted shares of Class B Common Stock may be awarded. As fully described in Proposal No. 2, the Company is asking the stockholders to vote on an amendment to the 2016 Plan that will (a) increase the number of shares of Class B Common Stock available for the grant of awards thereunder by 350,000, and (b) modify the non-employee directors' annual automatic grant of \$50,000 to provide that the Compensation Committee may elect to pay any or all of such \$50,000 in cash instead of fully vested shares of restricted Class B Common Stock. The Company anticipates awarding options to purchase shares of Class B Common Stock and restricted shares of Class B Common Stock to employees, officers, directors and consultants under the 2016 Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF AMENDMENTS TO THE 2016 PLAN AS DESCRIBED ABOVE.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Securities Exchange Act of 1934, as amended, we are asking our stockholders to cast an advisory vote on the compensation of the “Named Executive Officers” identified in the Summary Compensation Table in the “Executive Compensation” section of this Proxy Statement. This vote is advisory and not binding on the Company; however, it will provide feedback concerning our executive compensation program.

Our Compensation Committee believes that our executive compensation program implements and achieves the goals of our executive compensation philosophy. That philosophy, which is set by the Compensation Committee, is designed to attract and retain qualified and motivated personnel and align their interests with the short-term and long-term goals of the Company and with the best interests of our stockholders. Our compensation philosophy is to provide compensation to attract the individuals necessary for our current needs and growth initiatives, and provide them with the proper incentives to motivate those individuals to achieve our long-term plans.

The three broad components of our executive officer compensation are base salary, annual cash incentive bonuses, and long-term, equity-based incentive awards. The Compensation Committee periodically reviews total compensation levels and the allocation of compensation among these three components for each of the executive officers in the context of our overall compensation policy. The Compensation Committee believes that our current compensation plans are competitive and reasonable.

Prior to the Company’s Spin-Off from IDT Corporation on June 1, 2016, all of the Named Executive Officers were employees of IDT and all compensation for Fiscal 2016 prior to the Spin-Off that is included in the summary compensation table that was paid by IDT was for services provided by the Named Executive Officers to our business segments and other units of IDT.

The pre-Spin-Off compensation of Messrs. Arnoy and Reich was set by the management of IDT. Following the Spin-Off, compensation of Messrs. Arnoy and Reich was set by our Compensation Committee.

Stockholders are urged to read the information in the “Executive Compensation” section of this Proxy Statement. The Compensation Committee and the Board of Directors believe that the information provided in that section demonstrates that our executive compensation program aligns our executives’ compensation with the Company’s short-term and long-term performance and provides the compensation and incentives needed to attract, motivate and retain key executives who are crucial to the Company’s long-term success. Accordingly, the following resolution will be submitted for a stockholder vote at the Annual Meeting:

“RESOLVED, that the stockholders of Zedge, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, including the compensation tables and narrative disclosures.”

Although the advisory vote is non-binding, the Compensation Committee and the Board of Directors will review the results of the vote. The Compensation Committee will consider stockholders’ concerns and take them into account in future determinations concerning our executive compensation program.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE APPROVAL,
ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY’S
NAMED EXECUTIVE OFFICERS, AS STATED IN THE ABOVE RESOLUTION.**

**RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company's stockholders are being asked to ratify the Board of Directors' appointment of BDO USA, LLP ("BDO") for the Fiscal Year ending July 31, 2018.

BDO was the Company's independent registered public accounting firm for Fiscal 2017. The Audit Committee has approved the engagement of BDO to serve as the Company's independent registered public accounting firm for Fiscal 2018. Neither the Company's governing documents nor applicable law require stockholder ratification of our independent registered public accounting firm. However, the Audit Committee will consider the results of the stockholder vote for this proposal and, in the event of a negative vote, will review any future selection of BDO. Even if BDO's appointment is ratified by the stockholders, the Audit Committee may, in its discretion, appoint a new independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

We expect that representatives for BDO will be present in person or telephonically at the Annual Meeting, will be available to respond to appropriate questions via telephone and will have the opportunity to make such statements as they may desire.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE
APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JULY 31, 2018.**

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of the Company's independent registered public accounting firm. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm, and all such services were approved by the Audit Committee for the interim period following the Spin-Off.

