PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of Lynch Corporation (the "Corporation") in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders to be held at The Westin Hotel, One West Exchange Street, Providence, Rhode Island on May 6, 2004, at 3:00 P.M. and at any adjournments thereof. This Proxy Statement and the accompanying proxy is first being mailed to shareholders on or about April 15, 2004.

Only shareholders of record at the close of business on March 12, 2004 are entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on such date, 1,495,483 shares of the Corporation's common stock, \$0.01 par value (the "Common Stock"), were outstanding and eligible to vote. Each share of Common Stock is entitled to one vote on each matter submitted to the shareholders. Where a specific designation is given in the proxy, the proxy will be voted in accordance with such designation. If no such designation is made, the proxy will be voted FOR the nominees for director named below, and in the discretion of the proxies with respect to any other matter that is properly brought before the Annual Meeting. Any shareholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering to the Secretary of the Corporation a written notice of revocation or duly executed proxy bearing a later date or by appearing at the Annual Meeting and revoking his or her proxy and voting in person.

No action may be taken on any matter to be acted upon at the meeting unless a quorum is present with respect to that matter. For each matter to be acted upon at the meeting, a quorum consists of a majority of the votes entitled to be cast by all shares of Common Stock outstanding on the record date for the meeting. The election of directors shall be determined by a plurality of the votes cast.

An automated system administered by the Corporation's transfer agent tabulates the votes. Pursuant to the Indiana Business Corporation Law and the By-laws of the Corporation, shares held by persons who abstain from voting on a proposal will be counted in determining whether a quorum is present, but will not be counted as voting either for or against such proposal. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present (for quorum purposes) or entitled to vote with respect to that matter, even though such shares will be considered present for purposes of determining a quorum and voting on other proposals.

ITEM NO. 1

ELECTION OF DIRECTORS

Five directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders and until their respective successors are elected. Except where authority to vote for directors has been withheld, it is intended that the proxies received pursuant to this solicitation will be voted FOR the nominees named below. If for any reason any nominee shall not be available for election, such proxies will be voted in favor of the remainder of those named and may be voted for substitute nominees in place of those who decline to be candidates. Management, however, has no reason to expect that any of the nominees will be unavailable for election.

The election of directors shall be determined by a plurality of the votes cast.

All of the nominees have served as directors of Lynch Corporation since the last Annual Meeting of Shareholders. The By-laws of the Corporation provide that the Board of Directors shall consist of no less than five and no more than thirteen members and that any vacancies on the Board of Directors for whatever cause arising, including newly created directorships, may be filled by the remaining directors until the next meeting of shareholders. Biographical summaries and ages as of April 13, 2004 of the nominees are set forth below. Data with respect to the number of shares of the Common Stock beneficially owned by each of them appears on page 7 of this Proxy Statement. All such information has been furnished to the Corporation by the nominees.

The Board of Directors recommends a vote FOR the election of its Nominees FOR Directors for terms to expire at the 2005 Annual Meeting of the Stockholders.

The Audit Committee met five times during 2003. The present members are Messrs. Pustorino, Cerutti and Gray. The Board of Directors has determined that all audit committee members are financially literate under the current listing standards of the AMEX. EXECUTIVE COMPENSATION AND BENEFITS COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview and Philosophy

The Executive Compensation and Benefits Committee (the "Committee") of the Board of Directors is responsible for developing and making recommendations to the Board of Directors with respect to the Corporation's executive compensation policies and administering the various executive compensation plans. In addition, the Committee recommends to the Board of Directors the annual compensation to be paid to the Chief Executive Officer and each of the other executive officers of the Corporation, as well as to other key employees. The composition of the Committee is described below.

The objectives of the Corporation's executive compensation program are to:

- Support the achievement of desired Corporation performance.
- Provide compensation that will attract and retain superior talent and reward performance.
- Ensure that there is appropriate linkage between executive compensation and the enhancement of shareholder value.
- Evaluate the effectiveness of the Corporation's incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon annual and long-term Corporation performance, as well as individual performance. The Committee uses its discretion to recommend executive compensation at levels warranted in its judgment by corporate and individual performance.

Executive Officer Compensation Program

The Corporation's executive officer compensation program is comprised of base salary, cash bonus compensation, 401(k) Savings Plan, and other benefits generally available to employees of the Corporation.

Base Salary

Base salary levels for the Corporation's executive officers are intended to be competitive. In recommending salaries the Committee also takes into account individual experience and performance and specific issues relating to the Corporation. A summary of the compensation awarded to the Chief Executive Officer and the other executive officers is set forth in the "Summary Compensation Table" on page 8 of this Proxy Statement. Initial salaries for the Corporation's executive officers were based upon a variety of judgmental factors, including their respective proposed responsibilities with the Corporation, their background and experience, and the size and nature of the Corporation's business.

