PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
June 17, 2010

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of Pyramid Oil Company (the **Company**) of proxies to be used at the Annual Meeting of Shareholders of the Company (the **Annual Meeting**) to be held on June 17, 2010, and at any postponement or adjournment thereof. This Proxy Statement, together with the accompanying proxy, is first being mailed to shareholders on or about May 17, 2010. You are requested to sign, date and return the enclosed proxy card in order to ensure that a majority of the outstanding shares of common stock of the Company (the **Common Stock**) are represented at the meeting.

Any proxy given by a shareholder of the Company may be revoked at any time before it is voted by attending the Annual Meeting and voting in person or by filing with the Secretary of the Company an instrument revoking the proxy or a duly executed proxy bearing a later date. If the enclosed form of proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions given by the proxy. IF NO INSTRUCTIONS ARE GIVEN, THE COMMON STOCK WILL BE VOTED "FOR" (1) AMENDMENT OF THE COMPANY'S RESTATED ARTICLES OF INCORPORATION AND AMENDED AND RESTATED BYLAWS IN THE MANNER DESCRIBED HEREIN; (2) APPROVAL OF THE ELECTION OF THE NOMINEES FOR DIRECTORS NAMED HEREIN; AND (3) THE RATIFICATION OF THE COMPANY'S SELECTION OF SINGERLEWAK LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2010. If any other matters are properly presented at the meeting, or any adjournment thereof, the persons voting the proxies will vote according to their best judgment.

Solicitation of proxies will be primarily by mail, although some solicitation will be by telephone, telegraph or personal interview. Proxies may be solicited by officers, directors and regular employees of the Company. The Company will not pay any additional compensation for such solicitations. Arrangements may be made with brokerage houses and with the Company's transfer agent, Computershare, Glendale, California, to send notices, proxy statements, proxies and other materials to shareholders. The cost for such services is expected to be nominal and will be borne by the Company.

To minimize the Company's expenses, one Proxy Statement and 2009 Annual Report to Shareholders may be delivered to two or more shareholders who share an address unless the Company has received contrary instructions from one or more of the shareholders. The Company will deliver promptly upon written or oral request a separate copy of the Proxy Statement and Annual Report to a shareholder at a shared address to which a single copy of the Proxy Statement and Annual Report was delivered. Requests for additional copies of the Proxy Statement and Annual Report, and requests that in the future separate documents be sent to shareholders who share an address, should be delivered by writing to Pyramid Oil Company, P.O. Box 832, Bakersfield, California 93302, Attention: Lee G. Christianson, or by calling Mr. Christianson at (661) 325-1000.

If you share an address with another shareholder and have received multiple copies of the Company's proxy materials, you may write or call the Company at the address set forth in the preceding paragraph to request delivery of a single copy these materials.

**Important Notice Regarding the Internet Availability of Proxy Materials for the
Shareholder Meeting to be Held on June 17, 2010**

This Proxy Statement, the accompanying proxy and the Company's 2009 Annual Report to Shareholders are also available on the following website at <http://www.edocumentview.com/PDO>.

RECORD DATE AND VOTING

Only holders of record of the Company's Common Stock at the close of business on April 30, 2010 shall be entitled to notice of and to vote at the Annual Meeting. Transferees of Common Stock which is transferred on the books of the Company subsequent to such date shall not be entitled to notice of or to vote at the Annual Meeting with respect to such transferred Common Stock.

As of April 30, 2010, there were outstanding 4,677,728 shares of Common Stock. A majority of the outstanding shares of Common Stock, whether present in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting.

Brokers who hold shares of Common Stock for the accounts of their clients may vote such shares either as directed by their clients or in their own discretion if permitted by the stock exchanges or other organizations of which they are members. Members of the New York Stock Exchange (the "**NYSE**") are permitted by NYSE Rule 452 to vote their clients' proxies in their own discretion on certain routine matters, such as the ratification of the selection of a company's independent registered public accounting firm, if the clients have not furnished voting instructions within ten days of the Annual Meeting. However, Rule 452 defines various proposals such as the election of directors as "non-discretionary," and brokers who have received no instructions from their clients do not have discretion to vote on those items. When a broker votes a client's shares on some but not all proposals at a meeting, the withheld votes are referred to as "broker non-votes."