The Audit Committee assesses requests for services by the independent registered public accounting firm using several factors. The Audit Committee will consider whether such services are consistent with the PCAOB's and SEC's rules on auditor independence. In addition, the Audit Committee will determine whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service based upon the members' familiarity with the Company's business, people, culture, accounting systems, risk profile and whether the service might enhance the Company's ability to manage or control risk or improve audit quality.

Report of the Audit Committee

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Company's financial reporting process, internal controls, and audit functions. The Audit Committee's function is more fully described in its charter, which can be found at the Corporate Governance section of the Company's web site, <http://investor.zedge.net/corporate-governance/governance-documents>. The Committee reviews the charter on an annual basis. The Board of Directors annually reviews the NYSE American listing standards' definition of independence for Audit Committee members and has determined that each member of the Audit Committee meets that standard. The Board of Directors has also determined that Stephen Greenberg qualifies as an "audit committee financial expert" within the meaning of Item 407(d)(5) of Regulation S-K.

The Company's management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to assure compliance with accounting standards, applicable laws, and regulations.

The Company's independent registered public accounting firm for Fiscal 2017, BDO USA, LLP, is responsible for performing independent audits of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles. In accordance with law, the Audit Committee has ultimate authority and responsibility for selecting, compensating, evaluating, and, when appropriate, replacing the Company's independent audit firm, and evaluates its independence. The Audit Committee has the authority to engage its own outside advisors, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisors hired by the Company's management.

Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of the Company's management and the independent audit firm; nor can the Audit Committee certify that the independent audit firm is "independent" under applicable rules. The Audit Committee

serves a Board-level oversight role in which it provides advice, counsel, and direction to the Company's management and to the auditors on the basis of the information it receives, discussions with the Company's management and the auditors, and the experience of the Audit Committee's members in business, financial, and accounting matters.

The Audit Committee's agenda for the year includes reviewing the Company's financial statements, internal control over financial reporting, and audit and other matters. The Audit Committee meets each quarter with BDO USA, LLP and the Company's management to review the Company's interim financial results before the publication of the Company's quarterly earnings news releases and/or filings. The Company's management's and the independent audit firm's presentations to, and discussions with, the Audit Committee cover various topics and events that may have significant financial impact or are the subject of discussions between the Company's management and the independent audit firm. The Audit Committee reviews and discusses with the Company's management the Company's major financial risk exposures and the steps that the Company's management has taken to monitor and control such exposures. The Audit Committee is responsible for establishing procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, including confidential, anonymous submission by the Company's employees, received through established procedures, of any concerns regarding questionable accounting or auditing matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's independent registered public accounting firm, including the audit scope, external audit fees, auditor independence matters, and the extent to which the independent audit firm can be retained to perform non-audit services. In accordance with Audit Committee policy and the requirements of law, the Audit Committee pre-approves all services to be provided by BDO USA, LLP. Pre-approval includes audit services, audit-related services, tax services, and other services.

The Committee has reviewed and discussed with the Company's management the audited financial statements of the Company for the fiscal year ended July 31, 2017, as well as the effectiveness of the Company's internal controls over financial reporting as of July 31, 2017. BDO USA, LLP has provided the Audit Committee with the written disclosures and the letter required by the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with BDO USA, LLP and management that firm's independence. The Committee has also reviewed and discussed with BDO USA, LLP the matters required to be discussed with the independent registered public accounting firm by applicable PCAOB rules regarding "Communication with Audit Committees."

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2017, for filing with the Securities and Exchange Commission.

The grant of authority in this Section 3(d) shall be subject to such conditions and limitations as may be determined by the Committee. If the Committee delegates authority to any such executive officer or executive officers of the Company pursuant to this Section 3(d), and such executive officer or executive officers grant awards pursuant to such delegated authority, references in this Plan to the "Committee" as they relate to such awards shall be deemed to refer to such executive officer or executive officers, as applicable.

In granting Restricted Stock which is intended to qualify under Section 162(m) of the Code, the Committee will follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the grant of Restricted Stock under Section 162(m) of the Code (e.g., in determining such performance goals).