Bonus Plan

The Corporation has in place a bonus plan that is based on an objective measure of corporate performance and on subjective evaluation of individual performance for its executive officers and other key personnel. In general, the plan provides for an annual bonus pool equal to 20% of the excess of (i) the consolidated pre-tax profits of the Corporation for a calendar year less (ii) 25% of the Corporation's average shareholders equity at the beginning of such year. Shareholders' equity is the average of shareholders equity at the beginning of the period and at the beginning of the two preceding years. The Executive Compensation and Benefits Committee in its discretion may take into consideration other factors and circumstances in determining the amount of the bonus pool and awarding bonuses such as progress toward achievement of strategic goals and qualitative aspects of management performance. The breakdown of the bonus pool is not based upon a formula but upon judgmental factors.

No bonuses were paid to the named executive officers in 2003, 2002 and 2001.

Lynch Corporation 401(k) Savings Plan

All employees of the Corporation and certain of its subsidiaries are eligible to participate in the Lynch Corporation 401(k) Savings Plan, after having completed one year of service (as defined in the Plan) and having reached the age of 18.

The 401(k) Plan permits employees to make contributions by deferring a portion of their compensation. Participating employees also share in contributions made by their respective employers. The annual mandatory employer contribution to each participant's account is equal to 62.5% of the first \$800 of the participant's contribution. In addition, the employer may make a discretionary contribution of up to 37.5% of the first \$800 of the participant's contribution. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. Employee and employer contributions are invested in guaranteed investment contracts, certain mutual funds or Common Stock of the Corporation, as determined by the participants.

The Company's executive officers were not participants in the 401(k) Plan in 2003.

Benefits

The Corporation provides medical, life insurance and disability benefits to the executive officers that are generally available to Corporation employees. There were no benefits of this nature applicable to the Company's executive officers in 2003.

Compensation to Chief Executive Officer and Other Executive Officers

Mr. Mario Gabelli was the Chief Executive Officer of the corporation until January 2000. Mr. Louis A. Guzzetti became President and Chief Executive Officer of the Corporation in January 2000 at a salary of \$250,000. For 2000, the Committee recommended a salary of \$150,000 to Mr. Gabelli in light of the Lynch Interactive Spin Off and Mr. Louis A. Guzzetti being hired as President and Chief Executive Officer of Lynch Corporation.

When Mr. Guzzetti resigned as Chief Executive Officer on March 31, 2001, Mr. Gabelli agreed to be reappointed as Chief Executive Officer on an interim basis until a new Chief Executive Officer was appointed. Mr. Gabelli served as interim CEO until August 17, 2001 when Mr. Papitto was appointed Chief Executive Officer. For his service as Chairman (through March 31, 2001) and as Chairman and Chief Executive Officer (from April 1 through August 17, 2001), Mr. Gabelli received \$100,000 in salary. On September 26, 2002, for his services as Vice Chairman of the Corporation, the Committee (Mr. Gabelli abstaining) awarded Mr. Gabelli an annual Vice Chairman fee of \$50,000 per year, retroactive to 2001.

Mr. Papitto has been Chief Executive Officer of the Corporation since August 17, 2001. Since March 18, 2004, this Committee has been comprised of Messrs. PERFORMANCE GRAPH

The graph below compares the cumulative total shareholder return on the Common Stock of the Corporation for the last five fiscal years ended December 31, 2003 with the cumulative total return over the same period (i) on the broad market, as measured by the American Stock Exchange Market Value Index, and (ii) on a peer group, as measured by a composite index based on the total returns earned on the stock of the publicly traded companies included in the Media General Financial Services database under the two Standard Industrial Classification (SIC) codes within which the Corporation conducts the bulk of its business operations: SIC Code 355, Special Industry Machinery; and SIC Code 367, Electronic Components Accessories. The data presented in the graph assumes that \$100 was invested in the Corporation's Common Stock and in each of the indexes on December 31, 1998 and that all dividends were reinvested.

Also presented in the graph is a peer group trend line representing total returns for a former peer group which utilized SIC Code 4813, Telephone Communications except Radio Telephones and SIC Code 4213, Trucking, except Local, and SIC Code 267 converted paper and paper products, except boxes. The Corporation made the switch because its Telephone Communications and Trucking operations were spun off in September 1999. SIC Code 267 is included in the Corporation's former peer group because it represents the industry served by one of the Corporation's subsidiaries, Spinnaker Industries, Inc. ("Spinnaker") until deconsolidated on September 30, 2001.