Abstentions will count for purposes of establishing a quorum but will not count as votes cast for the election of directors or regarding any other proposal. Shares held by brokers who vote such shares on any proposal will be counted for purposes of establishing a quorum, and broker non-votes on other proposals will not affect the presence of a quorum.

Approval of the amendment of the Company's Restated Articles of Incorporation and Amended and Restated Bylaws requires the affirmative vote of a majority of the Company's outstanding shares of Common Stock, provided that, under applicable California law, votes cast against the proposal may not exceed 16-2/3% of the Company's outstanding shares of Common Stock in order for the proposal to be approved. For purposes of determining whether the proposal has received the affirmative vote of a majority of the Company's outstanding shares, abstentions and broker non-votes will have the same effect as votes cast against the proposal, although abstentions and broker non-votes will not be counted for purposes of determining whether the holders of more than 16-2/3% of the outstanding shares have voted against the proposal.

Approval of the selection of SingerLewak LLP requires the affirmative vote of the holders of a majority of the shares of Common Stock represented in person or by proxy and voting on the item, provided that the shares voting affirmatively must also constitute a majority of the required quorum for the Annual Meeting. Therefore, abstentions and broker non-votes will not affect the outcome of that proposal, assuming that the required vote described in the preceding sentence is obtained.

With regard to the election of directors, the four nominees receiving the greatest number of votes will be elected. Therefore, abstentions and broker non-votes will not affect the outcome of the election of directors.

Unless cumulative voting is requested by a shareholder, each share of Common Stock is entitled to one vote for the election of each director of the Company and to one vote on every other matter to be voted upon at the Annual Meeting. Under the California General Corporation Law, if a shareholder gives notice prior to the commencement of voting on the election of directors of his or her intention to cumulate his or her votes, then all shareholders (or their proxies) may cumulate their votes in connection with the election of directors. No cumulative voting will occur if no such notice is given. Cumulative voting permits each shareholder to cast an aggregate number of votes equal to the number of shares owned multiplied by the number of directors to be elected; all of such votes may be cast for a single nominee or may be allocated among any two or more nominees as the shareholder wishes.

If a proxy is marked "FOR" the election of directors, it may, at the discretion of the persons named in the enclosed form of proxy (the "**Proxy Holders**"), be voted cumulatively in the election of directors. Under either form of voting, the four nominees receiving the highest number of votes cast will be elected as directors.

If you hold your shares of Common Stock in "street name" through a broker, bank or other nominee, you are not entitled to vote those shares directly. Instead, you need to instruct the broker or other record owner of your shares as to the voting of the shares using the procedure provided to you by your broker, bank or other nominee. In most cases, you will receive a voting instruction form from your broker, bank or other nominee.

PROPOSAL 1

AMENDMENT OF THE COMPANY'S RESTATED ARTICLES OF INCORPORATION AND AMENDED AND RESTATED BYLAWS

The Company's Restated Articles of Incorporation and Amended and Restated Bylaws provide that the authorized number of directors of the Company is seven. The Board has approved an amendment to each of those charter documents providing that the authorized number of directors of the Company will be not less than four nor more than seven, with the exact number of directors within those limits to be four unless and until that number of authorized directors is changed, within the specified limits, by a resolution which is duly adopted by the Board.

The Board is requesting the Company's shareholders to approve the amendment described in the preceding paragraph. The amendment to the Restated Articles of Incorporation will be reflected in new Restated Articles of Incorporation in the form of Appendix A to this Proxy Statement, which is marked to show changes from the current Restated Articles of Incorporation. Appendix B to this Proxy Statement sets forth the proposed amendment to Article II, Section C of the Company's Amended and Restated Bylaws to conform to the proposed amendment to the Restated Articles of Incorporation. The summary of the amendments contained in this Proxy Statement is qualified by the full text of the amendments set forth in Appendices A and B.