4. *Eligibility.*

Awards may be granted to executive officers, employees, directors and consultants of the Company or of any Subsidiary. In addition to any other awards granted to Non-Employee Directors hereunder, awards shall be granted to Non-Employee Directors pursuant to Section 10 of the Plan. In determining the persons to whom awards shall be

granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. *Stock.*

(a) The maximum number of shares of Class B Common Stock reserved for the grant of awards under the Plan shall be 1,041,000 (after giving effect to the stock split of the Company's shares of common stock to be effective prior to the Company's spinoff from IDT Corporation), subject to adjustment as provided in Section 11 of the Plan. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company.

(b) If any outstanding award under the Plan should, for any reason expire, be canceled or be forfeited without having been exercised in full, the shares of Class B Common Stock allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan, unless otherwise determined by the Committee.

(c) In no event may a Grantee be granted during any calendar year Options to acquire more than an aggregate of 60,000 shares of Class B Common Stock subject to adjustment as provided in Section 11 of the Plan.

6. *Terms and Conditions of Options.*

(a) **OPTION AGREEMENT.** Each Option granted pursuant to the Plan shall be evidenced by a written agreement between the Company and the Grantee (the "Option Agreement"), in such form and containing such terms and conditions as the Committee shall from time to time approve, which Option Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement. For purposes of interpreting this Section 6, a director's service as a member of the Board or a consultant's service shall be deemed to be employment with the Company.

(b) **NUMBER OF SHARES.** Each Option Agreement shall state the number of shares of Class B Common Stock to which the Option relates.

(c) **TYPE OF OPTION.** Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option. In the absence of such designation, the Option will be deemed to be a Nonqualified Stock Option.

(d) **OPTION PRICE.** Each Option Agreement shall state the Option Price, which, in the case of an Incentive Stock Option, shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Class B Common Stock covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 9 of the Plan.

(e) **MEDIUM AND TIME OF PAYMENT.** The Option Price shall be paid in full, at the time of exercise, in cash or in shares of Class B Common Stock having a Fair Market Value equal to such Option Price or in a combination of cash and Class B Common Stock including a cashless exercise procedure through a broker-dealer or otherwise; provided, however, that in the case of an Incentive Stock Option, the medium of payment shall be determined at the time of grant and set forth in the applicable Option Agreement.

(f) **TERM AND EXERCISABILITY OF OPTIONS.** Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee, provided, that, the Committee shall have the authority to accelerate the exercisability of any outstanding option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period will be ten (10) years from the date of the grant of the option unless otherwise determined by the Committee; provided, however, that in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(g) and 6(h) of the Plan. An Option may be exercised, as to any or all full shares of Class B Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the administrator designated by the Company, specifying the number of shares of Class B Common Stock with respect to which the Option is being exercised.

(g) TERMINATION OF CONTINUOUS SERVICE. Except as expressly provided for in an applicable Option Agreement or as provided in this Section 6(g) and in Section 6(h) of the Plan, an Option may not be exercised unless the Grantee is then in the employ of, or maintaining a director or consultant relationship with, or otherwise a service provider to, the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Grantee has remained in Continuous Service with the Company or any Subsidiary since the date of grant of the Option. In the event that the Continuous Service of a Grantee shall terminate (other than by reason of death, Disability or Retirement), all Options of such Grantee that are exercisable at the time of Grantee's termination may, unless earlier terminated in accordance with their terms, be exercised within one hundred eighty (180) days after the date of termination (or such different period as the Committee or the applicable Option Agreement shall prescribe).

(h) DEATH, DISABILITY OR RETIREMENT OF GRANTEE. Unless otherwise expressly provided for in an Option Agreement, if a Grantee shall die while providing Continuous Service or if the Grantee's Continuous Service shall terminate by reason of Disability, all Options theretofore granted to such Grantee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Grantee, at any time within three hundred sixty five (365) days after the death or Disability of the Grantee (or such different period as the applicable Option Agreement or the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the Continuous Service of a Grantee shall terminate on account of such Grantee's Retirement, all Options of such Grantee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the applicable Option Agreement or the Committee shall prescribe).

(i) OTHER PROVISIONS. The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine.

7. *Nonqualified Stock Options.*

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 of the Plan.