On September 2, 1999, giving effect to the Spin Off, the Corporation's stock closed at \$33 and Lynch Interactive's stock closed at \$28 (after giving effect to a 2-for-1 stock split on September 12, 2000). TRANSACTIONS WITH CERTAIN AFFILIATED PERSONS

Mr. Gabelli is affiliated with various entities which he directly or indirectly controls and which are engaged in various aspects of the securities business, such as an investment advisor to various institutional and individual clients including registered investment companies and pension plans, as a broker-dealer, and as managing general partner of various private investment partnerships. During 2003, the Corporation and its subsidiaries engaged in various transactions with certain of these entities and the amount of commissions, fees, and other remuneration paid to such entities was less than \$60,000.

The Corporation's principal executive offices in Providence, Rhode Island are shared with Avtek Inc. ("Avtek") a private holding company co-owned by Mr. Papitto and Mr. Gabelli until November 27, 2002 and now controlled by Mr. Papitto. Since August 2001, Avtek and the Corporation have shared, on an approximately equal basis, (i) all occupancy costs of the shared premises and (ii) the salary expense of certain persons employed by Avtek at the premises (including Mr. McGrail, the Corporation's President and Chief Operating Officer and Mr. Keller, the Corporation's Chief Financial Officer, and other administrative and clerical personnel) whose services are provided to both the Corporation and Avtek. The Corporation's share of such occupancy and salary costs in 2003 was \$344,000, a portion of which represents compensation to Mr. McGrail and Mr. Keller that is reported in the Summary Compensation Table on page 9 of this Proxy Statement.

INDEPENDENT AUDITORS

Independent Public Accountants

Ernst & Young LLP has audited the books of the Corporation for many years.

Ernst & Young LLP has been reappointed to audit the consolidated financial statements of the Corporation for the year ended December 31, 2003 and to report the results of their audit to the Audit Committee of the Board of Directors. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if the representative desires to do so, and will be available to respond to appropriate questions from shareholders. The Corporation has not yet selected a principal auditor for 2004 because it wanted to finalize the 2003 audit before considering auditors for 2004.

Report of the Audit Committee

The Audit Committee is composed of 3 "independent" directors as defined in the American Stock Exchange listing standards (Mr. Pustorino, Chairman, who meets the standards of a "audit committee financial expert", Mr. Cerutti and Mr. Gray) and operates under a revised written charter adopted by the Board of Directors on February 5, 2004. The Audit Committee reviews the Corporation's financial reporting process on behalf of the Board of Directors, reviews the financial information issued to shareholders and others, including a discussion of the quality, not just the acceptability of the accounting principles; the reasonableness of significant judgments; and the clarity of discussions in the financial statements, and monitors the systems of internal control and the audit process. Management has primary responsibility for the financial statements and the reporting process.

The Audit Committee has met and held discussions with management and the independent auditors. In our discussion, management has represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee has reviewed and discussed the consolidated financial statements with both management and Ernst & Young LLP, the Corporation's independent auditors. The Audit Committee meets with our independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Corporation's internal controls and the overall quality of the Corporation's financial reporting. There were five such meetings in 2003. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Corporation's independent auditors also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has considered and discussed with Ernst & Young the firm's independence and the compatibility of the non-audit services provided by the firm with its independence.

Based on the Audit Committee's review of the audited financial statements and the various discussions noted above, the Audit Committee recommended that the Board of Directors include the audited consolidated

financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2003, and the Board has approved this recommendation.

Such persons are required to furnish the Corporation with copies of all Section 16(a) filings. Based solely on the Corporation's review of the copies of such filings it has received and written representations of directors and officers, the Corporation believes that during the fiscal year ended December 31, 2003, its officers, directors, and 10% shareholders are in compliance with all Section 16(a) filing requirements applicable to them. Mr. Cerutti's report of ownership on Form 5 was inadvertently filed late.

LYNCH CORPORATION

AUDIT COMMITTEE CHARTER
(Amended and Restated as of February 5, 2004)**I. Organization**

This Charter governs the operations of the Lynch Corporation (the "Company") Audit Committee (the "Committee"). The Committee shall be appointed by the Board of Directors and shall consist of at least three directors, each of whom are "independent" of management and the Company and are "financially literate" as those terms are used by the Securities and Exchange Commission ("SEC") and the American Stock Exchange ("AMEX") and at least one of whom is "financially sophisticated" as that term is used by the AMEX. An "audit committee financial expert" within the meaning of SEC regulations is presumed to qualify as "financially sophisticated". The Committee shall meet at least quarterly.