The Board has had fewer than seven directors in office for several years. The Board believes that, given the current size and operations of the Company, there is no need to have seven directors and that four directors are sufficient to enable the Board to function efficiently and to meet the needs of the shareholders.

The Board is also requesting the Company's shareholders to approve minor amendments to the Restated Articles of Incorporation that (1) will delete the current reference in the Restated Articles of Incorporation to the Company's principal place of business as being in the County of Los Angeles, California and (2) will make several non-substantive editorial changes. For many years, the Company's principal executive office has been located in Bakersfield, California, and the California General Corporation Law does not require a corporation's articles of incorporation to state the location of its principal place of business. Article I, Section A of the Company's Amended and Restated Bylaws states that the Board will determine the location of the Company's principal executive office.

If the Company's shareholders approve these amendments at the Annual Meeting, the Company will file the Restated Articles of Incorporation with the California Secretary of State, and the amendments will be effective upon such filing. Shareholder approval of the proposed amendments shown in Appendix A is also deemed to constitute approval of the filing with the California Secretary of State of the new Restated Articles of Incorporation. The Board does not believe that the proposed amendments described above will have any effect on the ability of the Company's shareholders to cause a change in control of the Company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENTS DESCRIBED ABOVE TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION AND AMENDED AND RESTATED BYLAWS.

PROPOSAL 2

ELECTION OF DIRECTORS

Directors are to be elected at the Annual Meeting to serve until the next annual meeting and until their successors are elected and qualified. Unless otherwise instructed in the proxy card, it is the intention of the Proxy Holders to vote for the election of the following four persons as directors: John H. Alexander, Michael D. Herman, Gary L. Ronning and John E. Turco. Thomas W. Ladd, who has served as a director since 1998, has advised us that he does not desire to stand for re-election as a director at the Annual Meeting and that his service as a director therefore will terminate on June 17, 2010.

The Board has been informed that all nominees are willing to serve as directors. If any of them should decline or be unable to act as a director, the Proxy Holders will vote for the election of another person or persons as they, in their discretion, may choose. The Board has no reason to believe any nominee will be unable or unwilling to serve. The information provided below summarizes each nominee's specific experience, qualifications, attributes and/or skills that led the Board to conclude that he is qualified to serve as a director of the Company.

The nominees for election as directors of the Company are as follows:

Mr. Alexander is the only member of management who serves on the Board.

GARY L. RONNING

Mr. Ronning had been Executive Vice President, Western Region of Prime Natural Resources, LLC, since 1999. JOHN E. TURCO

Mr. Turco has been the President and Chief Financial Officer of the Corotto Company, an agricultural company growing citrus in Kern County, California, since March 1991. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, the Company's directors, executive officers, and any person holding more than 10% of the Company's Common Stock are required to report their ownership of the Company's securities and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and the Company is required to report any failures to file by these dates. The Company knows of no instances of persons who have failed to file or have delinquent filed Section 16(a) reports within the most recently completed fiscal year.

BOARD COMMITTEES; DIRECTOR NOMINATING PROCESS; SHAREHOLDER COMMUNICATIONS WITH THE BOARD; BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The members of the Audit Committee and Compensation Committee are Thomas W. Ladd, Gary L. Ronning and John E. Turco. The Board has determined that directors Ladd, Ronning and Turco are "independent" within the meaning of Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 and Section 303A.02 of the NYSE Amex Company Guide. In addition, the Board has determined that director Herman is independent under Section 303A.02 of the NYSE Amex Company Guide, and that director Alexander is not independent since he is an employee of the Company. Mr. Ladd does not intend to stand for re-election at the Annual Meeting.

The Audit Committee reviews the Company's financial and accounting organization, financial reporting and the reports of the independent registered public accounting firm and is responsible for the selection and oversight of the independent registered public accounting firm. The Board has determined that Mr. Turco is an "audit committee financial expert" within the meaning of Item 407(d) (5) of the SEC's Regulation S-K. The Board based its determination upon Mr. Turco's experience since March 1991 as the Chief Financial Officer of the Corotto Company.