8. *Incentive Stock Options.*

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 of the Plan:

(a) LIMITATION ON VALUE OF SHARES. To the extent that the aggregate Fair Market Value of shares of Class B Common Stock subject to Options designated as Incentive Stock Options which become exercisable for the first time by a Grantee during any calendar year (under all plans of the Company or any Subsidiary) exceeds \$100,000, such excess Options, to the extent of the shares covered thereby in excess of the foregoing limitation, shall be treated as Nonqualified Stock Options. For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the shares of Class B Common Stock shall be determined as of the date that the Option with respect to such shares was granted.

(b) TEN PERCENT STOCKHOLDER. In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Class B Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. *Restricted Stock.*

The Committee may award shares of Restricted Stock to any eligible executive officer, employee, director or consultant of the Company or of any Subsidiary. Each award of Restricted Stock under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) *NUMBER OF SHARES.* Each Agreement shall state the number of shares of Restricted Stock to be subject to an award.

(b) *RESTRICTIONS.* Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, for such period as the Committee shall determine from the date on which the award is granted (the "Restricted Period"). The Committee may also impose such additional or alternative restrictions and conditions on the shares as it deems appropriate including, but not limited to, the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee. The Company may, at its option, maintain issued shares in book entry form. Certificates, if any, for shares of stock issued pursuant to Restricted Stock awards shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares of stock in contravention of such restrictions shall be null and void and without effect. During the Restricted Period, any such certificates shall be held in escrow by an escrow agent appointed by the Committee. In determining the Restricted Period of an award, the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded shares on successive anniversaries of the date of such award.

(c) *FORFEITURE.* Subject to such exceptions as may be determined by the Committee, if the Grantee's Continuous Service with the Company or any Subsidiary shall terminate for any reason prior to the expiration of the Restricted Period of an award, any shares remaining subject to restrictions (after taking into account the provisions of Subsection (e) of this Section 9) shall thereupon be forfeited by the Grantee and transferred to, and retired by, the Company without cost to the Company or such Subsidiary, and such shares shall become available for subsequent grants of awards under the Plan, unless otherwise determined by the Committee.

(d) *OWNERSHIP.* During the Restricted Period, the Grantee shall possess all incidents of ownership of such shares, subject to Subsection (b) of this Section 9, including the right to receive dividends with respect to such shares and to vote such shares.

(e) *ACCELERATED LAPSE OF RESTRICTIONS.* Upon the occurrence of any of the events specified in Section 12 of the Plan (and subject to the conditions set forth therein), all restrictions then outstanding on any shares of Restricted Stock awarded under the Plan shall lapse as of the applicable date set forth in Section 12. The Committee shall have the authority (and the Agreement may so provide) to cancel all or any portion of any outstanding restrictions prior to the expiration of the Restricted Period with respect to any or all of the shares of Restricted Stock awarded on such terms and conditions as the Committee shall deem appropriate.

10. *Non-Employee Director Restricted Stock.*

The provisions of this Section 10 shall apply only to certain grants of Restricted Stock to Non-Employee Directors, as provided below. Except as set forth in this Section 10, the other provisions of the Plan shall apply to grants of Restricted Stock to Non-Employee Directors to the extent not inconsistent with this Section. For purposes of interpreting Section 6 of the Plan and this Section 10, a Non-Employee Director's service as a member of the Board or the board of directors of any Subsidiary shall be deemed to be employment with the Company.

(a) *GENERAL.* Non-Employee Directors shall receive Restricted Stock in accordance with this Section 10. Restricted Stock granted pursuant to this Section 10 shall be subject to the terms of such section and shall not be subject to discretionary acceleration of vesting by the Committee. Unless determined otherwise by the Committee, Non-Employee Directors shall not receive separate and additional grants hereunder for being a Non-Employee Director of (i) the Company and a Subsidiary or (ii) more than one Subsidiary.

(b) **INITIAL GRANTS OF RESTRICTED STOCK.** A Non-Employee Director who first becomes a Non-Employee Director shall receive a pro-rata amount (based on quarter(s) of service following the date the Non-Employee Director was appointed as a Non-Employee Director on the next Non-Employee Director Annual Grant.