II. Statement of Purpose

The Committee shall provide assistance to the Board in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and others, with respect to the Company's financial statements and financial reporting process, the systems of internal accounting and financial controls, the annual independent audit of the Company's financial statements, and the legal compliance, conflict of interest and ethics programs as established by management and the Board. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors and management of the Company. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose. The Company shall provide adequate funding for the Committee to enable the Committee to carry out its duties under this charter.

III. Responsibilities and Processes**A. General**

1. The Committee's responsibility is to oversee the Company's financial reporting process. The Company's responsibility is to maintain appropriate systems for accounting and internal control and for the preparation, presentation and integrity of the Company's financial statements. The independent auditors responsibility is to audit those statements. The auditors are ultimately responsible to the Board and the Committee as representatives of shareholders. The Committee recognizes that financial management and the independent auditors have more time, knowledge and detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee does not provide any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work.

2. The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order best to react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practice, and ethical behavior. At least annually, it shall perform an evaluation of its performance to determine whether it is functioning effectively and shall review and reassess the adequacy of this Charter and obtain approval for its continued adoption by the full Board of Directors.

3. The Committee is authorized to investigate any matters within its scope of responsibilities or as delegated to it by the Board of Directors.

B. Specific

The following are the principal processes of the Committee in carrying out its oversight responsibilities. They are set forth as guides with the understanding that the Committee may amend or supplement them as appropriate.

1. The Committee is responsible for the appointment, retention, termination, compensation and evaluation of the independent auditors.

2. The Committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The Committee may delegate pre-approval authority to a member of the Committee. The decisions of any Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.

3. The Committee is authorized to retain independent counsel and other advisors to assist it in carrying out its responsibilities under this charter.

4. The Committee shall discuss with the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing. It shall discuss with management and the independent auditors, the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor business risk, and legal and ethical compliance programs. It shall meet separately with the independent auditors, with and without management present, to discuss the results of their examinations and any other matters required to be communicated to the Committee under generally accepted auditing standards.

5. At least annually, the Committee shall obtain and review formal written reports by the independent auditors describing:

a. the firm's internal quality control procedures;

b. any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities;

c. all relationships between the independent auditors and the Company, consistent with Independence Standards Board Standard 1, to enable the Committee to evaluate the auditors' attestation of their independence;

d. their reasoning in accepting or questioning sensitive accounting estimates by management;

e. their conclusions regarding any serious disagreements with management encountered during the course of the audit.

6. The Committee shall review management's assessment of the effectiveness of the Company's internal control over financial reporting as of the end of the most recent fiscal year and the independent auditors' assessment report on management's assessment.

7. The Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Business Conduct Policy).

8. The Committee shall receive regular reports from the independent auditors delineating the critical accounting policies and practices of the Company; all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management including:
- a. ramifications of the use of such alternatives; and
 - b. the treatment preferred by the independent auditors; material written communications between the independent auditors and management such as management letters and schedules of unadjusted differences; and their reasoning for not recognizing material audit adjustments the auditors proposed.
9. The Committee shall resolve disagreements between management and the independent auditors regarding financial reporting.
10. The Committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty. It shall adopt procedures for handling:
- a. The receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and
 - b. The confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
11. The Committee shall set hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards.
12. The Committee shall review the interim financial statements with management and the independent auditors prior to any earnings release and prior to the filing of the Company's Quarterly Report on Form 10-Q. It shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of its review.
13. The Committee shall meet separately with management, the internal auditors, and the independent auditors to discuss issues and concerns warranting Committee attention. The Committee shall provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee.
14. The Committee shall review with management and the independent auditors, prior to any press release and prior to filing, the financial statements to be included in the Company's annual report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality and appropriateness, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity and completeness of the disclosures in the financial statements. It shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.
15. The Committee shall review the management discussion and analysis of financial condition and results of operations included in the Company's annual report and oversee the CEO and CFO's certifications of periodic reports required under the Securities and Exchange Act of 1934.
16. The Committee shall prepare its report to be included in the Company's annual proxy statement, as required by SEC regulations.

17. The Committee shall report to the Board of Directors on a regular and timely basis.

18. On an annual basis, the Committee shall:

a. review and reassess the adequacy of this charter and recommend to the full Board any changes the Committee deems appropriate; and

b. evaluate its performance as a whole and that of its individual members to assess whether it is functioning effectively.

IV. Limitation

Nothing in this Charter is intended to alter in any way the standard of conduct that applies to any of the directors of the Corporation under the Indiana Business Corporation Law, as amended, and this Charter does not impose, nor shall it be interpreted to impose, any duty on any director greater than, or in addition to, the duties or standards established by the Indiana Business Corporation Law.