The Audit Committee held four meetings during the last fiscal year. All of the Company's directors who were members of the Audit Committee attended all of the Audit Committee meetings. A copy of the Audit Committee's charter is available on the Company's website at www.pyramidoil.com.

The Compensation Committee recommends and approves the compensation of the Company's directors and executive officers, including approving individual executive officer compensation, and reviews and recommends to the Board compensation plans, policies and benefit programs for employees generally. The Compensation Committee held one meeting during the last fiscal year. All of the Company's directors who were members of the Compensation Committee attended that Compensation Committee meeting. A copy of the Compensation Committee's charter is available on the Company's website at www.pyramidoil.com.

All directors of the Company comprise the Nominating Committee, which recommends prospective directors to fill vacancies that may arise from time to time and proposes individuals for election to the Board by the Company's shareholders. The Nominating Committee held one meeting during the last fiscal year. All of the Company's directors attended the Nominating Committee meeting. The Nomination Committee does not have a separate written charter.

The Board, in its capacity as the Company's Nominating Committee, will consider shareholder nominations for candidates for membership on the Board. In evaluating such nominations, the Board seeks to achieve a balance of knowledge, experience and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed to Lee G. Christianson, Secretary, Pyramid Oil Company, P.O. Box 832, Bakersfield, California 93302. Shareholder nominations should be delivered to Mr. Christianson at least 120 days before the date of the annual meeting.

The Board believes that directors should have the highest professional and personal ethics and values, consistent with longstanding Company values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties.

The Board utilizes a variety of methods for identifying and evaluating nominees for director. The Board periodically assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board's through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Board, and may be considered at any point during the year. If any materials are provided by a shareholder in connection with the nomination of a director candidate, the materials will be forwarded to the Board. The Board will also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. Although the Board believes that director nominees should add to the range of backgrounds and experiences of the Company's directors, the Board does not have a policy regarding the consideration of diversity in identifying and evaluating director nominees.

All four of the director nominees identified in this Proxy Statement currently serve as directors of the Company.

Any shareholder can communicate with all directors or with specified directors by sending a letter to the Company's Corporate Secretary at the address listed above. All such letters will be forwarded to the entire Board or to the directors specified by the shareholder.

Michael D. Herman serves as the Company's Chairman of the Board, and John H. Alexander serves as the Company's President and Chief Executive Officer. The Board believes that having two persons, rather than only one, serve in these positions assists the Board in performing its obligation to oversee senior management.

The full Board has responsibility for general oversight of risks facing the Company. The Board receives reports from senior management on areas of risk facing the Company and periodically conducts discussions regarding risk assessment and risk management.

BOARD MEETINGS AND COMPENSATION OF DIRECTORS

The Board held four meetings in 2009. Only non-employee directors receive payment for service as directors of the Company. Non-employee directors receive \$600 for each Board meeting attended in person. Each Board meeting was attended by all of the directors, except for Mr. Turco who attended three meetings in 2009.

The following table sets forth information concerning the compensation paid to non-employee directors during 2009 for their services as directors.

Name	Fees Earned or Paid In Cash	All Other Compensation	Total

Thomas W. Ladd	\$ 2,400	\$ -0-	\$2,400
Gary L. Ronning	\$ 2,400	\$ -0-	\$2,400
John E. Turco	\$ 1,800	\$ -0-	\$1,800

Each director is encouraged to attend each annual meeting of shareholders. All directors attended the 2009 annual meeting of shareholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees and monitors the participation of the Company's management and independent registered public accounting firm throughout the financial reporting process. Other than their services as directors of the Company, no member of the Audit Committee has any other material relationship with the Company.

In connection with its function to oversee and monitor the financial reporting process, the Audit Committee has, among other things: reviewed and discussed with the Company's management the audited financial statements for the fiscal year ended December 31, 2009, discussed with the Company's independent registered public accounting firm those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and received the written disclosures and letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding such firm's communications with the Audit Committee concerning independence and discussed with the Company's independent registered public accounting firm their independence from the Company.

Based upon the foregoing, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009.