(c) **ANNUAL GRANTS OF RESTRICTED STOCK.** On each Non-Employee Director Grant Date, each Non-Employee Director who attended at least 75% of the regularly scheduled meetings of the Board of Directors during a calendar year shall receive a Non-Employee Director Annual Grant; provided, however that a Non-Employee Director first appointed during the previous calendar year shall receive only the initial grant of restricted stock as set forth in Section 10(b).

(d) **VESTING OF RESTRICTED STOCK.** Restricted Stock granted under this Section 10 shall be fully vested upon grant.

11. *Effect of Certain Changes.*

(a) **ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.** In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, the Committee shall equitably adjust (i) the maximum number of Options or shares of Restricted Stock that may be awarded to a Grantee in any calendar year (as provided in Section 5 hereof), (ii) the number of shares of Class B Common Stock available for awards under the Plan, (iii) the number and/or kind of shares covered by outstanding awards and (iv) the price per share of Options so as to reflect such event and preserve the value of such awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) **CHANGE IN CLASS B COMMON STOCK.** In the event of a change in the Class B Common Stock as presently constituted that is limited to a change of all of its authorized shares of Class B Common Stock, into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Class B Common Stock within the meaning of the Plan.

12. *Corporate Transaction; Change in Control; Related Entity Disposition.*

(a) **CORPORATE TRANSACTION.** In the event of a Corporate Transaction, each award which is at the time outstanding under the Plan shall automatically become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer (except with regard to the Insider Trading Policy and such other agreements between the Grantee and the Company) and repurchase or forfeiture rights, immediately prior to the specified effective date of such Corporate Transaction. Effective upon the consummation of the Corporate Transaction, all outstanding awards of Options under the Plan shall terminate, unless otherwise determined by the Committee. However, all such awards shall not terminate if the awards are, in connection with the Corporate Transaction, assumed by the successor corporation or Parent thereof.

(b) **CHANGE IN CONTROL.** In the event of a Change in Control (other than a Change in Control which is also a Corporate Transaction), each award which is at the time outstanding under the Plan automatically shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Change in Control.

(c) **RELATED ENTITY DISPOSITION.** The Continuous Service of each Grantee (who is primarily engaged in service to a Related Entity at the time it is involved in a Related Entity Disposition) shall terminate effective upon the consummation of such Related Entity Disposition, and each outstanding award of such Grantee under the Plan shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer (except with regard to the Insider Trading Policy and such other agreements between the Grantee and the Company). Unless otherwise determined by the Committee, the Continuous Service of a Grantee shall not be deemed to terminate (and each outstanding award of such Grantee under the Plan shall not become fully vested and exercisable and, in the case of an award of Restricted Stock, shall not be released from any restrictions on transfer) if (i) a Related Entity Disposition involves the spin-off of a Related Entity, for so long as such Grantee continues to remain in the service of

such entity that constituted the Related Entity immediately prior to the consummation of such Related Entity Disposition ("SpinCo") in any capacity of officer, employee, director or consultant or (ii) an outstanding award is assumed by the surviving corporation (whether SpinCo or otherwise) or its parent entity in connection with a Related Entity Disposition.

(d) **SUBSTITUTE AWARDS.** The Committee may grant awards under the Plan in substitution of stock-based incentive awards held by employees, consultants or directors of another entity who become employees, consultants or directors of the Company or any Subsidiary by reason of a merger or consolidation of such entity with the Company or any Subsidiary, or the acquisition by the Company or a Subsidiary of property or equity of such entity, upon such terms and conditions as the Committee may determine, and such awards shall not count against the share limitation set forth in Section 5 of the Plan.

13. *Period During which Awards May Be Granted.*

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from May 23, 2016, the date the Board adopted the Plan.

14. *Transferability of Awards.*

(a) Incentive Stock Options may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee or his or her guardian or legal representative.

(b) Nonqualified Stock Options shall be transferable in the manner and to the extent acceptable to the Committee, as evidenced by a writing signed by the Company and the Grantee. Nonqualified Stock Options shall be transferable by a Grantee as a gift to the Grantee's "family members" (as defined in Form S-8) under such terms and conditions as may be established by the Committee; provided that the Grantee receives no consideration for the transfer. Notwithstanding the transfer by a Grantee of a Nonqualified Stock Option, the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer (including, without limitation, the Insider Trading Policy) and the Grantee will continue to remain subject to the withholding tax requirements set forth in Section 15 hereof.

(c) The terms of any award granted under the Plan, including the transferability of any such award, shall be binding upon the executors, administrators, heirs and successors of the Grantee.

(d) Each Grantee who receives an award shall comply with any policy adopted by the Company from time to time covering transactions in the Company's securities. By way of example, and not limitation, Restricted Stock shall remain subject to the Insider Trading Policy after the Restricted Period.

15. *Agreement by Grantee regarding Withholding Taxes.*

If the Committee shall so require, as a condition of exercise of an Option or the expiration of a Restricted Period (each a "Tax Event"), each Grantee shall agree that no later than the date of the Tax Event, the Grantee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Unless determined otherwise by the Committee, a Grantee shall permit, to the extent permitted or required by law, the Company to withhold federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due to the Grantee. Unless otherwise determined by the Committee, any such above-described withholding obligation may, in the discretion of the Company, be satisfied by the withholding by the Company or delivery to the Company of Class B Common Stock.

16. *Rights as a Stockholder.*

Except as provided in Section 9(d) of the Plan, a Grantee or a transferee of an award shall have no rights as a stockholder with respect to any shares covered by the award until the date of the issuance of such shares to him or her. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such shares are issued, except as provided in Section 11(a) of the Plan.

17. *No Rights to Employment; Forfeiture of Gains.*

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Grantee the right to continue as a director of, in the employ of, or in a consultant relationship with, the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Grantee's employment or consulting relationship. Awards granted under the Plan shall not be affected by any change in duties or position of a Grantee as long as such Grantee continues to be employed by, or in a consultant relationship with, or a director of the Company or any Subsidiary. The Agreement for any award under the Plan may require the Grantee to pay to the Company any financial gain realized from the prior exercise, vesting or payment of the award in the event that the Grantee engages in conduct that violates any non-compete, non-solicitation or non-disclosure obligation of the Grantee under any agreement with the Company or any Subsidiary, including, without limitation, any such obligations provided in the Agreement.

18. *Beneficiary.*

A Grantee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary.

19. *Approval; Amendment and Termination of the Plan.*

(a) APPROVAL. The Plan initially became effective when adopted by the Board on May 23, 2016 and shall terminate on the tenth anniversary of such date (except as to awards outstanding on that date). The Plan was ratified by the Company's stockholder on May 24, 2016. The Board amended the Plan on September 29, 2016 to, among other things, (i) increase the amount of authorized shares under the Plan to 691,000 shares of Class B Common Stock and (ii) change the vesting of the Non-Employee Director Annual Grant to immediate. The Company's stockholders ratified such amendment to the Plan on January 17, 2017.

(b) AMENDMENT AND TERMINATION OF THE PLAN. The Board, or the Committee if so delegated by the Board, at any time and from time to time may suspend, terminate, modify or amend the Plan; however, unless otherwise determined by the Board, or the Committee if applicable, an amendment that requires stockholder approval in order for the Plan to continue to comply with any law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 11(a) of the Plan, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Grantee is obtained.

20. *Governing Law.*

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.

21. *Section 409A of the Code.*

It is the intention of the Company that no award shall be "deferred compensation" subject to Section 409A of the Code, unless and to the extent that the Committee specifically determines otherwise as provided in this Section 21, and the Plan and the terms and conditions of all awards shall be interpreted accordingly. The terms and conditions governing any awards that the Committee determines will be subject to Section 409A of the Code shall be set forth in the applicable award Agreement and shall comply in all respects with Section 409A of the Code. Notwithstanding any provision of this Plan to the contrary, if one or more of the payments or benefits received or to be received by a Grantee pursuant to an award would cause the Grantee to incur any additional tax or interest under Section 409A of the Code, the Committee may reform such provision to maintain to the maximum extent practicable the original intent of the applicable provision without violating the provisions of Section 409A of the Code. Although the Company intends to administer the Plan so that Awards will be exempt from, or will comply with, the requirements of Section 409A of the Code, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Section 409A of the Code or any other provision of federal, state, local or foreign law. The Company shall not be liable to any Grantee for any tax, interest, or penalties that Grantee might owe as a result of the grant, holding, vesting, exercise, or payment of any award under the Plan.
